David Visser, Mark Arnold

**From Now to Eternity** David D. Visser,2014-02-17 On May 14, 1948, a clock began to tick. This historic date, the declaration of Israel as a nation, marked the beginning of the biblical end times—when the events of the book of Revelation finally come to pass. Now in the face of the financial crises, civil wars, and conflicts that are causing such unrest in the world, the Word of God reveals that there is still more to come. Instead of healing from the tremendous wounds humanity has inflicted on one another, we must brace ourselves for an even worse state of war, in these final days before the return of the Messiah. Through the interpretation of biblical scripture, *From Now to Eternity* paints a vivid picture of the prophecies that have already been fulfilled, as well as what to expect between this current point in time and the second coming of Christ. In this detailed study of biblical prophecies, readers will learn what exactly the Bible has to say about the future of Israel—the chosen nation of the Old Testament—and how it will come to affect the future of the rest of the world.

Paul David Visser,2014-02-17 In David D. Visser's illuminating mediation, Paul -- The Apostle to the Gentiles, the author shares an in-depth biography of Paul's life, and why his role as an apostle differed from that of the other apostles.--Publisher's description on back cover.

**Mary's Heart Secrets** David Visser,2014-02-17 Mary, a young maiden, engaged to a young man called Joseph, found favor with God. Oh, may we be one of the few who God has found favor with. Renew your faith in David D. Visser's enlightening new book, *Mary's Heart Secrets*. With easy-to-read explanations and abundant support from scripture itself, Visser brings these long ago events back to life. The book begins with the announcement of John the Baptist's birth. From there, Visser examines the prophetic dreams given to John's mother, as well as to John himself, Mary, Joseph, the shepherds, and the wise men. These revelations weave together to form a comprehensive and easy-to-read biography of Mary, the mother of Jesus, that is followed by other key pillars of the New

Testament. This includes the teachings of Jesus, the message of the twelve apostles, the life of the apostle Paul, Israel's reemergence as a nation, and Jesus's return to earth. Visser's discussion of Israel's future as a nation, according to the book of Revelation, brings the lessons full circle. Readers will gain not only an understanding of the past, but also how this past directly affects our future as we prepare for a new earth and heaven.

**From Welfare to God's Care** David D. Visser, 2014-02 When an auto accident left David D. Visser a paraplegic, he struggled to live on welfare, then found himself without even that basic income. He turned to his belief in God rather than give up. From Welfare to God's Care is his success story. Visser's faith inspired him to turn to God for strength in life's work, problems, and relationships. He found that he had worth and, led by his faith, discovered the skills that enabled him to successfully run several businesses. It does not mean we are free from the difficulties of life, but during the difficulties God will provide a way out, Visser says. Visser writes about how, after the accident, he designed a house. That led to opportunities to design other houses and a career doing accounting for builders in the community. He goes into detail about the businesses he helped run and how he continued believing in Christ, which he credits for his success. His hope is that From Welfare to God's Care shows how God can make a difference in a person's life. To be religious is one thing, but trusting God is another, Visser says. It is a guide to trust God no matter what the circumstances are.

*The Tank Man's Son* Mark Bouman, D. R. Jacobsen, 2015 Mark Bouman recounts the events of his childhood at the hands of his larger-than-life, Neo-Nazi father in brilliant, startling detail in this memoir. From adventure-filled days complete with real-life war games, artillery fire, and tank races to terror-filled nights marked by vicious tirades, brutal beatings, and psychological torture, Mark paints a chilling portrait of family life that is at once whimsical and horrific, all building to a shocking climax that challenges even the broadest boundaries of love and forgiveness.
