Chiricahua Apache Enduring Power Trudy Griffin-Pierce,2006-12-17 A gripping story of the cultural resilience of the descendants of Geronimo and Cochise. This book reveals the conflicting meanings of power held by the federal government and the Chiricahua Apaches throughout their history of interaction. When Geronimo and Naiche, son of Cochise, surrendered in 1886, their wartime exploits came to an end, but their real battle for survival was only beginning. Throughout their captivity in Florida, Alabama, and Oklahoma, Naiche kept alive Chiricahua spiritual power by embodying it in his beautiful hide paintings of the Girl's Puberty Ceremony—a ritual at the very heart of tribal cultural life and spiritual strength. This narrative is a tribute to the Chiricahua people, who survive today, despite military efforts to annihilate them, government efforts to subjugate them, and social efforts to destroy their language and culture. Although federal policy makers brought to bear all the power at their command, they failed to eradicate Chiricahua spirit and identity nor to convince them that their lower status was just part of the natural social order. Naiche, along with many other Chiricahuas, believed in another kind of power. Although not known to have Power of his own in the Apache sense, Naiche's paintings show that he believed in a vital source of spiritual strength. In a very real sense, his paintings were visual prayers for the continuation of the Chiricahua people. Accessible to individuals for many purposes, Power helped the Chiricahuas survive throughout their history. In this book, Griffin-Pierce explores Naiche's artwork through the lens of current anthropological theory on power, hegemony, resistance, and subordination. As she retraces the Chiricahua odyssey during 27 years of incarceration and exile by visiting their internment sites, she reveals how the Power was with them throughout their dark period. As it was when the Chiricahua warriors and their families struggled to stay alive, Power remains the centering focus for contemporary Chiricahua Apaches. Although never allowed to return to their beloved homeland, not only are the Chiricahua Apaches surviving today, they are keeping their traditions alive and their culture strong and vital.

USS Chandeleur AV-10 Charles A. Owen,1994-01-01 (From the Foreword) The Japanese Combined Command, superior strategists who had conquered virtually all of Asia, made one fatal mistake in their designs on the United States; their sneak surprise attack on Pearl Harbor on Dec. 7, 1941. Until that below-the-belt lick, America was divided on whether to enter WWII and even which side we might join. Overnight, all doubts were erased...before the month was out, many of the prospective crew members of the USS Chandeleur had joined, underwent three weeks medical quarantine plus recruit training and were at Receiving Ships and Stations awaiting assignment; hopefully aboard ship because we knew It won't take long to whip those sneaky little bastards. (Almost four years later, we certainly proved it!)

For the Apache nation is caught between the pincers of the bluecoats from the north and the Mexicans from the south. And under the fiery leadership of Geronimo, Barrington's brother warrior, the tribe is ready to break free. Bloodshed, abduction, and revenge strike close to Barrington's home and heart. Now, taking the name Sunny Bear, the White Apache Nathaniel Barrington will don the skin of a cougar and venture out on a hunting foray that will leave him prey to every man's greatest fear...
