Fizzle Norman Gerard, 2009-12-21 *Fizzle* is a compilation, a journal if you will, of events and snippets from my experience in the film industry for over forty years. There was no place to log the bumpy ride that led to the demise of the American Independent film movement, an industry that once sizzled. You might say this book is about the Fizzle of the Sizzle. It is wishful thinking on my behalf to believe this book will explain how the sharks got away with fleecing filmmakers, and why they will continue to do so. Indie filmmakers, unlike the dinosaurs, will reinvent themselves. The hope is that this journal might save a few schmucks who are as naive as I was when I made my first two films. The nightmare is that it might attract a new generation of scumbags who can learn how to screw filmmakers. Both scenarios will undoubtedly play out. To paraphrase Shaw in my sole disclaimer: I often quote myself, in order to spice things up a bit. Norman Gerard's tome is full of sound and fury. He's got an impassioned viewpoint about why it all went wrong. The time has come for someone to offer a bruising critique, to speak truths about the indie world that the media has largely either chosen to ignore, or missed while they fell in love with the colorful young characters and the so-called spirit of American indie cinema. Gerard would argue that spirit is more like a disease, that the so-called honesty of the American indie film movement masked essential business deceptions that would inevitably lead to the current disastrous landscape... Prepare for a rollicking ride through good times and bad, high art and low-lives, auteurs and con artists. Gerard has them all in the pages of this book. If there were any money left for indie film productions, it might make a great film and it clearly won't be a studio-backed picture. It's got corrosive honesty, hard-hitting political implications, sleazy characters no major star would want to play, all topped off by a downbeat ending. There's one word for the spirit of this tome: It's truly INDEPENDENT. -- Steven Gaydos *Variety*, Executive Editor

U.S. Department of Transportation Federal Motor Carrier Safety Administration Register ,2008-05-05

Introduction to Documentary, Second Edition Bill Nichols, 2010-12-07 This new edition of Bill Nichols's bestselling text provides an up-to-date introduction to the most important issues in documentary history and criticism. Designed for students in any field that makes use of visual evidence and persuasive strategies, *Introduction to Documentary* identifies the distinguishing qualities of documentary and teaches the viewer how to read documentary film. Each chapter takes up a discrete question, from How did documentary filmmaking get started? to Why are ethical issues central to documentary filmmaking? Carefully revised to take account of new work and trends, this volume includes information on more than 100 documentaries released since the first edition, an expanded treatment of the six documentary modes, new still images, and a greatly expanded list of distributors.

The Independent Filmmaker's Law and Business Guide Jon M. Garon, 2009-06 Preparing independent or guerrilla filmmakers for the legal, financial, and organizational questions that can doom a project if unanswered, this guide demystifies issues such as developing a concept, founding a film company, obtaining financing, securing locations, casting, shooting, granting screen credits, distributing, exhibiting, and marketing a film. Updated to include digital marketing and distribution strategies through YouTube or webisodes,

it also anticipates the problems generated by a blockbuster hit: sound tracks, merchandizing, and licensing. Six appendices provide sample contracts, copyright forms and circulars, Writer's Guild of America definitions for writing credits, and studio contact information.

The Handbook of Political Economy of Communications Janet Wasko, Graham Murdock, Helena Sousa, 2014-03-03 Over the last decade, political economy has grown rapidly as a specialist area of research and teaching within communications and media studies and is now established as a core element in university programmes around the world. The Handbook of Political Economy of Communications offers students and scholars a comprehensive, authoritative, up-to-date and accessible overview of key areas and debates. Combines overviews of core ideas with new case study materials and the best of contemporary theorization and research Written many of the best known authors in the field Includes an international line-up of contributors, drawn from the key markets of North and Latin America, Europe, Australasia, and the Far East

The Film Finance Handbook Adam P. Davies, Nicol Wistreich, 2007 This is a complete guide to film finance around the world, from first web short film to mainstream international multi-million dollar co-production.

Hope for Film Ted Hope, Anthony Kaufman, 2020-08-18 "Essential for the aspiring filmmaker," this is an inspiring, tell-all look at the independent film business from one of the industry's most passionate supporters (Todd Solondz, director of *Welcome to the Dollhouse*) Hope for Film captures the rebellious punk spirit of the indie film boom in 1990s New York City and its collapse two decades later to its technology-fueled regeneration and continuing streaming-based evolution. Ted Hope, whose films have garnered 12 Oscar nominations, draws from his own personal experiences working on the early films of Ang Lee, Eddie Burns, Alan Ball, Todd Field, Hal Hartley, Michel Gondry, Nicole Holofcener, and Todd Solondz, as well as his tenures at the San Francisco Film Society, Fandor, and Amazon Studios, taking readers through the decision-making process that brought him the occasional failure as well as much success. Whether navigating negotiations with studio executives over final cuts or clashing with high-powered CAA agents over their clients, Hope offers behind-the-scenes stories from the wild and often heated world of "specialized" cinema--where art and commerce collide. As mediator between these two opposing interests, Hope offers his unique perspective on how to make movies while keeping your integrity intact and how to create a sustainable business enterprise out of that art while staying true to yourself. Against a backdrop of seismic changes in the independent film industry, from corporate co-option to the rise of social media and the streaming giants, Hope for Film provides not only an entertaining and

intimate ride through the business of arthouse movies over the last decades, but also hope for its future. "There is nobody in the independent film world quite like Ted Hope. His wisdom and heart shine through every page." –Ang Lee, Academy Award winning director of Brokeback Mountain

Billboard, 2007-07-28 In its 114th year, Billboard remains the world's premier weekly music publication and a diverse digital, events, brand, content and data licensing platform. Mike Nelson's Movie Megacheese Michael J. Nelson, 2000-06-20 You might think that after ten seasons on the Peabody Award-winning TV series Mystery Science Theater 3000, Mike Nelson has seen enough bad movies for one lifetime. As the guys at Cahiers du Cinema say, au contraire! Hollywood's spigot of stupidity shows no sign of slowing, and cheesy films continue to flood our multiplexes and gunk up our home entertainment centers at an alarming rate. This dire situation calls for a specialist. A professional. An expert in wading through motion pictures so vile that they aren't released; they escape. We need Mike Nelson! Hey, settle down there, pal--you got him! In more than sixty laugh-out-loud reviews and essays featuring his unique combination of erudite wit and shameless clowning, this screenscarred veteran takes us deep into the recesses of cinematic cheese. He examines legendary showbiz families like Culkin, Baldwin, and Estevez; uncovers an ancient quatrain in which Nostradamus foretells the coming of David Hasselhoff; makes the case for the Food Network and the Three Stooges; and skewers all kinds of movies,

including *Lost in Space*, *Twister*, *Anaconda*, *The Postman*, *Spring Break*, *My Best Friend's Wedding*, *The Bridges of Madison County*, *The Blair Witch Project*, and many, many more. Here is a film critic for the rest of us: the outrageous, hilarious Mike Nelson.
