*Donkey-donkey* Roger Duvoisin,2016-03-08 Donkey-donkey has a problem. Despite his many friends and his good master, he is sad because his ears are so long and ridiculous. If only Donkey-donkey could have short sensible ears like his friend Pat the horse, he would be content. So he seeks the advice of his fellow farm animals who suggest he wear his ears differently, more like theirs: floppy like the dog's, to the side like the sheep's, to the front like the pig's. But each unnatural arrangement leads to increasing insult and injury. Finally a little girl passing by remarks on the beauty of the pretty little donkey's ears! At last Donkey-donkey is happy. A classic tale of vanity and folly, and learning to accept oneself—protrudent ears, redundant name, and all.

**The Poet and the Donkey** May Sarton,1996 Whiffenpoof, an arthritic donkey, becomes an inspiring distraction for a poet who has lost his muse.

A Donkey Is Not Stupid, a Donkey Can Think Pieter Ernst Smith,2011 The new children's book A Donkey Is Not Stupid honors the donkey, which is an important part of life in the northwestern parts of South Africa, where author Pieter Ernst Smith was born. A little black boy named Thabo does not treat his donkey well. He and his donkey became equally stubborn in teaching each other a lesson. In the end, Thabo realizes how much his donkey means to him. He changes his ways and treats his donkey well. Then they became best friends. Apart from guiding kids on how to treat animals, I also want to tell people what a remarkable animal a donkey actually is, and to correct some misconceptions about donkeys, Smith says. I grew up on a farm in South Africa. The workers on the farm were allowed to have donkeys. Most of them treated their donkeys well, but there were always the ones who ill treated and sometimes abused their donkeys (and other animals). The author believes that donkeys are sensitive and intelligent animals, as well as good companions. The story is nicely embedded in the rural black culture in South Africa. First-time author Pieter Ernst Smith worked for the South African Broadcasting Corporation.He then taught English in South Korea, and is now an estate agent in Johannesburg, South Africa. He wrote this book to show his respect for the animals. In Upington in South Africa, there is a statue in honor of the great contribution of donkeys in the region. He has written the next book in this series. Publisher's website: <http://www.strategicpublishinggroup.com/title/ADonkeyIsNotStupid.htm>

As soon as he stepped off the trailer he high-tailed it over to my chickens, geese and ducks, scaring the feathers off their backs.
