**BollySwar: 1981 - 1990** Param Arunachalam,2020-04-14 BollySwar is a decade-wise compendium of information about the music of Hindi films. Volume 6 chronicles the Hindi film music of the decade between 1981 and 1990. This volume catalogues more than 1000 films and 7000 songs, involving more than 1000 music directors, lyricists and singers. An overview of the decade highlights the key artists of the decade - music directors, lyricists and singers - and discusses the emerging trends in Hindi film music. A yearly review provides listings of the year's top artists and songs and describes the key milestones of the year in Hindi film music. The bulk of the book provides the song listing of every Hindi film album released in the decade. Basic information about each film's cast and crew is provided and detailed music credits are provided. Where available, music credits go beyond information regarding music directors, lyricists and singers, and include the names of assistants, arrangers, recordists, etc. Where applicable, music related awards are listed. Interesting trivia is listed for most films. This includes information about artist debuts, plagiarised or sampled songs, controversies and stories behind the making of the film and its music. This book is primarily meant as a quick reference for people looking for information related to a Hindi film or a song, but readers can also browse through the book to get an overview of the events that shaped Bollywood music in the decade. Given that Hindi films are a reflection of the Indian society, the reader can also glean insights about the country's socio-political and cultural environment from the book.

Lessons from My Father Ruta Vyas,2023-01-21 Some moments in life leave a permanent imprint on our minds. The mind's eye takes photos of those moments, and the senses capture the taste, sound, smell and feel of something in those moments, creating a 6D memory of them. And when those moments are in the company of one of the most special persons in your life, then those imprints go even deeper and come together, like pins on Google Maps creating a wonderful filigree. This book is that filigree, a compilation of all the most touching, loving, funny and thought-provoking episodes that I enjoyed with my father and the profound yet practical lessons they left behind. Ones that have helped me find peace when I was disturbed, clarity when I was confused, confidence when I was defeated and motivation when I was deflated. I dedicate this book to my son. I hope that, he also finds some solid rocks of wisdom and grows into an honest, straightforward, curious, courageous and kind man, just the way Dad was. I hope this book also reminds readers of the lessons they have learnt from their parents. For those who haven't been fortunate enough to have their father as long as I did or those who have not enjoyed a happy relationship with their fathers, through this book, I want to share my dad with them.
