**Ecodesign** Alastair Fuad-Luke,2002-04 Alas, environmentally friendly design hasn't always meant high style. Confronting that challenge head on, ecoDesign lists well over 500 consumer products for those who seek design that's not only beautiful and useful, but also has minimal impact on the earth. Some of these pieces—from clothing to kitchenware, electronics, furniture, and much, much more—have already become classics. But this remarkable sourcebook also guides readers to undiscovered gems and handcrafted objects from artisanal studios. Detailed illustrated entries describe the products themselves, while an extensive reference section defines these new and hybrid materials and provides information on manufacturers, design studios, green organizations, and a further reading list. ecoDesign is the total resource guide for a new generation of contemporary design.

**The Eco-design Handbook** Alastair Fuad-Luke,2004 The Eco-Design Handbook is the first book to present the best-designed objects for every aspect of the home and office, including the most environmentally sound materials and building products. The book contains three essential components. An introduction puts forward the history and latest thinking in green design strategies. Its core comprises two sections devoted to detailed illustrated descriptions of objects for domestic living and products for the office or work-related activities. The third element is a vast reference source, defining available materials, from organic to specially developed eco-sensitive composites and then providing detailed information on manufacturers, design studios, green organizations, online information, as well as further reading and a glossary of useful terms and concepts. Lastly, a comprehensive index makes it possible for the reader to find any product, designer or manufacturer instantly.

**Download! How The Internet Transformed The Record Business** Phil Hardy,2012-11-20 "Industry expert Phil Hardy has outdone himself with the splendid, piecing **Download!**" – Record Collector **Download!** chronicles of the making of the new record industry, from the boom years of the CD revolution of the late 1980s to the crisis of the present day, with particular stress on the last decade. Following the actions and reactions of the major international record companies as they ploughed their way through the digital revolution, bewildered by the fleet-of-foot digital innovators who were far more responsive to the changing marketing conditions. **Download!** delves even further into the structural change that has, almost surreptitiously, taken place, within the music business. A change that has left the captains of the record industry as unable to act as they were unwilling to act.

**Sexy Forever** Suzanne Somers,2010-12-28 What If Your Weight Wasn't Your Fault? If you are like most, you have tried to find an easy, enjoyable, permanent weight loss solution. One that doesn't make you give up too many of your favorite foods, have you working out like a maniac, and won't fail you in the long run. But long-term success is awfully hard if you don't address the hidden culprit behind the excess fat we carry: the toxic burden our bodies have accumulated. Whether you have just a few pounds to lose or are battling more, this new plan from health pioneer Suzanne Somers will give you the knowledge you need to easily combat these toxins and become slim, vibrant, healthy, and sexy . . . forever. Within the pages of *Sexy Forever* you will discover: Thousands of FDA-approved chemicals and toxins surrounding us every day that sabotage our health and weight—and how to conquer these enemies. A simple-to-follow three-phase weight loss program, filled with rich, delicious foods. Plus, a special Detox Phase that has been designed to release your toxic burden and blast off those first—or last few—pounds. All-new delicious recipes, with menus for fabulous eating every day. A moderate (hint: fast and easy!) exercise program to keep you fit and healthy. Ways to jump-start your success: cutting-edge, natural tools and products to make every step of the plan faster, easier, and more convenient. Includes amazing supplements and weight loss products to help catapult your success. A simple test that could unlock the hidden secret to your personal food demons—food sensitivities or intolerances that could silently be keeping you overweight or even chronically ill. How to achieve natural hormonal balance: the missing ingredient for every person over forty that must be added to make any plan successful. An all-access pass to revered doctors, experts, and nutritionists who helped Suzanne craft the plan. **YOU CAN WIN THIS BATTLE. YOUR GOALS ARE ACHIEVABLE.** Stay the course and you'll be on the path to regaining the vibrant health you were born to have. *Sexy Forever* is your ticket there.

*Mommy Burnout* Dr. Sheryl G. Ziegler,2018-02-20 The ultimate must-read handbook for the modern mother: a practical, and positive tool to help free women from the debilitating notion of being the perfect mom, filled with funny and all too relatable true-life stories and realistic suggestions to stop the burnout cycle, and protect our kids from the damage burnout can cause. Moms, do you feel tired? Overwhelmed? Have you continually put off the things you need to do for you? Do you feel like it's all worth it because your kids are happy? Are you over being a mother? If you answered yes to these questions, you're not alone. Parents today want to create the ideal childhood for their children. Women strive to be the picture-perfect Pinterest mother that looks amazing, hosts the best birthday parties in town, posts the most liked photos, and serves delicious, nutritious home-cooked meals in her neat, organized home after ferrying the kids to school and a host of extracurricular activities on time. This drive, while noble, can also be destructive, causing stress and anxiety that leads to mommy burnout. Psychologist and family counselor Dr. Sheryl Ziegler is well-versed in the stress that moms face, and the burden of guilt they carry because they often feel like they aren't doing enough for their kids' happiness. A mother of three herself, Dr. Z—as she's affectionately known by her many patients—recognizes and understands that modern moms are all too often plagued by exhaustion, failure, isolation, self-doubt, and a general lack of self-love, and their families are also feeling the effects, too. Over the last nineteen years working with families and children, Dr. Z has devised a prescriptive program for addressing mommy burnout—teaching moms that they can learn to re-energize themselves and still feel good about their families and their lives. In this warm and empathetic guide, she examines this modern epidemic among mothers who put their children's happiness above their own, and offers empowering, proven solutions for alleviating this condition, saving marriages and keeping kids happy in the process.

Imagine Sissa Marquardt, Markus Schmölz, 2002-08 India offers the western traveller an assault on all senses. Presenting these impressions in images gathered over the years, this striking, colourful and virtually text-free book refuses to draw academic correlations between images. Rather than offering a false completeness of one idea of India, this original collection rejects clichéd images of graceful Indian women and sadhus sunk in meditation wearing colourful garments, which have come to typify the Western conception of contemporary Indian art and life. With over 75 full-colour and b/w illustrations.
