Sugar Falls David A. Robertson,2021-06-25 Inspired by true events, this story of strength, family, and culture shares the awe-inspiring resilience of Elder Betty Ross. Abandoned as a young child, Betsy is adopted into a loving family. A few short years later, at the age of 8, everything changes. Betsy is taken away to a residential school. There she is forced to endure abuse and indignity, but Betsy recalls the words her father spoke to her at Sugar Falls—words that give her the resilience, strength, and determination to survive. Sugar Falls is based on the true story of Betty Ross, Elder from Cross Lake First Nation. We wish to acknowledge, with the utmost gratitude, Betty's generosity in sharing her story. A portion of the proceeds from the sale of Sugar Falls goes to support the bursary program for The Helen Betty Osborne Memorial Foundation. This 10th-anniversary edition brings David A. Robertson's national bestseller to life in full colour, with a foreword by The Hon. Murray Sinclair, Chair of the Truth and Reconciliation Commission of Canada, and a touching afterword from Elder Betty Ross herself.

The Northern Dennis Norris,2014-03-14 In San Francisco's Tenderloin District, truth is always stranger than fiction. Allen Tooley has been dishonorably discharged from the US Navy and makes his way from his home in Knoxville, Tennessee to the Tenderloin District of San Francisco. There he meets Emerald Strapp, the local methamphetamine distributor. Tooley soon finds himself at odds with Strapp and is left to support his growing meth habit by smashing the San Francisco Chronicle paper boxes and collecting the spillage. Unfortunately for him, the midnight watch cops of San Francisco Police Department's Northern Station have a tradition of grabbing the sports page and cup of coffee in the morning, and Tooley is unwittingly defiling their culture. The cops want him badly.Woven within the search for Tooley is a typical night in The Northern, bringing to life the various police partnerships and frequent station wallflowers. What follows is a fast-paced, raunchy and realistic dance of cops and criminals that is dead-on in terms of language, incessant practical joking, highs and lows of emotion, and occasional misuse of power.

Thieves on All Floors Dennis Wood,2017-03-17 Dennis Wood, after retiring from a career in the police, was engaged by a large empire of department stores in the capacity of a Regional Security Manager, with the responsibility of eighty two stores. Each such store employed a store security manager and a brigade of store detectives. Dennis, and the four other regional security managers who had been engaged at the same time, set out to increase the profit of the company by reducing the incidence of shrinkage through theft by both the public and staff.These amusing stories of the wiles of such thieves in their endeavours to steal at will, and the Machiavellian methods of the regional security managers to overcome them, will keep you entertained, and may reveal to you, that all the glamour of the emporiums is not always as it may appear.

What is their connection and what could he be planning?Baron Von Stupor of many secrets will learn that before he can secure his future, he must conquer his past...and he doesn't have much time left.

Baron Syndicate (-1) ,2015-05-29 ...we're too guilty for freedom, yet too innocent for jail. Man, this place is like punishment limbo! -Baron Von StuporBaron Von Stupor is his name, or so he thinks. For the past year the eccentric patient has been living in a mental asylum, struggling to understand himself in a world that doesn't understand him. While he yearns to be able to live a normal life, his long days of checkers and psychological therapy is doing nothing more than despond him further.To make matters worse, Stupor has found a new bully in the egomaniacal William Lanzendorf, who prefers to treat this minimum-security mental hospital like his own penitentiary. Whenever the hateful security manager feels slighted, the cameras turn away and dubious things happen. Topping it off, management is oblivious because of the amazing biannual reviews they've been receiving for five years running.Stupor's monotonous lifestyle is turned upside-down when the gigantic, angry patient C26 is involuntarily committed, ranting about his dishonorable capture. While Stupor aggressively seeks friendship from the coolest guy in the whole facility, C26 wants nothing to do with him and prefers to work on his plans to escape confinement.Through his encounters with these people, Stupor will learn more about himself than he ever knew; he will learn that this is his story, and the only person who deserves to write it is him.

Sterling Dennis Russell Dunklee,Dennis Russell Dunklee, Dr,2011-03-20 Sterling has spent his life continually seeking an answer to the question, I know who you are but who am I? He finds the answer, over time and in many different places, by paying attention to people, remembering what he's observed, carefully selecting behaviors like performance, actions, deeds, activities, manners and conduct to emulate. He often chooses not to accept things on blind faith, without comprehension or understanding. Help me understand was, and continues to be, his watchword. He tries to avoid the inevitable conflict between adult realism and youthful idealism. He often fails. With your looks and personality and your oft-proven ability to manipulate people, your future is in sales, he was told. You don't need to waste your time trying to get into a college-you can make a really good living selling cars, or just about selling anything for that matter. Now, after his official send off from the university where embarrassing words like a true leader of education, inspiring professor, and Professor Emeritus were bestowed- words that should have humbled him to

tears, but didn't, he looks back over a career of circuitous hiccups and turns, wins and losses, tears and laughter. Sterling is blessed with a well developed sense of humor-some might even say over-developed and his sense of the ridiculous saved his skin many times by deflecting threats and easing tense situations. It's also helped him get past difficult moments, permitting him time for calm logical thinking to find the best, albeit not always the greatest solution, to problems. In the end, his life and this book are amusing and for the most part, a whole lot of fun.
