Older people are among the world's most successful entrepreneurs with a wealth of in-depth experience, education, and mature judgment that younger people can't match; they also care more about creating financial security and doing what they want. Covering every aspect of building a successful business, not just the broad outlines, this book also provides senior-oriented information on computer equipment, the internet, and social media marketing.

**Tandem Lives** Henrietta Baker Embree, Tennessee Keys Embree, 2008 The mythology of the frontier Texas woman portrays her as fiercely independent, strong willed, and adventurous. This eye-opening book, however, offers a far more complex and intimate version of women's cultural experiences in mid-nineteenth-century Texas by publishing, for the first time, the diaries of Henrietta Baker Embree and Tennessee Keys Embree. Henrietta and Tennessee were the sequential wives of Dr. John W. Embree of Belton, Texas, a physician, slaveholder, farmer, merchant, and man of mercurial temperament. Their diaries reveal the social and personal challenges women experienced in a region beset first by the Civil War and then by Reconstruction and offer insights into the two women's struggles to survive as battered wives in a society that offered little support-and less chance of escape-for women bound by nineteenth-century ideas about gender roles. In the preface and other editorial matter that accompany the two diaries, Amy L. Wink draws on extensive primary research to fill in the blanks of Henrietta's and

Tennessee's lives and place them in historical context. The diaries themselves richly illuminate how these women coped with such issues as domestic violence, childrearing, faith, frailty, and mortality. Most significantly, they show how Henrietta and Tennessee-and, by extension, countless other women like them-used their writing to construct their sense of personal identity and thereby to empower themselves in the face of debilitating external forces. An important contribution to the fields of history, women's studies, psychology, and literature, *Tandem Lives* reveals anew the rich insights offered by the autobiographical writings of ordinary women. Amy L. Wink, PhD is an adjunct professor at Austin Community College in Austin, Texas and also works with clients as a writing coach and mentor. She is the author of *She Left Nothing In Particular: The Autobiographical Legacy of Nineteenth-Century Women's Diaries* and has written for *InsideHigherEd.com* and other publications. **The Book of Harold** Owen Egerton, 2012-05-01 *The Book of Harold* is as profound and deeply respectful a novel as it is irreverent in its wild, often hilarious take on a modern messianic movement in suburbia. The titular and sometimes exasperating hero of this masterful satire is Harold Peeks, a middle-aged suburbanite living a lonely if typical modern life in the outskirts of Houston, Texas. His world feels bland and pointless until one

evening at a mundane office party he announces to his stunned co-workers that he is the Second Coming of Christ. Oddly enough, people start to believe him. Blake Waterson, Harold's closest friend and narrator of the novel, is as skeptical as anyone of this disheveled and disconcertingly bawdy Savior and yet this would-be Judas is compelled to follow Harold on his two-hundred mile walking journey to Austin with a mismatched group of equally puzzled disciples. On the road, this motley crew of witnesses to the holy get to experience misguided converts, violent possums, and the ungrateful recipients of off-kilter healings. They also discover the inherent paradoxes, absurdities, and dangers of spirituality, as they learn that saviors may not have all the answers, and humanity is just as bizarre and beautiful as the beliefs we hold.
