Global Citizenship Education William Gaudelli, 2016-03-22 Global Citizenship Education addresses the intersection of globalization, education and programmatic efforts to prepare young people to live in a more interdependent, complex and fragile world. The book explores topics such as sustainability education, cultural diversity, and human rights education, offering critical insights into how these facets of GCE are interpreted around the world. The book also strives to give voice to student populations within historically marginalized communities, rather than focusing solely on the role of GCE in elite schools. Gaudelli blends theory and practice to provide both an overview of GCE as well as examining current efforts to develop more globally-conscious classrooms. Blending empirical research and practical illustrations, this important volume encourages educators to take seriously their own call to prepare young people to engage global challenges with a sense of urgency and helps chart a new direction for global learning that is increasingly expansive, dialogic and inclusive.

Paavai Christina Meadows, 2014-12-17 Seventeen year old Paavai Chopra was the product of a one hit wonder. Her childhood was constantly uprooted from place to place, by her abusive father who was a struggling unemployed actor. With her dad's constant failure, Paavai's consistent ability to gain friends, along with her natural beauty, Paavai's father started to live vicariously through her. Paavai began experimenting with the thought of suicide, moving dangerously close to success... until she met Tyson. Tyson was her stability, her foundation, and in a moment of spontaneity he became her husband. But Tyson was African American. Though she fell hard for Tyson, she had to give him up to move again, this time back to India. Ten years later, through hard work, Paavai is now a Bollywood superstar. Queen of the East. Her violent father is now her manager. Her career is at the top, she's India's favorite woman... but what happens when her long lost husband re-enters her life?

Yash Chopra Rachel Dwyer, 2019-07-25 As a charismatic director in the Indian film industry, Chopra's name is synonymous with the glamour of the romantic film and a certain style within Indian culture. Spanning four decades, his directed features include some of the classic films of Indian film history, such as 'Deewaar' and 'Kabhi Kabhie'. His directorial career began in 1959 with 'Dhool Ka Phool' and he has been a major producer since 1973, consolidating his success in the 1990s with a series of huge box office hits including 'Dilwale Dulhania Le Jayenge'. He has also worked in other Hindi movie genres, directing action movies such as 'Mashaal' and a thriller, 'Darr'. This book discusses in depth his work with the Hindi megastar Amitabh Bachchan in films such as 'Deewaar', 'Trishul', 'Kala Patthar' and 'Silsila' and how, in his transformation of the look of

mainstream cinema in 'Dil To Pagal Hai' and other films, Yash Chopra has proved to be a tireless innovator within a mainstream tradition. The author integrates this analysis with information about the man and his work, based on interviews with Yash Chopra, his family, his colleagues, his stars, his contemporaries and major critics that include views from Amitabh Bachchan, Shahrukh Khan, Shashi Kapoor and Sri Devi. A study of a top contemporary Indian film director, Rachel Dwyer's book also examines the influence on Chopra of predecessors such as Raj Kapoor and how his own legacy can be seen in such films as 'Kuch Kuch Hota Hai' and younger directors such as Karan Johar and Aditya Chopra.

Directors' Diaries: The Road to Their First Film Rakesh Bakshi, 2015-05-15

Director: the invisible, omnipotent presence in cinema; a word that holds spaces inaccessible to most people. In *Directors Diaries*, Rakesh Bakshi demystifies that figure through the voices of twelve of the most iconic film-makers of our time. In doing so, he happens upon the greater questions of destiny and chance and how sometimes random encounters end up determining the course of a person's life. Bakshi's interviews turn into deep and intimate conversations: Imtiaz Ali's transformative experience as a reader during summer vacations, locked in a room; Govind Nihalanis visits with his father to temples in Udaipur, which influenced him as a cinematographer and filmmaker; Ashutosh Gowariker's disappointment at faring poorly in his board exams and being forced to give up his dream to study architecture, which led him to seek avenues in theatre, folk dance, group singing, elocution contests in college, eventually leading him to cinema. Farah Khan's passion for

dance as a child and how she stopped dancing for almost fourteen years because her father did not like it and began doing so only after he passed away. How cinema became Subhash Ghais great escape, whenever his parents argued, he would run away to watch a film. How Vishal Bhardwaj composed his history lessons as songs so he could memorize them, and how he accompanied his friend on the harmonium at food festivals in Pragati Maidan to earn a livelihood. An invaluable record of Hindi cinemas old and new voices, and a study of the changing face of it, Directors Diaries is also an inspiring account of people battling great odds to achieve their dreams.

Manik Da: Memoirs Of Satyajit Ray Nemai Ghosh,2011-04-15 Satyajit Ray, known to
his intimates as Manik-da, remains India's most respected name in international film
circles. This book reveals in its simplicity the ease and camaraderie between Satyajit Ray,
one of India's finest film-makers, and Nemai Ghosh, photographer extraordinaire. Manik-
da is the latter's endeavour to depict the man behind the director's mask. Ghosh first

worked with Ray on Goopy Gyne Bagha Byne, and Ray immediately found in him a kindred spirit who intuitively understood his requirements - and whom he understood. Thus was formed a partnership that spanned over a quarter of a century. In the process, Ghosh was able to photograph Ray at work and play, capturing on film the many moods of the master director. This nuanced and lucid translation from the Bengali original, which includes a perceptive Foreword by Sharmila Tagore, presents to the English reader Ghosh's thoughts on Ray with over fifty exquisite, never-before-seen photographs.
