Arline Chandler

Evolução Cega Lurembergue Pereira,2023-07-04 Esta obra expõe uma nova ótica para produções de cunho intelectual. Qualquer área do conhecimento é também uma composição de fatos do dia a dia, de acontecimentos despretensiosos de um processo anterior... Experiências casuais que extrapolam conceitos técnicos e diretivas acadêmicas. Seguindo preceitos não-lineares da Psicanálise e uma desordem proposital, os leitores irão perceber que as citações aparentemente complexas, de pensadores como Freud, Lacan e Derrida, basearam-se também em situações simples e corriqueiras. Esses fragmentos utilizados como referência, por vezes inconscientes, por vezes inconsequentes, que compõem a vida pregressa do autor, são expostos de maneira fluídica e inteligente, buscando associar passagens pessoais à sua pesquisa psicanalítica ainda em formação... Abertura do escopo de observação em diversas áreas do conhecimento. Narração juvenil como incentivo prematuro a novas descobertas. (Acentuação de Portugal – e ortografia tendo como referência o Anexo I do Acordo Ortográfico da Língua Portuguesa/1990, atualizado em dezembro de 2013).

The Heart of Branson: The Entertaining Families of America's Live Music Show Capital Arline Chandler,2010-11-18 Millions of Americans cherish childhood memories of family

trips to Branson to see performances by the Baldknobbers or the Presleys. Now they take their own children to see how new generations of those same entertaining families continue to split sides and tug heartstrings. Go backstage with Arline Chandler in places like Silver Dollar City and the Shepherd of the Hills. Reminisce in the stories of the people who made Branson into the showbiz marvel that it is today while holding on to the values of hard work and family at the town's cultural foundation. And learn about the emergence of newer acts like the Duttons, the Hughes Brothers and Shoji Tabuchi in a place where Broadway and the backwoods shake hands and SIX voices is all that is needed to produce a full orchestra.

Down in the Valley Lisa Kaniut Cobb, 2024-02-12 Josh waits anxiously while the Netah council decides his fate. Will he be accepted as a member of their Netah elk community even though he is a halfling? His ties to the human world, along with his outlaw Netah father, have shrouded Josh in suspicion. With the council's approval, he makes a hesitant entry into the community, and marvels at the amazing technology that has allowed the shapeshifters to live in harmony with nature, and away from prying human eyes. But everything is so different from his former life and Josh wonders how he can fit in. He has so much to learn about how to live as a Netah, and very few of his housemates seem willing to share their knowledge with him. Luckily, he finds a few friends who are brave enough to support him on his journey, and they warn him that his father appears intent on making contact with Josh. As he learns about the Netah ways and what role he can play in his new world, he can't stop thinking about the missing piece of the puzzle in his life, his birth father. Josh is torn by the need to know about his roots, and the dangerous killer his father appears to be.
