The Dragon Play Jessie Donovan,2019-12-03 Freddie, Daisy, and Emily finally get to put on the play they made, for both the humans and dragon-shifters on Stonefire. While they're excited about the play and the party afterward, Freddie and Daisy have a secret mission for the night. Daisy is determined to make her mum like Mr. Whitby, the dragonman who's helping with the special effects, no matter what it takes. However, her meddling sets off a chain of important events. Will she be banned from ever returning to Stonefire? Or, will she get everything she ever wanted?

Lord Fish Ted Cross,2015-08-15 'Dragon Play': All their lives the group of young Vikings had heard of their clan's past glories, but all they have known is the terror of being relegated to living within the shadow of a dragon's mountain. When the chieftain's daughter finds an ancient scroll showing a hidden back entrance to the dragon's lair, she and her three friends decide to sneak in and retrieve the lost talisman that holds the luck of their clan. 'Lord Fish' tells the tale of a newly-minted noble who meets his nemesis in Sir Brindor, the realm's most famous knight. Can the lowborn Lord Midas survive single combat against the deadliest warrior in history? In 'The Stolen Castle', Lord Midas pays a visit to the long-deserted keep granted him by his new liege lord. When his entrance is refused, Midas learns that a hedge knight has taken up residence. With only his squire to aid him, Midas must find a way to take back his rightful home. Lion And Dragon Dance In Singapore Pauline Loh,2023-03-24 Lion dance has been in Singapore since the 1930s and is closely connected with the Chinese clans that organised the first troupes, with some of these clans hailing as far back as the 1800s. Chronicling the history of lion dance, therefore, is akin to chronicling the pioneering years of our nation. However, few books document the history of this art form in Singapore.This book is the first of its kind to introduce the history, culture, sport and performance art that is lion and dragon dance in English. It will cover the types of dances and costumes, symbolisms and values embedded in the lion and dragon dance communities. It will tell the stories of Singaporean lion and dragon dance pioneers which have never before appeared in any English publications. It will also feature interviews with current leaders in the community and share our hopes for the future of the art form in Singapore.

One Up Joost van Dreunen,2020-10-06 What explains the massive worldwide success of video games such as Fortnite, Minecraft, and Pokémon Go? Game companies and their popularity are poorly understood and often ignored from the standpoint of traditional business strategy. Yet this industry generates billions in revenue by thinking creatively about digital distribution, free-to-play content, and phenomena like e-sports and live streaming. What lessons can we draw from its major successes and failures about the future of entertainment? One Up offers a pioneering empirical analysis of innovation and strategy in the video game industry to explain how it has evolved from a fringe activity to become a mainstream form of entertainment. Joost van Dreunen, a widely recognized industry expert with over twenty years of experience, analyzes how game makers, publishers, and platform holders have tackled strategic challenges to make the video game industry what it is today. Using more than three decades of rigorously compiled industry data, he demonstrates that video game companies flourish when they bring the same level of creativity to business strategy that they bring to game design. Filled with case studies of companies such as Activision Blizzard, Apple, Electronic Arts, Epic Games, Microsoft, Nexon, Sony, Take-Two Interactive, Tencent, and Valve, this book forces us to rethink common misconceptions around the emergence of digital and mobile gaming. One Up is required reading for investors, creatives, managers, and anyone looking to learn about the major drivers of change and growth in contemporary entertainment.
