Disability and Mobile Citizenship in Postsocialist Ukraine Sarah D. Phillips,2010-11-26 Sarah D. Phillips examines the struggles of disabled persons in Ukraine and the other former Soviet states to secure their rights during the tumultuous political, economic, and social reforms of the last two decades. Through participant observation and interviews with disabled Ukrainians across the social spectrum -- rights activists, politicians, students, workers, entrepreneurs, athletes, and others -- Phillips documents the creative strategies used by people on the margins of postsocialist societies to assert claims to mobile citizenship. She draws on this rich ethnographic material to argue that public storytelling is a powerful means to expand notions of relatedness, kinship, and social responsibility, and which help shape a more tolerant and inclusive society.

*Historical Dictionary of Figure Skating* James R. Hines,2011-04-22 The Historical Dictionary of Figure Skating relates the history of the sport through a chronology, an introductory essay, an extensive bibliography, and over 800 cross-referenced dictionary entries on hundreds of skaters, past and present, but also on skating countries, governing bodies, skating disciplines, technical elements, skating styles, and many other subjects. This book is an excellent access point for students, researchers, and anyone wanting to know more about the history of figure skating.

**Deadly Ideals** Ian Karretty,2010-09 The balance of power begins to shift when an American presidential candidate makes a secret compact with the Russian president to share intelligence and resources to combat global terrorism. The act unleashes a program of covert operations allowing government agents to pick and choose who is a terrorist. The murder of an American professor sparks a local investigation drawing a street-wise city detective into the shadowy world of Russian and American espionage. Through a Russian master spy, he learns about deceit and ideals but the spy has little time for the police. He needs to stop the expanding carnage created by the naïve but deadly ideals of one political leader.

**Islam in Russia** Shireen Hunter,Jeffrey L. Thomas,Alexander Melikishvili,2004-05-03 Traces the shared history of Russia and Islam in expanding compass; from the Tatar civilization within the Russian heartland, to the conquered territories of the Caucasus and Central Asia, to the larger geopolitical and security context of contemporary Russia on the civilizational divide. The study stresses political and geopolitical relationships.

Sports around the World [4 volumes] John Nauright,2012-04-06 This multivolume set is much more than a collection of essays on sports and sporting cultures from around the world: it also details how and why sports are played wherever they exist, and examines key charismatic athletes from around the world who have transcended their sports. Sports Around the World: History, Culture, and

Practice provides a unique, global overview of sports and sports cultures. Unlike most works of this type, this book provides both essays that examine general topics, such as globalization and sport, international relations and sport, and tourism and sport, as well as essays on sports history, culture, and practice in world regions—for example, Latin America and the Caribbean, the Middle East and North Africa, Europe, and Oceania—in order to provide a more global perspective. These essays are followed by entries on specific sports, world athletes, stadiums and arenas, famous games and matches, and major controversies. Spanning topics as varied as modern professional cycling to the fictional movie Rocky to the deadly ball game of the ancient Mayans, the first three volumes contain overview essays and entries for specific sports that have been and are currently practiced around the world. The fourth volume provides a compendium of information on the winners of major sporting competitions from around the world. Readers will gain invaluable insights into how sports have been enjoyed throughout all of human culture, and more fully comprehend their cultural contexts. The entries provide suggestions for further reading on each topic—helpful to general readers, students with school projects, university students and academics alike. Additionally, the four-volume Sports Around the World spotlights key charismatic athletes who have changed a sport or become more than just an outstanding player.

**Love and Marriage in Globalizing China** Wang Pan, 2014-11-13 As China globalizes, the number of marriages between Chinese people and foreigners is increasing. These Chinese--foreign marriages have profound implications for China's cultural identity. This book, based on extensive original research, outlines the different types of Chinese--foreign marriage, and divorce, and the changing scale and changing patterns of such marriages, and divorces, and examines how such marriages and divorces are portrayed in different kinds of media. It shows how those types of Chinese--foreign marriage where Chinese patriotism and Chinese values are preserved are depicted favourably, whereas other kinds of Chinese--foreign marriage, especially those where Chinese women marry foreign nationals, are disapproved of, male foreign nationals being seen as having a propensity to infidelity, deception, violence and taking advantage of Chinese women. The book contrasts the portrayal of Chinese--foreign marriage with the reality, and with the depiction of Chinese--Chinese marriage where many of the same problems apply. Overall, the book sheds much light on changing social processes and on current imaginings of China's place in the world.

**Boitano's Edge** Brian Boitano, Suzanne Harper, 1997-12 Olympic ice skating champion Brian Boitano describes the sport of figure skating and his own experiences as a skater.

Perspectives on the Use of New Information and Communication Technology (ICT) in the Modern Economy Elena G. Popkova, Victoria N. Ostrovskaya, 2018-06-04 This book includes the best works presented at the scientific and practical conference that took place on February 1, 2018 in Pyatigorsk, Russia on the topic "Perspectives on the use of New Information and Communication Technology (ICT) in the Modern Economy". The conference was organized by the Institute of Scientific Communications (Volgograd, Russia), the Center for Marketing Initiatives (Stavropol, Russia), and Pyatigorsk State University (Pyatigorsk, Russia). The book presents the results of research on the complex new information and communication technologies in the modern economy and law as well as research that explores limits of and opportunities for their usage. The target audience of this book includes undergraduates and postgraduates, university lecturers, experts, and researchers studying various issues concerning the use of new information and communication technologies in modern economies. The book includes research on the following current topics in modern economic science: new challenges and opportunities for establishing information economies under the influence of scientific and technical advances, digital economy as a new vector of development of the modern global economy, economic and legal aspects of using new information and communication technologies in developed and developing countries, priorities of using the new information and communication technologies in modern economies, platforms of communication integration in tourism using new information and communication technologies, and economic and legal managerial aspects and peculiarities of scientific research on the information society.

The Great Eight Scott Hamilton, 2009-10-11 Beloved Olympic skater shares his secrets to happiness on and off the ice. Scott Hamilton has experienced the heights of accomplishment and the depths of disease, from winning the Gold to becoming a cancer and brain tumor survivor. But through his successes, struggles, and setbacks, Hamilton has never lost his trademark humor and honesty. More important, he has never lost his faith and optimism. How does he keep smiling? In The Great Eight, Scott uses stories from his international career and personal life to describe the eight secrets that — through commitment and repetition — have helped him "clear the ice," get back up, and "smile like Kristi Yamaguchi." "Scott Hamilton . . . lives his life as a champion. Everyone needs the positive message of this greatly inspiring book." ~Kristi Yamaguchi, Olympic Gold Medalist "I know and love Scotty Hamilton. You will, too, after you read this book." ~William Shatner "The Great Eight is an inspiration to us all." ~Donald J. Trump "It's like my bud Scott says: 'You can't just skate through life and expect to be happy!'" ~Kevin Nealon, actor, comedian, Saturday Night Live alum

**The Post-Soviet Handbook** M. Holt Ruffin, 2018-05-07 Post-Soviet Handbook: A Guide to Grassroots Organizations and Internet

Resources

This hands-on guide walks you through five projects that, when completed, will give you a comprehensive and usable support system: Conducting a technology inventory; Assessing and supporting staff; Assessing and buying technology; Protecting your organization from disasters and data loss; Managing your role.--Book cover.

Political Dissent and Democratic Remittances Joanna Fomina,2021-10-24 With a focus on the most recent wave of political emigration from Russia unleashed during President Vladimir Putin’s third term, this book explores the activities of those who voice political dissent after leaving their country. Based on rich ethnographic data and interviews gathered among Russian emigrants to the EU member-states, who are engaged in civic and political participation targeted at their home country, it demonstrates that emigration, particularly forced emigration in which political dissidents are squeezed out of their country, no longer functions efficiently as a means of calming political unrest. Drawing on the concept of social remittances, the author analyses the content, structure and the channels of political democratic remittances sent by political dissidents overseas, the factors that shape them and the perceived effects of these endeavours. A study of the latest wave of politically charged emigration from Russia and emigrants’ engagement in ‘homeland politics’, this volume will appeal to scholars across a range of social sciences working on migration, diaspora and democratisation processes, citizenship, EU studies and Russia studies.

Energy Dependency, Politics and Corruption in the Former Soviet Union Margarita M. Balmaceda,2007-12-06 Energy has become a major element to Russia's attempts, under Putin, to restore its influence over former Soviet territories and reaffirm itself as the dominant regional power. This book investigates how Russia has manipulated the energy of its neighbours on Russian energy supplies to achieve its foreign policy goals, focusing in particular on relations with Ukraine. This book, based on a multitude of primary Ukrainian and Russian primary sources until now not brought to the attention of Western readers, examines important events such as Russia's January 2006 suspension of gas supplies to Ukraine, and the implications for Ukraine's 'Orange Revolution', other post-Soviet states and Western Europe. However, it goes further in showing how domestic political conditions in non-Russian states may facilitate Russia's use of energy as a foreign policy weapon, investigating the local groups that often receive significant profits from allowing Russia to control energy markets and energy transit possibilities. With European countries becoming more dependent upon Russian energy, this book will be of interest not only to Russian Studies and Eastern European Studies experts, but to scholars of international relations and European politics.

*XXIV Olympiad* Ellen Galford,2015-11-18 XXIV Olympiad, the twenty-second volume in The Olympic Century series, tells the story of the 1988 Summer Olympics of Seoul, Korea. The second Olympics held in Asia would be the last for perennial sporting powerhouses the Soviet Union and East Germany, which ceased to exist before the next Olympiad.The book gives a detailed account of the most infamous episode from Seoul, which saw Canadian sprinter Ben Johnson achieve a dramatic win in the men's 100 metres only to have his gold medal stripped away for failing a post-race drug test. The book also profiles heroes of Seoul like Christa Luding-Rothenburger of East Germany, who became the only athlete to ever win gold in both Winter (speed skating in Calgary) and Summer (cycling) Games in the same year; and swimmer Anthony Nesty, who won Suriname's only Olympic medal and became the first male black swimmer to win individual gold.The second part of the book focuses on the 1992 Winter Olympics of Albertville, France. Albertville was the last Winter Games to be held in the same year as the Summer Games, and mogul skiing, short-track speed skating and women's biathlon made their Olympic debuts. The book profiles stars of Albertville like 16-year-old Finnish ski jumper Toni Nieminen, who became the youngest ever male gold medalist at the Winter Games; and Annelise Coberger of New Zealand, who won silver in the women's slalom to become the first Winter Olympic medalist from the southern hemisphere. Juan Antonio Samaranch, former President of the International Olympic Committee, called The Olympic Century, e;The most comprehensive history of the Olympic games ever publishede;.

The Top Books of the Year Denis Petrov The year 2023 has witnessed a noteworthy surge in literary brilliance, with numerous engrossing novels captivating the hearts of readers worldwide. Lets delve into the realm of popular books, exploring the fascinating narratives that have charmed audiences this year. The Must-Read : Colleen Hoovers "It Ends with Us" This poignant tale of love, loss, and resilience has gripped readers with its raw and emotional exploration of domestic abuse. Hoover skillfully weaves a story of hope and healing, reminding us that even in the darkest of times, the human spirit can succeed. Uncover the Best : Taylor Jenkins Reids "The Seven Husbands of Evelyn Hugo" This spellbinding historical fiction novel unravels the life of Evelyn Hugo, a Hollywood icon who defies expectations and societal norms to pursue her dreams. Reids absorbing storytelling and compelling characters transport readers to a bygone era, immersing them in a world of glamour, ambition, and self-discovery. Discover the Magic : Delia Owens "Where the Crawdads Sing" This captivating coming-of-age story follows Kya Clark, a young woman who grows up alone in the marshes of North Carolina. Owens weaves a tale of resilience, survival, and the transformative power of nature, captivating readers with its evocative prose and mesmerizing setting. These top-selling novels represent just a fraction of the literary treasures that have emerged in 2023. Whether you seek tales of romance, adventure, or personal growth, the world of literature offers an abundance of engaging stories waiting to be discovered. The novel begins with Richard Papen, a bright but troubled young man, arriving at Hampden College. Richard is immediately drawn to the group of students who call themselves the Classics Club. The club is led by Henry Winter, a brilliant and charismatic young man. Henry is obsessed with Greek mythology and philosophy, and he quickly draws Richard into his world. The other members of the Classics Club are equally as fascinating. Bunny Corcoran is a wealthy and spoiled young man who is always looking for a good time. Charles Tavis is a quiet and reserved young man who is deeply in love with Henry. Camilla Macaulay is a beautiful and intelligent young woman who is drawn to the power and danger of the Classics Club. The students are all deeply in love with Morrow, and they are willing to do anything to please him. Morrow is a complex and mysterious figure, and he seems to be manipulating the students for his own purposes. As the students become more involved with Morrow, they begin to commit increasingly dangerous acts. The Secret History is a exceptional and suspenseful novel that will keep you speculating until the very end. The novel is a cautionary tale about the dangers of obsession and the power of evil.

## Denis Petrov Introduction

In this digital age, the convenience of accessing information at our fingertips has become a necessity. Whether its research papers, eBooks, or user manuals, PDF files have become the preferred format for sharing and reading documents. However, the cost associated with purchasing PDF files can sometimes be a barrier for many individuals and organizations. Thankfully, there are numerous websites and platforms that allow users to download free PDF files legally. In this article, we will explore some of the best platforms to download free PDFs. One of the most popular platforms to download free PDF files is Project Gutenberg. This online library offers over 60,000 free eBooks that are in the public domain. From classic literature to historical documents, Project Gutenberg provides a wide range of PDF files that can be downloaded and enjoyed on various devices. The website is user-friendly and allows users to search for specific titles or browse through different categories. Another reliable platform for downloading Denis Petrov free PDF files is Open Library. With its vast collection of over 1 million eBooks, Open Library has something for every reader. The website offers a seamless experience by providing options to borrow or download PDF files. Users simply need to create a free account to access this treasure trove of knowledge. Open Library also allows users to contribute by uploading and sharing their own PDF files, making it a collaborative platform for book enthusiasts. For those interested in academic resources, there are websites dedicated to providing free PDFs of research papers and scientific articles. One such website is Academia.edu, which allows researchers and scholars to share their work with a global audience. Users can download PDF files of research papers, theses, and dissertations covering a wide range of subjects. Academia.edu also provides a platform for discussions and networking within the academic community. When it comes to downloading Denis Petrov free PDF files of magazines, brochures, and catalogs, Issuu is a popular choice. This digital publishing platform hosts a vast collection of publications from around the world. Users can search for specific titles or explore various categories and genres. Issuu offers a seamless reading experience with its user-friendly interface and allows users to

download PDF files for offline reading. Apart from dedicated platforms, search engines also play a crucial role in finding free PDF files. Google, for instance, has an advanced search feature that allows users to filter results by file type. By specifying the file type as "PDF," users can find websites that offer free PDF downloads on a specific topic. While downloading Denis Petrov free PDF files is convenient, its important to note that copyright laws must be respected. Always ensure that the PDF files you download are legally available for free. Many authors and publishers voluntarily provide free PDF versions of their work, but its essential to be cautious and verify the authenticity of the source before downloading Denis Petrov. In conclusion, the internet offers numerous platforms and websites that allow users to download free PDF files legally. Whether its classic literature, research papers, or magazines, there is something for everyone. The platforms mentioned in this article, such as Project Gutenberg, Open Library, Academia.edu, and Issuu, provide access to a vast collection of PDF files. However, users should always be cautious and verify the legality of the source before downloading Denis Petrov any PDF files. With these platforms, the world of PDF downloads is just a click away.
