**Why We Don't Suck** Denis Leary, 2018-09-18 From the author of the bestselling *Why We Suck* comes a searing comic look at these divisive times, skewering liberals and conservatives alike with a signature dose of sarcasm and common sense. In an America so gluten-free that a box of jelly donuts is now a bigger threat than Vladimir Putin, where college kids are more afraid of Ann Coulter than HIV, it's time for someone to stand up and make us all smell the covfefe. Dr. Denis Leary is that guy. With *Why We DON'T Suck: And How All of Us Need to Stop Being Such Partisan Little Bitches*, Denis is on a devoted mission to #MakeAmericaLaughAgain. Using the clamorous political atmosphere as a starting point, he takes a bipartisan look at the topics we all hold so dear to our

patriotic hearts—including family, freedom, and the seemingly endless search for fame and diet vodka. Denis will answer important questions like: When will Hillary blame herself? Why does Beyoncé think he’s Bryan Adams? And why doesn’t he follow the millennial lead and post pictures of his food on social media? (Spoiler alert: He’s too busy actually eating it.) Not that Denis has anything against millennials: “When it comes to science, math, and technological advances, this generation has done more in three and a half decades than any other age group in history. What did my generation do? Cocaine and quaaludes mostly. With a side order of really stupid haircuts.” Dr. Leary is here to remind us of what truly makes America great, even though we’re #7 on the most recent list of Best Countries to Live In. Which may sound bad but means we still make the playoffs.

*Chronicles of Ninjago: An Official Handbook (LEGO Ninjago)* Tracey West, 2014-12-30 Ninjago: Rebooted! The wise-cracking ninja are back with all-new adventures on Cartoon Network and all-new toys on sale everywhere. This handbook is the must-have, comprehensive guide to the newest LEGO(R) Ninjago heroes, villains, weapons, and vehicles! Kids will discover everything they need to know about Cyrus Borg, PixaL, the Overlord, and the Nindroids, plus all the latest info about Cole, Jay, Kai, Zane, and Lloyd. The book also includes a special sneak peek at season five of the TV show. It's everything kids need to master the world of Spinjitzu.

**Why We Suck** Denis Leary, 2008-11-18 The New York Times bestseller One of America’s most original and biting comic satirists, Denis Leary takes on all the poseurs, politicians, and pop culture icons who have sucked in public for far too long. Sparing no one, Leary zeroes in on the ridiculous wherever he finds it—his Irish Catholic

upbringing, the folly of celebrity, the pressures of family life, and the great hypocrisy of politics—with the same bright, savage, and profane insight he brought to his critically acclaimed one-man shows *No Cure for CancerLock 'n Load*. Proudly Irish-American, defiantly working class, with a reserve of compassion for the underdog and the overlooked, Leary delivers blistering diatribes that are both penetrating social commentary with no holds barred and laugh-out-loud funny. As always, Leary's impassioned comic perspective in *Why We Suck* is right on target. Leary is the star and co-creator of the Emmy-nominated television show *Rescue Me*.

Basil Street Blues Michael Holroyd, 2001-05 Michael Holroyd is a distinguished biographer, but was never interested in exploring his own family's history until his parents died in the 1980s. This encouraged him to find out more about his parents, their stories, and their origins.

The Momstown Guide to Getting It All Mary Goulet, Heather Reider, 2005-08-03 The hosts of the hit internet radio show *MomsTown* offer insights, resources, and motivation to help stay-at-home moms set and achieve their personal goals for a more satisfying life and more women are taking a break from their careers to devote time to being a mom. But as some women find, going from cleaning out the inbox to cleaning up the toy box can be a bit of a shocking transition. That's where *The Momstown Guide to Getting It All* comes in. Internet radio hosts Mary Goulet and Heather Reider have been lifesavers to many stay-at-home moms, providing friendship, community, and motivation to women who might otherwise have felt

marginalized. The MomsTown philosophy reminds moms that they can make their dreams come true without sacrificing family life in just ten weeks!

*Ribofunk* Paul Di Filippo, 2014-04-01 Tackling genetic engineering, “Di Filippo’s effervescent prose can provoke both hilarity and haunting reflections on our species’ possible fate” (Publishers Weekly). *Ribofunk* contains eleven masterful and surprising works of imagination. In all of them, biology is the science that drives the engine of life and of story: the Protein Police patrol for renegade gene-splicers; part-human sea creatures live in the Great Lakes and clean up toxic spills; a river has become sentient; there is a bodyguard who is part wolverine and a thrill-seeker climbs a skyscraper and gets stuck, literally.

*#artselfie* Simon Castets, DIS, 2014 *#artselfie* opens with an incisive remark by Douglas Coupland, who warns us that Selfies are mirrors we can freeze. ... Selfies allow us to see how others look at themselves in a mirror making their modeling face when nobody’s around-- except these days, everybody’s around everywhere all the time.

*#artselfie* emerged in 2012, right as the recent photographic phenomenon known as the selfie reached its tipping point. It was subsequently activated by New York based collective DIS, as an aggregated mode of art-tourism and documentation. These selfies and their dialogue with art are an opportunity to revisit fundamental questions such as: if art is a mirror, what happens when we place ourselves between it and the camera? The traditional trajectory from photographer to subject via the camera has been subverted, and with it, the nature of images and our perception of them. The *#artselfie* makes every participant both protagonist and collaborator, consumer and producer. Including an introduction by Douglas Coupland (author of

Generation X: Tales for an Accelerated Culture and ruthless observer of contemporary society) and a discussion between Simon Castets (director of the Swiss Institute in New York and co-founder of the 89+ project) and DIS, #artselfie allows us to experience how significant -- and seductive -- this viral phenomenon is.
