He Opens Another Door Deepak Sethi, 2013-07-11 Destiny forces an Indian Army Brigadier to quit his promising career after 31 years service. He starts afresh by joining the PhD program at the University of Texas at Dallas, and completes it in three years, this too in very dramatic circumstances. Then he goes on to teach at three American universities and makes a mark in his second innings too. But this gripping account is not merely about his transition into U.S. academia. It traces his life's journey, on either side of the time and space divide, and the manner in which he deals with various twists, troubles, and triumphs that His Grand Schema orchestrated for him. Equally fascinating is its overview of the cultural, social, and military milieu in India, now a strategic partner in the emerging geopolitical dynamic.

Sense of a Quiet Deepak Kripal, 1901 Milind and Diya, a doctor couple settled in Haridwar are struggling with career and relationship issues. Rohan, their common friend from medical college, visits Haridwar to stay with his best friend Milind for a few days. Diya doesn't like Rohan; she sees him as an impractical and impulsive person who lacks motive in life. Facing an impending divorce, Rohan wants to rejig his life, to work out the missing pieces and figure out what he really wants from life. In Haridwar, Rohan makes new acquaintances and friends - a rickshaw-wala, a maid and a rude elderly retired army man. Meanwhile, Milind gets trapped in a corruption scam, and Diya finds herself in a situation that she does not want to share with Milind and ends up in a further conflict with Rohan. Rohan gets into an altercation with an MLA's aide; his stay in Haridwar seems to have set off a chain of events that will turn the relationship between Diya, Rohan and Milind into a quagmire spiraling completely out of control before they know it. Where will the cycle of life take them to? As they sit on the bank of Ganges for redemption, what does destiny have in store for them - Scars or Deliverance?

This book is my attempt to bring those thoughts and ideas to life. The story begins in Vastrapur, Gujarat home to India's premier Indian Institute of Management, Ahmedabad. The protagonist is Dilip Paliwal, who narrates in his own words the journey of a middle class young aspiring Indian. The story highlights the struggles of a society that is constrained by its resources, and how education, consistent hard work, right decision making and forces of destiny can combine to remove the obstacles along life's crossroads. It is a story about dreaming and achieving one's goals. I hope it will touch some young hearts and they will achieve greatness in their life.

When everything was moving on smoothly, an abrupt discussion with his grandson opens up the old wound, forcing him to take a trip all the way to San Francisco, to

seek an apology, he had almost forgotten about, from a friend, he hadn't spoken with, in 40 years. The time, they say, heals everything, but his injury has only gotten bigger, especially with this sudden realization after a huge passage of time. Now, he can't return till he receives the forgiveness, he yearns for, while his son is stunned with what he feels is his father's age-induced eccentricity. Will Hari get the apology he is dying for or will he be forced to live the rest of his life with regret and guilt.

Life & It's Lies Deepak Gurmukh Khushalani, 2019-06-25 Life will never remain the same The laughter of shadows, that only animals appreciate; The shelter of moon is now sponsored by goons! The window of fun has now disappeared with the sun! The hunger for gun is now cherished by nuns! As the power of love was always a joke developed! As life never remains the same!! The harder we cry the sadder we die; As whatever we do there are something's we can't undo! As life never remains the same! With every beat of our heart there are memories that depart! As whatever has passed can only be cherished at last! As life never remains the same! Evolutions will come, Revolutions they will become; As whatever is done life is always undone! As the priest of money is the only convection now honey! As life never remains same!! Searching Life or is it about Life and It's Life

I Have Not Seen Mandu a Fractured Soul-Memoir Swadesh Deepak, 2021-10-20 Description When Swadesh Deepak- celebrated Hindi playwright and short-story writer- arrives at PGI, Chandigarh, after having tried to set himself on fire, the doctors don't know if he belongs in the burns unit or in the psychiatric ward. He's living a 'curse'. A dangerous seductress-his Mayavini-is taking revenge for his insulting rebuff at her wish to visit with him the famous lovers' palace in Mandu. She comes to him at night, sometimes with three white leopards, and she leaves the smell of her body in his nostrils. When he tries to kill himself, she tells him he will not die. He is firmly in her clutches, but he will tolerate anything for her, from humiliation at the hands of acquaintances to carnivorous worms under his skin. This fractured, shattering narrative-among the most unusual books ever published in India-records Deepak's descent into madness and his brief, uncertain recovery. Shortly after it was published, he left home for a walk one morning and never returned. As the translator, Jerry Pinto, writes in his introduction: '[Deepak's] words carry all the scars of who he was and what his illness had made of him... His voice echoes from the bottom of a well.'

Dahsatgard Desh Deepak Tripathi, 2006 Novel, based on social theme.

Nefarious Bollywood Deepak Kumar, 2020-10-09 Cinema ought to be a reflection of society - particularly the flaws;

a tool for social reform even. Movies are without comparison, the single largest influence in shaping the culture of a nation. And right now, that power is in the hands of a bunch of bottom-feeders, who continue to churn out garbage. Indian society is crying out for someone to hold a mirror up to it and point out all the wrongs. People have been too kind for too long. But now that Bollywood has thrown-up all over itself, its time for an intervention - for a dose of cold hard reality. Bollywood doesn't rock. Right now, Bollywood is a Sucks. It is as Sucks as Sucks can be. It is an actual clusterfuck of mediocre nepotistes, (yes, that's a play on them considering themselves 'artistes'). We reject Injustice, Inequality, Tyranny, Terrorism Fundings, Radicalisations, and all Social evils glorified by the 'Bollywood Mafias' & 'Criminal Cops'. Happy Reading, Cheers.

Fungal Pathology J.W. Kronstad,2013-03-09 This book brings together twelve chapters on fungal pathogens with the goal of presenting an overview of the current areas of activity and the common themes that pervade research on these important organisms. The timing of the book is appropriate because we have gained sufficient insight from molecular genetic analyses to begin to make some comparisons between different fungal pathogens and to discuss the key advances that have been made. The chapters provide a broad survey of the important topics in fungal pathogenesis including morphogenesis, virulence, avirulence, and signaling. The reader also will find clear discussions of parasitism, mutualism, symbiosis, evolution, phylogeny and ecology for those fungi where these issues are especially important. Finally, many of the chapters in this book illustrate the fact that we are on the verge of a revolution in our understanding of fungal pathogens because of the application of genomics to these organisms and their hosts. The fungi included in this book represent many of the most intensively investigated fungal pathogens of plants; in this regard, a chapter is also included for pathogens in the *Phytophthora* group, even though these organisms are no longer classified as fungi. It is appropriate to include *Phytophthora* for historical reasons and, in addition, the insights in terms of pathogenesis and host-specific interactions are important to keep in mind when considering fungal pathogens. Chapters are also included on pathogens of insects and humans, as well as endophytic fungi.
