

ESPN Inc

Anthony F. Smith, Keith Hollihan

ESPN The Company Anthony F. Smith, Keith Hollihan, 2009-08-20 A fascinating look at ESPN and its success as a brand ESPN The Company reveals the inside scoop on the biggest business story in sports, detailing the creative and innovative spirit and practices that drove the programming, products, and services of the most powerful and prominent name in sports media. The authors provide a behind-the-scenes perspective on how ESPN dealt with their many partners and how they handled mistakes and missteps along the way-from the humble beginnings of ESPN as an underrated startup to the pinnacle of their success as a major industry player. ESPN and other great organizations invest in their people. They train them. They believe that if you spend the time and resources turning talented performers into leaders, you're going to get better organizational performance and engender higher levels of commitment and sweat. ESPN The Company Explores the dedication to excellence that makes ESPN the Worldwide Leader in Sports Reveals how the steps ESPN has taken to excel can be applied to whatever type of business you're in Shares the lessons learned at ESPN about launching

and growing a wildly successful enterprise Engaging and informative, this entertaining guide reveals how any company can benefit by embracing the best practices of ESPN.

Every Town Is a Sports Town George Bodenheimer,Donald T. Phillips,2015-05-05 A Best Business Book of 2015, Strategy Business ESPN's rise is one of the most remarkable stories about business and sports in our time, and nobody can tell it better than George Bodenheimer. It may be hard to believe, but not long ago, getting sports updates was difficult and frustrating. ESPN changed everything. George Bodenheimer knows. Initially hired to work in the mailroom, one of Bodenheimer's first jobs was to pick up sportscaster Dick Vitale at the Hartford airport and drive him to ESPN's main campus--a couple of trailers in a dirt parking lot. But as ESPN grew, so did George's status in the company. In fact, Bodenheimer played a major part in making ESPN a daily presence not just here, but all over the world. In this business leadership memoir--written with bestselling author Donald T. Phillips--Bodenheimer lays out ESPN's meteoric rise. This is a book for business readers and sports fans alike.

Way Inside ESPN's X Games Shelly Youngblut, 1998-06-17 Big and brash, *Way Inside* profiles those activities deemed far beyond the bounds of moderation, but it could easily be a cultural studies textbook on what happens when graduates from the MTV School of Publishing decide to write a book. Large, multicolored font types, in-your-face photographs (such as x-rays showing off broken bones suffered by X Games participants), and brain-candy sidebars should capture even the shortest of attention spans. Even the index favors images to text; stick figures in various athletic poses represent different chapters in the book. But regardless of the book's tumultuous layout, *Way Inside ESPN's X Games* offers a thorough examination of extreme sports (skateboarding, skysurfing, downhill in-line, aggressive in-line, street luge, wakeboarding, barefoot jumping, bicycle stunts, sportclimbing, big air snowboarding), explaining their evolution and why they've become popular enough to merit ESPN's Olympic-style coverage. Bios on the sports' tattooed and pierced stars are interspersed with a slang glossary and profiles on pricey, high-performance equipment. --Rob McDonald

Kobe Bryant ESPN, Inc, 2020

Winter Action Sports Jim Brush,2012-08 This is it, the moment extreme sports fans have been waiting for! Winter Action Sports launches you into the world of extreme Games, featuring current competition events, including in this edition Snowboarding, Snowmobile Racing, and Skiing Plus the people that make them happen-the competitors-including heroes past and present. Competition break down Event record tables Action sport facts Super star biographies X-Games Asia And don't forget the Summer Action Sports edition, which features X-Games stars and competition events: - BMX - Moto-X - Rally Car Racing - Skateboarding Go get it now!

Catching the Sky Colten Moore,Keith O'Brien,2016-01-19 Colten Moore explains how--in the wake

of the devastating freestyle snowmobile accident that killed his older brother, Caleb, at Aspen's Winter X Games--he managed to return to win gold--

The X Games Jeff Savage,2005 Discusses the history of skateboarding at the ESPN X Games including former and new stars of the sport.

ESPN Travis Vogan,2015-10-15 Once a shoestring operation built on plywood sets and Australian rules football, ESPN has evolved into a media colossus. A genius for cross-promotion and its near-mystical rapport with its viewers empower the network to set agendas and create superstars, to curate sports history even as it mainstreams the latest cultural trends. Travis Vogan teams archival research and interviews with an all-star cast to pen the definitive account of how ESPN turned X's and O's into billions of \$\$\$\$. Vogan's institutional and cultural history focuses on the network since 1998, the year it launched a high-motor effort to craft its brand and grow audiences across media platforms. As he shows, innovative properties like SportsCentury, ESPN The Magazine , and 30 for 30 built the network's cultural caché. This credibility, in turn, propelled ESPN's transformation into an entity that

lapped its run-of-the-mill competitors and helped fulfill its self-proclaimed status as the Worldwide Leader in Sports. Ambitious and long overdue, ESPN: The Making of a Sports Media Empire offers an inside look at how the network changed an industry and reshaped the very way we live as sports fans.

Plunkett's Entertainment & Media Industry Almanac 2006: The Only Complete Guide to the Technologies and Companies Changing the Way the World Shares En Jack W. Plunkett, 2006 The electronic age is bringing sweeping changes to entertainment and media of all kinds, including publishing, broadcasting and film. Multimedia, the Internet and other digital media outlets for entertainment and information are being refined at a rapid rate. Media giants are merging and making big acquisitions. This book covers these exciting developments and provides profiles on hundreds of leading firms in film, radio, television, cable, new media, and publishing of all types including books, magazines and newspapers. It contains thousands of contacts for business and industry leaders, industry associations, Internet sites and other resources. You'll get in-depth profiles of nearly 400 of the world's top Entertainment & Media firms: our own unique list of companies that are the leaders in this

field. Here you'll find complete profiles of the hot companies that are making news today, the largest, most successful corporations in all facets of the Entertainment and Media Business, from broadcasters to film production companies, casino operators to theme park companies, publishers of books and magazines to video game designers, and much more. Our corporate profiles include executive contacts, growth plans, financial records, address, phone, fax and much more. This innovative book offers unique information, all indexed and cross-indexed more for each firm! Our industry analysis section provides an exceptional discussion of business and market trends. The book includes statistical tables covering revenues for several industry sectors. Purchasers of either the book or PDF version can receive a free copy of the company profiles database on CD-ROM, enabling key word search and export of key data.

X Games Ian Young, 2002 Readers of all ability levels will want to read these high-low books from 5 high-interest nonfiction subject areas: sports, history, biography, adventure, and science. Each easy-to-read book explores a fascinating narrative account of the subject. This all-new series features

historical photographs, full-color graphics, glossary words on each page, and a contemporary chapter-book format.

The Best Extreme Sports Stars of All Time Matt Scheff, 2015 Excellence. It's a quality that all great athletes strive to achieve. Yet only a select few can be considered among the best of the best. This series introduces the biggest stars in different sports with action-packed stories about their most memorable moments. With spotlight stats, info boxes, a glossary, additional resources, and more, this series is jam-packed with information fit for any sports fan. Book jacket.

Plunkett's Sports Industry Almanac 2007 Jack W. Plunkett, 2006-06-28 A market research guide to the business side of sports, teams, marketing and equipment. It acts as a tool for strategic planning, employment searches or financial research. It includes profiles of sports industry firms, such as addresses, phone numbers, and executive names. It also contains trends, statistical tables, and an industry glossary.

Extreme Sports GOATs Brendan Flynn, 2024 How do you pick extreme sports GOATs? Is it

snowboarder Chloe Kim or skateboarder Tony Hawk? Or maybe it's BMX legend Dave Mirra. With so many sports, how do you choose? It comes down to stats, history, and hunches. Read more about some of the legends of extreme sports and see if you agree that they're the greatest of all time.

BMX Racing Thomas K. Adamson, 2015-08-01 Practice makes perfect when it comes to BMX racing. The more times you practice your gates, peddling intervals, and turns, the better racer you will be. Polishing all of these skills will help you climb to the top of the race series. Enjoy learning what it takes to be a BMX racer in this beginner book.
