In Double Trouble, identical twins Cassie and Caitlyn Waters have adjusted to small-town life in Aura, Texas, but they're still not used to seeing visions of the future. And their Sight is only getting stronger as their twelfth birthday nears! But even with this new gift, neither girl could have predicted what the mysterious package they received would contain—a connection to the father they know nothing about and the grandmother they never knew they had. As the twins struggle to discover more about their own history, they distract themselves by planning a birthday bash with their new friends. But when the visions of the upcoming party show it will be more of a catastrophe than a celebration, the girls work together to keep it fiasco-free. Tia Mowry-Hardrict and Tamera Mowry-Housley gained initial fame on the '90s sitcom Sister, Sister. Tia can now be seen starring in and producing the Nickelodeon series Instant Mom and on the Cooking Channel's show Tia Mowry at Home. **Texas Flood** Alan Paul,Andy Aledort,2019-08-13 An instant New York Times bestseller! The definitive biography of guitar legend Stevie Ray Vaughan, with an epilogue by Jimmie Vaughan, and foreword and afterword by Double Trouble's Chris Layton and Tommy Shannon. Just a few years after he almost died from a severe addiction to cocaine and alcohol, a clean and sober Stevie Ray Vaughan was riding high. His last album was his most critically

lauded and commercially successful. He had fulfilled a lifelong dream by collaborating with his first and greatest musical hero, his brother Jimmie. His tumultuous marriage was over and he was in a new and healthy romantic relationship. Vaughan seemed poised for a new, limitless chapter of his life and career. Instead, it all came to a shocking and sudden end on August 27, 1990, when he was killed in a helicopter crash following a dynamic performance with Eric Clapton. Just 35 years old, he left behind a powerful musical legacy and an endless stream of What Ifs. In the ensuing 29 years, Vaughan’s legend and acclaim have only grown and he is now an undisputed international musical icon. Despite the cinematic scope of Vaughan’s life and death, there has never been a truly proper accounting of his story. Until now. Texas Flood provides the unadulterated truth about Stevie Ray Vaughan from those who knew him best: his brother Jimmie, his Double Trouble bandmates Tommy Shannon, Chris Layton and Reese Wynans, and many other close friends, family members, girlfriends, fellow musicians, managers and crew members.

**Double Trouble** Sheldon Jaffery,1992-01-01 It was the 1950s in postwar America, and paperback books were the hot new product in the publishing industry. Of course, to stand out from the crowd and sell, one needed a gimmick. Into this newly exuberant market came a publishing house named Ace Books, with the seductive promise of two books for the price of one. It also had the eye-catching premise of two separate covers, joined at the spine like Siamese twins. Finished with one book? Flip the paperback over and begin again with a new novel, complete with its own package. It was something completely different -- and it sold! Double Trouble tours the short yet popular era of the Ace Mystery Doubles, and includes both author-title and title indexes for easy reference.

**Someone Has to Care** Christian Scharen,2021-11-08 Welcome to this exploration of the Roots of hip-hop. The roots of hip-hop, as in: the Roots--a story of one of the most enduring, multi-talented, and successful groups of the past thirty years in any genre--and the story of the roots of hip-hop, that is, the story of hip-hop, a musical culture born in New York's South Bronx during the 1970s. Alongside the two hip-hop stories I tell here, I also tell the story about what God has to do with the Roots of hip-hop--a theological story, if you will. I describe how, in the process of becoming one of the most creative faith-rooted voices in music today, the Roots' developed a calling as artists. And I do this, in part, to say that you, too, can discover and live your prophetic calling. You can't help but be inspired by the Roots. Yet the best result of that is that you become inspired to be your most playful, passionate, purposeful, prophetic self in the world around you.
