

# David S Callahan

D Keegan

*The Givers* David Callahan, 2018-03-20 An inside look at the secretive world of elite philanthropists—and how they're quietly wielding ever more power to shape American life in ways both good and bad. While media attention focuses on famous philanthropists such as Bill Gates and Charles Koch, thousands of donors are at work below the radar promoting a wide range of causes. David Callahan charts the rise of these new power players and the ways they are converting the fortunes of a second Gilded Age into influence. He shows how this elite works behind the scenes on education, the environment, science, LGBT rights, and many other issues—with deep impact on government policy. Above all, he shows that the influence of the Givers is only just beginning, as new waves of billionaires like Mark Zuckerberg turn to philanthropy. Based on extensive research and interviews with countless donors and policy experts, this is not a brief for or against the Givers, but a fascinating investigation of a power shift in American society that has implications for us all.

*Fortunes of Change* David Callahan, 2010-06-22 Packed with fascinating data that paints a provocative picture of the new rich In *Fortunes of Change*, David Callahan contends that something big is happening among the rich in America: they're drifting to the left. When Callahan set out to write a book on the new upper class, he expected to profile a greedy and reactionary elite—the robber barons of a second Gilded Age. Instead, he discovered something else. While many of the rich still back a GOP that stands against taxes and regulation, liberalism is spreading fast among the wealthy. In *Fortunes of Change*, we meet an upper class increasingly filled with super-educated professionals and entrepreneurs who work in “knowledge” industries and live in the bluest parts of America. This cosmopolitan elite takes for granted such key liberal ideas as multiculturalism and active government, and have ever less in common with an extremist GOP based in small-town America and dominated by Tea Party activists and the likes of Sarah Palin. *Fortunes of Change* explores: Why some of America's wealthiest people backed Barack Obama's presidential bid and are pouring record sums into the Democratic Party and liberal organizations, even though they stand to see their taxes go up. How a few big donors have spent millions to create the modern gay rights movement and how environmental activists have tapped a river of new liberal cash. Why Hollywood, rolling in new profits thanks to globalization, has more money than ever to back Democratic candidates and push politics to the left. Why Silicon Valley is turning more liberal and how tech money—including Bill Gates's vast fortune—is funding a growing array of liberal groups and politicians. How the upper class is likely to get more liberal as young heirs are inculcated with liberal ideas in America's most elite prep schools and universities. David Callahan is a co-founder of the think tank Demos, where he is now a senior fellow. He is author of *The Cheating Culture*, among other books, and his articles have appeared in such places as *USA Today*, the *New York Times*, the *Nation*, and the *Washington Monthly*. Packed with surprising facts and behind-the-scene stories, *Fortunes of Change* is a must-read book if want to understand how America's politics and culture are changing—and what the future may hold.

*The Cheating Culture* David Callahan, 2007-02-01 A public policy expert reveals how decades of deregulation and increasing inequality have fostered a culture of cheating across America. There have always been people who cut corners, but in *The Cheating Culture*, David Callahan demonstrates how cheating on every level—from the highly publicized corporate scandals to Little League fraud—has risen dramatically in recent decades. He then asks the simple yet provocative questions: Why all the cheating? Why now? Callahan pins the blame on today's dog-eat-dog economic climate. An unfettered market and unprecedented economic inequality have corroded our values and threaten the level playing field so central to American democracy itself. Through revealing interviews and extensive data analysis, Callahan takes readers on a revealing tour of cheating in America and offers a powerful argument for why it matters.

*Becoming Mrs. Lewis* Patti Callahan, 2018-10-02 Now a USA TODAY and Publishers Weekly bestseller! Meet the brilliant writer, fiercely independent mother, and passionate woman who captured the heart of C.S. Lewis and inspired the books that still enchant and change us today. When poet and writer Joy Davidman began writing letters to C. S. Lewis—known as Jack—she was looking for spiritual answers, not love. Love, after all, wasn't holding together her crumbling marriage. Everything about New Yorker Joy seemed ill-matched for an Oxford professor and the beloved writer of *The Chronicles of Narnia*, yet their minds bonded over their letters. Embarking on the adventure of her life, Joy traveled from America to England and back again, facing heartbreak and poverty, discovering friendship and faith, and against all odds, found a love that even the threat of death couldn't destroy. In this masterful exploration of one of the greatest love stories of modern times, we meet a brilliant writer, a fiercely independent mother, and a passionate woman who changed the life of this respected author and inspired books that still enchant us and change us. Joy lived at a time when women weren't meant to have a voice—and yet her love for Jack gave them both voices they didn't know they had. At once a fascinating historical novel and a glimpse into a writer's life, *Becoming Mrs. Lewis* is above all a love story—a love of literature and ideas and a love between a husband and wife that, in the end, was not impossible at all. Praise for *Becoming Mrs. Lewis*: “*Becoming Mrs. Lewis* deftly explores the life and work of Joy Davidman, a bold and brilliant woman who is long overdue her time in the spotlight. Carefully researched. Beautifully written. Deeply romantic. Fiercely intelligent. It is both a meditation on marriage and a whopping grand adventure. Touching, tender, and triumphant, this is a love story for the ages.” —Ariel Lawhon, *New York Times* bestselling author of *I Was Anastasia* “Patti Callahan Henry breathes wondrous fresh life into one of the greatest literary love stories of all time . . . The result is a deeply moving story about love and loss that is transformative and magical.” —Pam Jenoff, *New York Times* bestselling author of *The Orphan's Tale* “It's novel. And it's a very good one. . . extraordinarily accurate. . . more accurate than most biographical essays that have been written about my mother.” —Douglas Gresham, son of Joy Davidman, wife of C.S. Lewis This expanded edition includes: Map of Oxford Expanded discussion guide with 20+ questions for book clubs Timeline of Jack's and Joy's Lives Joy's (imagined) letter to Jack 10 Things You May Not Know About Joy Davidman and C. S. Lewis's Love Story Behind-the-scenes essay: Oxford—The City

*Adrift* Steven Callahan, 2002-10-17 Before *The Perfect Storm*, before *In the Heart of the Sea*, Steven Callahan's dramatic tale of survival at sea was on the *New York Times* bestseller list for more than thirty-six weeks. In some ways the model for the new wave of adventure books, *Adrift* is an undeniable seafaring classic, a riveting firsthand account by the only man known to have survived more than a month alone at sea, fighting for his life in an inflatable raft after his small sloop capsized only six days out. “Utterly absorbing” (*Newsweek*), *Adrift* is a must-have for any adventure library.

*Kindred Spirits* David Callahan,2002-10-10 From the heights of power - 28 percent of the class retired as CEO or president of his company - the 49ers shaped trends in nearly every sector of American business..

*Penetrating Trauma* George C. Velmahos,Elias Degiannis,Dietrich Doll,2016-08-31 This book provides clear practical guidance on all aspects of the surgical treatment of penetrating trauma and aims to foster the type of strategic thinking that can save patients' lives. The coverage encompasses prehospital care, penetrating injuries to various body regions and specific organs, orthopedic injuries, peripheral arterial injuries, injuries to special groups of patients, including children and the elderly, military injuries, and a range of other topics. Based on their extensive personal experience, expert authors provide step-by-step instructions on evaluation, surgical techniques, and management of perioperative problems. Tips and tricks and technical pearls are highlighted and each chapter includes a list of the most important points to observe. This second edition of *Penetrating Trauma* has been extensively revised and updated – with inclusion of some entirely new chapters – to take into account the most recent trends in resuscitation, diagnostics, and treatment. It will be an ideal resource for those looking for practical solutions on how to treat injuries surgically.

**Sensible Politics** William A. Callahan,2020-02-07 Visual images are everywhere in international politics. But how are we to understand them? In *Sensible Politics*, William A. Callahan uses his expertise in theory and filmmaking to explore not only what visuals mean, but also how visuals can viscerally move and connect us in affective communities of sense. The book's rich analysis of visual images (photographs, film, art) and visual artifacts (maps, veils, walls, gardens, cyberspace) shows how critical scholarship needs to push beyond issues of identity and security to appreciate the creative politics of social-ordering and world-ordering. Here sensible politics isn't just sensory, but looks beyond icons and ideology to the affective politics of everyday life. It challenges our Eurocentric understanding of international politics by exploring the meaning and impact of visuals from Asia and the Middle East. *Sensible Politics* offers a unique approach to politics that allows us to not only think visually, but also feel visually-and creatively act visually for a multisensory appreciation of politics.

Paramagnetism Philip S. Callahan,1995 Ancient peoples understood the growth and healing powers of rocks-now Dr. Callahan has rediscovered that force.

**Hungry Beat** Douglas MacIntyre,Grant McPhee,2022-09-15 'Hungry Beat is the story of an all-too-brief era where the short-circuiting of that industry seemed viable. But hell, the times were luminous as was the music these artists made. The songs and many of the players remain, and here they tell their story and lick their wounds' Ian Rankin The immense cultural contribution made by two maverick Scottish independent music labels, Fast Product and Postcard, cannot be underestimated. Bob Last and Hilary Morrison in Edinburgh, followed by Alan Horne and Edwyn Collins in Glasgow helped to create a confidence in being Scottish that hitherto had not existed in pop music (or the arts in general in Scotland). Their fierce independent spirit stamped a mark of quality and intelligence on everything they achieved, as did their role in the emergence of regional independent labels and cultural agitators, such as Rough Trade, Factory and Zoo. *Hungry Beat* is a definitive oral history of these labels and the Scottish post-punk period. Covering the period 1977-1984, the book begins with the Subway Sect and the Slits performance on the White Riot tour in Edinburgh and takes us through to Bob Last shepherding the Human League from experimental electronic artists on Fast Product to their triumphant number one single in the UK and USA, Don't You Want Me. Largely built on interviews for Grant McPhee's Big Gold Dream film with Last, Hilary Morrison, Paul Morley and members of The Human League, Scars, The Mekons, Fire Engines, Josef K, Aztec Camera, The Go-Betweens and The Bluebells, *Hungry Beat* offers a comprehensive overview of one of the most important periods of Scottish cultural output and the two labels that changed the landscape of British music.

*Body and Text: Cultural Transformations in New Media Environments* David Callahan,Anthony Barker,2019-08-10 This book presents a collection of academic essays that take a fresh look at content and body transformation in the new media, highlighting how old hierarchies and canons of analysis must be revised. The movement of narratives and characterisations across forms, conventionally understood as adaptation, has commonly involved high-status classical forms (drama, epic, novel) being transformed into recorded and broadcast media (film, radio and television), or from the older recorded media to the newer ones. The advent of convergent digital platforms has further transformed hierarchies, and the formation of global conglomerates has created the commercial conditions for ever more lucrative exchanges between different media. Now source texts can move in any direction and take up any configuration, as emerging interacting fan bases drive innovation and new creative and commercial possibilities are deployed. Moreover, transformation may be not just a technology-driven creative practice and response, but at the very centre of the thematic worlds developed in those forms of story-telling which are currently popular: television series, video games, films and novels. The magic transformation of “your” money into “their” money is paralleled in contemporary media and culture by the centrality of transformation of one product to another as a media industry practice, as well as the transformation of bodies as a major theme both in the ensuing media products and in people's identity practices in daily life.

**My Search for Traces of God** Philip S. Callahan,1997-05 Recounting incidents from his remarkable life and career, Dr. Phil Callahan integrates his early scientific theories and overall religious philosophy with his more recent insights regarding low-level natural energies, the nature of space and time and the realm of the miraculous.

Callahan's Con Spider Robinson,2004-06-14 The discreet little bar that Jake Stonebender established a few blocks below Duval Street was named simply The Place. There, Fast Eddie Costigan learned to curse back at parrots as he played the house piano; the Reverend Tom Hauptman learned to tend bar bare-chested (without blushing), Long-Drink McGonnigle discovered the margarita and several señoritas, and all the other regulars settled into comfortable subtropical niches of their own. Nobody even noticed them save the universe. Over time, the twice-transplanted patrons of Callahan's Place attracted a collection of local zanies so quintessentially Key West pixilated that they made the New York originals seem, well, almost normal. The elfin little Key deer, for instance--with a stevedore's mouth; or the merman with eczema; or Robert Heinlein's teleporting cat. For ten slow, merry years, life was good. The sun shone, the coffee dripped, the breeze blew just strongly enough to dissipate the smell of

the puns, and little supergenius Erin grew to the verge of adolescence. Then disaster struck. Through the gate one sunny day came a malevolent, moronic, mastodon of a Mafioso named Tony Donuts Jr., or Little Nuts (don't ask). He'd decided to resurrect the classic protection racket in Key West--and guess which tavern he picked to hit first? Then, thanks to very poor accessorizing (she chose the wrong belt--and no, we're not going to explain that one), Jake's wife, Zoey, suddenly found herself in a place with no light, no heat, and no air. And no way home. The urgent question was where--precisely where--but that turned out to be a problem so complex that even the entire gang, equipped with teleportation, time travel, and telepathic syntony (you can look it up) might not be able to crack it in time. And while all this was going on, Death himself walked into The Place. But this time he would not leave alone. . . .

Whispering the Techniques of Language: An Mental Quest through **David S Callahan**

In a digitally-driven world where monitors reign great and instant connection drowns out the subtleties of language, the profound strategies and psychological subtleties concealed within words usually move unheard. Yet, set within the pages of **David S Callahan** a captivating literary treasure pulsating with organic thoughts, lies an exceptional journey waiting to be undertaken. Penned by a talented wordsmith, that marvelous opus encourages viewers on an introspective journey, delicately unraveling the veiled truths and profound affect resonating within the fabric of every word. Within the psychological depths of the emotional evaluation, we will embark upon a genuine exploration of the book is primary subjects, dissect their fascinating publishing design, and succumb to the effective resonance it evokes heavy within the recesses of readers hearts.
