Dog-Friendly Hikes in Maine Aislinn Sarnacki,2019-07-01

Today, more and more people travel with their pets, taking their beloved four-legged friends everywhere. Yet, it can still be sometimes difficult to find a park or hiking trail that's dog-friendly. Bangor Daily News outdoors columnist Aislinn Sarnacki presents 35 hikes around Maine that you can feel comfortable taking your dog on. Along with maps and color photos to detail the hikes, she includes practical information such as proper etiquette to observe with your canine companion and when it's okay to let your pet off the leash. She also rounds out with helpful suggestions on dog-friendly restaurants, hotels, parks, and beaches, so you and your furry friend can make the most of your time in the Maine outdoors.

Research Methods in Criminal Justice and Criminology

Callie Marie Rennison, Timothy C. Hart, 2022-01-31 Research Methods in Criminal Justice and Criminology connects key concepts to real field research and practices using contemporary examples and recurring case studies throughout the book that demonstrate how concepts relate to students' lives. Authors Callie M. Rennison and Timothy C. Hart introduce practical research strategies used in criminal justice to show students how a research question can become a policy that changes or influences criminal justice practices. The book's student-driven approach addresses both the why and the how as it covers the research process and focuses on the practical application of data collection and analysis. By demonstrating the variety of ways research can be used, and reinforcing the need to discern quality research, the book prepares students to become critical consumers and ethical producers of research. The Second Edition includes two new case studies woven throughout, and new expert profiles to highlight contemporary topics. Editable PowerPoint slides and a test bank are available to instructors.
