Meet the Man from Hobbtown Dennis R. Smith,2023-09-07 In Dennis' words: Meet the Man from Hobbtown is a record of my life, written now when, at the present date, I am eighty-eight years old. After being asked many times by my two daughters, Pamela (Smith) Hill, of Portland, Oregon, and Angela Smith, of Springfield, Missouri, I have finally yielded to their wishes and put in print a great part of my life. I have not done this for any financial benefit, but I hope that my entire family will appreciate this history, which has its start in the year I was born, December 11, 1929. The e-book version of this book was published posthumously. Dennis joined his beloved wife, Carolyn Smith, on August 31, 2023, after eight months apart. The family has opted to publish the book for free for anyone who wishes to know more about this incredible man.

Report from Ground Zero Dennis Smith,2003-02-25 The tragic events of September 11, 2001, forever altered the American landscape, both figuratively and literally. Immediately after the jets struck the twin towers of the World Trade Center, Dennis Smith, a former firefighter, reported to Manhattan's Ladder Co. 16 to volunteer in the rescue efforts. In the weeks that followed, Smith was present on the front lines, attending to the wounded, sifting through the wreckage, and mourning with New York's devastated fire and police departments. This is Smith's vivid account of the rescue efforts by the fire and police departments and emergency medical teams as they rushed to face a disaster that would claim thousands of lives. Smith takes readers inside the minds and lives of the rescuers at Ground Zero as he shares stories about these heroic individuals and the effect their loss had on their families and their companies. "It is," says Smith, "the real and living history of the worst day in America since Pearl Harbor." Written with drama and urgency, Report from Ground Zero honors the men and women who—in America's darkest hours—redefined our understanding of courage.

By All Means Dennis Smith,2016-03-30 Jeffery Darnell Thomas wanted to be rich and powerful. It was his dream for as long as he could remember. He devises a plan that could make or break everything. In the process he learns a lot about himself and life. This is a story about hard work and determination that will move your soul.

Firefighters Dennis Smith,2002-03-12 An unforgettable journey through the daily lives of the brave men and women who have made saving lives their profession. Dennis Smith, author of Report from Engine Co. 82, traveled across the country talking to dozens of America's firefighters to put together this powerful collection of their own descriptions of their most dramatic and intense experiences on the job. Their stories, compiled here, are timeless testimonies to the human capacity for heroism and nobility. Focusing on the most courageous firefighters, from those who have been decorated for heroism to those who have been seriously injured, Firefighters presents the extraordinarily rich and rugged voices of men and women who fight urban building fires, who battle sweeping forest fires, who perform emergency rescues, and who face extreme danger and risk as part of their everyday lives. Sometimes brave, sometimes funny, sometimes bittersweet or filled with anger, these voices combine to make Firefighters both a riveting adventure drama and a moving chronicle of American heroism at its finest.
