📖 Baron Syndicate (-1) Dennis L Decker,Neil Miller,2014-02-09 Baron Von Stupor is his name, or so he thinks. For the past year the eccentric patient has been living in a mental asylum, struggling to understand himself in a world that doesn’t understand him. While he yearns to be able to live a normal life, his long days of checkers and psychological therapy is doing nothing more than despond him further. To make matters worse, Stupor has found a new bully in the egomaniacal William Lanzendorf, who prefers to treat this minimum-security mental hospital like his own penitentiary. Whenever the hateful security manager feels slighted, the cameras turn away and dubious things happen. Topping it off, management is oblivious because of the amazing biannual reviews they’ve been receiving for five years running. Stupor’s monotonous lifestyle is turned upside-down when the gigantic, angry patient C26 is involuntarily committed, ranting about his dishonorable capture. While Stupor aggressively seeks friendship from the coolest guy in the whole facility, C26 wants nothing to do with him and prefers to work on his plans to escape confinement. Through his encounters with these people, Stupor will learn more about himself than he ever knew; he will learn that this is his story, and the only person who deserves to write it is him.

📖 Baron Syndicate Dennis Decker,Neil Miller,2020-09 Baron Von Stupor and Baron Von Poorly Spelled Vengeance have finally freed themselves from the asylum, but it seems like they’ve gone out of the frying pan and into the fire! Hiding from the police in an alley not far away, they are figuring out their next plan of action.However, lurking in the shadows is someone far more dangerous than the police. The killer nurse from the asylum is still trying to assassinate Stupor! She believes she is on a righteous quest to rid the world of the evil Stupor will cause... but is this really true?Meanwhile, a bully from Stupor’s childhood has caught wind of his whereabouts and seeks to use Stupor’s mask for his own purposes! What is their connection and what could he be planning?Baron Von Stupor of many secrets will learn that before he can secure his future, he must conquer his past...and he doesn’t have much time left.

📖 Sterling Dennis Russell Dunklee,Dennis Russell Dunklee, Dr,2011-03-20 Sterling has spent his life continually seeking an answer to the question, I know who you are but who am I? He finds the answer, over time and in many different places, by paying attention to people, remembering what he’s observed, carefully selecting behaviors like performance, actions, deeds, activities, manners and conduct to emulate. He often chooses not to accept things on blind faith, without comprehension or understanding. Help me understand was, and continues to be, his watchword. He tries to avoid the inevitable conflict between adult realism and youthful idealism. He often fails. With your looks and personality and your oft-proven ability to manipulate people, your future is in sales, he was told. You don’t need to waste your time trying to get into a college-you can make a really good living selling cars, or just about selling anything for that matter. Now, after his official send off from the university where embarrassing words like a true leader of education, inspiring professor, and professor emeritus were bestowed- words that should have humbled him to tears, but didn’t, he looks back over a career of circuitous hiccups and turns, wins and losses, tears and laughter. Sterling is blessed with a well developed sense of humor-some might even say over-developed and his sense of the ridiculous saved his skin many times by deflecting threats and easing tense situations. It’s also helped him get past difficult moments, permitting him time for calm logical thinking to find the best, albeit not always the greatest solution, to problems. In the end, his life and this book are amusing and for the most part, a whole lot of fun.

📖 An Accidental Life Dennis Lingane,2022-07 In this humorous and sometimes poignant account of his early life, journalist Dennis Lingane gives an insight into his life as an Irish misfit in England, surviving Hitler and priests to find a niche in the newspaper industry in both Britain and Australia, where he brushed shoulders with royalty, romped with pop stars and found fellow colourful misfits. It is also a peek into life in the newspaper industry at its historical height.
