Chiefs of State and Cabinet Members of Foreign Governments ,2002

Netanyahu and Likud's Leaders Gil Samsonov,2020-02-20

This research discusses the second-generation Likud leaders, known as the Princes, who have dominated Israeli politics for most of the last three decades: their relations with their parents and the extent to which they have followed in (or diverged from) their footsteps. The main theme seeks to explore the unique, perhaps unprecedented, socio-political phenomenon of generational duplication in a western-type democracy. This volume examines the ways and means through which the disciples of Zionist leader Ze'ev Jabotinsky managed not only to maintain lasting control of their mentor's creation - to transform after Israel's establishment from a small opposition party into the country's dominant and ruling party - but also hand down this political pre-eminence to their descendants. Prime Minister Benjamin Netanyahu is the son of Ben-Zion Netanyahu, foreign minister of Jabotinsky's movement. President Reuven Rivlin is the son of resistance warrior Rachel Rivlin. MP Benny Begin is the son of Menachem Begin. Former Prime Minister Ehud Olmert, Tzipi Livni and many others were also part of those Princes. A breakthrough in the world's inter-generational research, the book is for readers interested in political science, sociology, and the politics of Israel and the Middle East.

1967 Tom Segev,2007-05-29 A marvelous achievement . . . Anyone curious about the extraordinary six days of Arab-Israeli war will learn much from it.—The Economist Tom Segev's acclaimed works *One Palestine, Complete* and *The Seventh Million* overturned accepted views of the history of Israel. Now, in 1967—a number-one bestseller in Hebrew—he brings his masterful skills to the watershed year when six days of war reshaped the country and the entire region. Going far beyond a military account, Segev re-creates the crisis in Israel before 1967,

showing how economic recession, a full grasp of the Holocaust's horrors, and the dire threats made by neighbor states combined to produce a climate of apocalypse. He depicts the country's bravado after its victory, the mood revealed in a popular joke in which one soldier says to his friend, Let's take over Cairo; the friend replies, Then what shall we do in the afternoon? Drawing on unpublished letters and diaries, as well as government memos and military records, Segev reconstructs an era of new possibilities and tragic missteps. He introduces the legendary figures—Moshe Dayan, Golda Meir, Gamal Abdul Nasser, and Lyndon Johnson—and an epic cast of soldiers, lobbyists, refugees, and settlers. He reveals as never before Israel's intimacy with the White House as well as the political rivalries that sabotaged any chance of peace. Above all, he challenges the view that the war was inevitable, showing that a series of disastrous miscalculations lie behind the bloodshed. A vibrant and original history, 1967 is sure to stand as the definitive account of that pivotal year.

American Jewish Year Book 2002 ,2002

The Reparations Controversy Yaakov Sharett,2011-08-29 This book about the reparations issue (Wiedergutmachung in German; shilumim in Hebrew) brings together selected protocols of all debates held in the Knesset, in its Foreign Affairs and Security Committee, in the Government and in the high councils of the ruling party Mapai, regarding conducting negotiations with the West German Government. This is the first book documenting confidential protocols lately opened to the public. With the elaborate introduction by Yehiam Weitz, this book will serve as a basic textbook for an important chapter not only in Israeli and German history, but also in post-war history in general.

Israel and China L. Friedfeld,Philippe Metoudi,2015-07-31 The relationship between Israel and Asia, which has evolved from strong historical ties symbolized by the Silk Road, today encompasses strategic partnerships in technology what we call the Innovation Highway. Israel and China are perfect partners in

this new era of globalization. They share strong and complementary competitive advantages with Israel contributing technology and innovation and China providing robust financial and manufacturing capability. Landmark business transactions and other economic factors have given Israel a prominent position on the Asian investor road map. This book analyzes the strategic relationships, supported by deep historical, cultural and spiritual links, between Israel, China, and other Asian countries, bringing together Israel's expertise in innovation and Asia's global position as a center of business. These are highlighted and explained, together with the bilateral activity of Asian companies in Israel and Israeli companies in Asia.

Oriental Neighbors Abigail Jacobson, Moshe Naor, 2016-12-06 Focusing on Oriental Jews and their relations with their Arab neighbors in Mandatory Palestine, this book analyzes the meaning of the hybrid Arab-Jewish identity that existed among Oriental Jews, and discusses their unique role as political, social, and cultural mediators between Jews and Arabs. Integrating Mandatory Palestine and its inhabitants into the contemporary Semitic-Levantine surroundings, *Oriental Neighbors* illuminates broad areas of cooperation and coexistence, which coincided with conflict and friction, between Oriental and Sephardi Jews and their Arab neighbors. The book brings the Oriental Jewish community to the fore, examines its role in the Zionist nation-building process, and studies its diverse and complex links with the Arab community in Palestine.

The World Factbook 2014- 15 United States. Central Intelligence Agency, Government Publications Office, 2015-06-02 In general, information available as of September 1, 2014 was used in the preparation of this edition. Provides brief information on the geography, people, government, economy, communications, and defense of countries and regions around the world. Contains information on international organizations. Designed to meet the specific requirements of United States

Government Officials in style, format, coverage, and content. Includes 4 unattached maps, dated June 2012 and October 2012. The October 2012 map is of the world oceans.

Israeli Community Action Paula Kabalo, 2020-10-13 A fascinating history of how average citizens banded together to cope and rebuild in the wake of the 1948 War. When the 1948 Israeli War of Independence broke out, population centers were rocked by sniper fire, bombings, and roadside ambushes. As the fighting moved out of the cities into desert areas, private citizens and community organizations left behind organized to revitalize and restore life in their devastated communities. In *Israeli Community Action*, Paula Kabalo presents a vivid portrait of these civilians who strove to help each other cope with the realities of war. Kabalo explores how civilian militias were recruited, how neighborhoods were protected, how older populations were enlisted into the war effort, and how women were organized to provide medical aid or establish refugee centers. She demonstrates that each phase of the war brought along new challenges to the population of the young state of Israel, but she also illuminates how the engagement of Israelis in community efforts brought them together and shored them up to face the future in their new country.

The New Pythian Voices Cathryn Magno, 2018-10-24 Over the past 10-15 years, there has been a flowering of politically-motivated women's non-governmental organizations (NGOs) in Israel. This study examines three aspects relating to this new NGO sphere: the reasons for the growth of NGOs, the kind of learning that occurs in these new political spaces, and the political and social implications of women's NGOs. This study contributes meaningful data to literature on civil society and democratization, discussing in particular the relationship between political institutions and NGOs.

Independence and Politics Meir Chazan, 2024-04-02 *Independence and Politics* delves deeply into the political

landscape of Israel during the years 1947-1949. Weaving together a wealth of original sources and emphasizing domestic politics, Meir Chazan offers a comprehensive analysis of the critical factors that contributed to the establishment and early governance of the State of Israel. Chazan explores the formation of governing institutions in the transition from a voluntary society to typical patterns of statehood. He investigates the shocks that led to these institutions' formation and the critical decision to declare statehood. Additionally, he provides a detailed account of the election campaign for the Constituent Assembly, which was the forerunner of the First Knesset, and the struggle to attain the United States' de facto and de jure recognition of Israel. Insightful and informative, *Independence and Politics* provides a fresh perspective on the establishment of the State of Israel. Chazan's analysis and expert commentary offer an unparalleled understanding of the challenges faced by the fledgling state and the decisions that shaped its future.

My Struggle for Peace, Volume 1 (1953-1954) Moshe Sharett, 2019-03-19 The first volume of the former Israeli prime minister's journals from the nation's early years. *My Struggle for Peace* is a remarkable political document offering insights into the complex workings of the young Israeli political system, set against the backdrop of the disintegration of the country's fragile armistice with the Arab states. Replete with Moshe Sharett's candid comments on Israel's first-generation leaders and world statesmen of the day, the diary also tells the dramatic human story of a political career cut short—the removal of an unusually sensitive, dedicated, and talented public servant. *My Struggle for Peace* is, above all, an intimate record of the decline of Sharett's moderate approach and the rise of more “activist-militant” trends in Israeli society, culminating in the Suez/Sinai war of 1956. The diary challenges the popular narrative that Israel's confrontation with its neighbors was unavoidable by offering daily evidence of Sharett's statesmanship, moderation, diplomacy, and concern for

Israel's place in international affairs. This is the first volume in the 3-volume English abridgement of Sharett's Yoman Ishi [Personal diary] (Ma'ariv, 1978) maintains the integrity, flavor, and impact of the 8-volume Hebrew original and includes additional documentary material that was not accessible at the time. The volumes are also available to purchase as a set or individually. "The editors . . . vastly improved on the Hebrew version by adding Sharett's speeches, reports, cabinet minutes, and other sources to the text'. . . . These additions makes this work so important and welcome by all who aspire to understand the foreign and defense policies of Israel in its first decade."
—Israel Studies Review

Israel Investment and Business Guide Volume 1
Strategic and Practical Information IBP, Inc.,2017-02-11
Israel Investment and Business Guide - Strategic and Practical Information

The Abyss Eli Avidar,2015-05-05 Eli Avidar looks into the abyss that divides Israel from its Arab neighbors, in order to understand the inherent flaws, prevailing misunderstandings, and tragic mistakes that characterize the relations and bloodletting, and how, if at all possible, to bridge the differences. In doing so, he offers a new perspective about the reality of the Middle East and all the clichés that have transformed the Hebrew-Arab lexicon into a complex and hopeless minefield. It raises the question of whether the ongoing violent conflict between Israel and its neighbors might also be the result of a serious short circuit in communications. Is it possible that Israel, which has invested efforts and resources in knowing its adversaries, never even bothered to properly understand their language and their culture? Is it possible that Israeli leaders, who made their way to the top through the military and were privileged to know the most deeply hidden intelligence secrets, never learned to send messages of peace and reconciliation that the other side could respect and understand? Spanning six decades, the book explains

why the main diplomatic initiatives have so far failed to solve the Israel-Palestinian conflict, and what needs to be done to break out of the vicious circle of ignorance and mutual suspicion that characterizes the conflict. Avidar uses his experience as diplomatic advisor to former foreign minister Ariel Sharon and as head of Israel's representative office in Qatar to reveal secret diplomatic meetings as well as the dynamics of the unique and complex diplomacy of the Middle East. He also tells about the activities of the 504 division of the Israel Defense Forces Intelligence Unit, in which he served as an operator of agents.

David Ben-Gurion and the Foundation of Israeli Democracy
Nir Kedar, 2021-12-07 In *David Ben-Gurion and the Foundation of Israeli Democracy*, Nir Kedar offers a poignant study of the primary national founder of the State of Israel and the first prime minister of Israel. Kedar provides an explication of the making of Israeli democracy in terms of its institutional-legal structures and social-cultural underpinnings. *David Ben-Gurion and the Foundation of Israeli Democracy* connects the formal structures of democracy to the fundamental principles that they were constructed to serve—human freedom and dignity.

Israel Internet, E-Commerce Investment and Business Guide - Strategic Information, Regulations, Opportunities
IBP. Inc., 2007-02-07 *Israel Internet and E-Commerce Investment and Business Guide - Strategic and Practical Information: Regulations and Opportunities*

The Mizrahi Era of Rebellion Bryan K. Roby, 2015-12-04 During the postwar period of 1948–56, over 400,000 Jews from the Middle East and Asia immigrated to the newly established state of Israel. By the end of the 1950s, Mizrahim, also known as Oriental Jewry, represented the ethnic majority of the Israeli Jewish population. Despite their large numbers, Mizrahim were considered outsiders because of their non-European origins. Viewed as foreigners who came from culturally backward and distant lands, they suffered decades of socioeconomic, political,

and educational injustices. In this pioneering work, Roby traces the Mizrahi population's struggle for equality and civil rights in Israel. Although the daily "bread and work" demonstrations are considered the first political expression of the Mizrahim, Roby demonstrates the myriad ways in which they agitated for change. Drawing upon a wealth of archival sources, many only recently declassified, Roby details the activities of the highly ideological and politicized young Israel. Police reports, court transcripts, and protester accounts document a diverse range of resistance tactics, including sit-ins, tent protests, and hunger strikes. Roby shows how the Mizrahi intellectuals and activists in the 1960s began to take note of the American civil rights movement, gaining inspiration from its development and drawing parallels between their experience and that of other marginalized ethnic groups. The Mizrahi Era of Rebellion shines a light on a largely forgotten part of Israeli social history, one that profoundly shaped the way Jews from African and Asian countries engaged with the newly founded state of Israel.

The Middle East and North Africa 2003 Eur,

Political Handbook of the World 2007 William C

Banks, 2006-11-21 Providing thorough and accurate information on more than 200 countries, Political Handbook of the World 2007 is the one-stop source for finding complete, authoritative facts and analysis on each country's governmental and political makeup. Political Handbook of the World is renowned for its extensive coverage of major, minor, and antisystemic political parties in each nation. It also includes cabinet members, key ambassadors, and international memberships of each country and profiles nearly 120 intergovernmental organizations. This comprehensive, one-volume source for political information has been updated to include coverage of: Election results from countries around the world including Afghanistan, Bolivia, Canada, Comoro Islands, Cyprus, Egypt, Gabon, Haiti, Israel, Italy, Liberia, Mexico, and the Palestinian Authority, Newly

formed parties, governing coalitions, and new party leaders in every country including Argentina, Armenia, Azerbaijan, Bangladesh, Burundi, Djibouti, Japan, Kenya, Latvia, Macedonia, and Mexico, A new entry on the recently independent Montenegro, Important political activities and foreign policy initiatives in every country, Updated population figures and economic growth statistics for every country, Current issues, crises, and controversies dominating national political agendas, including the military coup in Thailand, the conflict between Israel and Hezbollah, nationalization of natural gas and land reform in Bolivia, Iran's nuclear program, the prodemocracy uprising in Nepal, civil unrest in France, and the crackdown on prodemocracy groups in Egypt, New intergovernmental organization activities, international conferences, and major programs and institutions run by intergovernmental organizations. Book jacket.

Arabic Thought Against the Authoritarian Age Jens Hanssen, Max Weiss, 2018-02-15 Cutting-edge scholarship on post-war Arab intellectual history that challenges conventional thinking about authoritarianism, religion and revolution in the modern Middle East.

Elyahu Sheetrit Introduction

Free PDF Books and Manuals for Download: Unlocking Knowledge at Your Fingertips

In today's fast-paced digital age, obtaining valuable knowledge has become easier than ever. Thanks to the internet, a vast array of books and manuals are now available for free download in PDF format. Whether you are a student, professional, or simply an avid reader, this treasure trove of downloadable resources offers a wealth of

information, conveniently accessible anytime, anywhere. The advent of online libraries and platforms dedicated to sharing knowledge has revolutionized the way we consume information. No longer confined to physical libraries or bookstores, readers can now access an extensive collection of digital books and manuals with just a few clicks. These resources, available in PDF, Microsoft Word, and PowerPoint formats, cater to a wide range of interests, including literature, technology, science, history, and much more. One notable platform where you can explore and download free Elyahu Sheetrit PDF books and manuals is the internet's largest free library. Hosted online, this catalog compiles a vast assortment of documents, making it a veritable goldmine of knowledge. With its easy-to-use website interface and customizable PDF generator, this platform offers a user-friendly experience, allowing individuals to effortlessly navigate and access the

information they seek. The availability of free PDF books and manuals on this platform demonstrates its commitment to democratizing education and empowering individuals with the tools needed to succeed in their chosen fields. It allows anyone, regardless of their background or financial limitations, to expand their horizons and gain insights from experts in various disciplines. One of the most significant advantages of downloading PDF books and manuals lies in their portability. Unlike physical copies, digital books can be stored and carried on a single device, such as a tablet or smartphone, saving valuable space and weight. This convenience makes it possible for readers to have their entire library at their fingertips, whether they are commuting, traveling, or simply enjoying a lazy afternoon at home. Additionally, digital files are easily searchable, enabling readers to locate specific information within seconds. With a few keystrokes, users can search for keywords,

topics, or phrases, making research and finding relevant information a breeze. This efficiency saves time and effort, streamlining the learning process and allowing individuals to focus on extracting the information they need. Furthermore, the availability of free PDF books and manuals fosters a culture of continuous learning. By removing financial barriers, more people can access educational resources and pursue lifelong learning, contributing to personal growth and professional development. This democratization of knowledge promotes intellectual curiosity and empowers individuals to become lifelong learners, promoting progress and innovation in various fields. It is worth noting that while accessing free Elyahu Sheetrit PDF books and manuals is convenient and cost-effective, it is vital to respect copyright laws and intellectual property rights. Platforms offering free downloads often operate within legal boundaries, ensuring that

the materials they provide are either in the public domain or authorized for distribution. By adhering to copyright laws, users can enjoy the benefits of free access to knowledge while supporting the authors and publishers who make these resources available. In conclusion, the availability of Elyahu Sheetrit free PDF books and manuals for download has revolutionized the way we access and consume knowledge. With just a few clicks, individuals can explore a vast collection of resources across different disciplines, all free of charge. This accessibility empowers individuals to become lifelong learners, contributing to personal growth, professional development, and the advancement of society as a whole. So why not unlock a world of knowledge today? Start exploring the vast sea of free PDF books and manuals waiting to be discovered right at your fingertips.

FAQs About Elyahu Sheetrit Books

How do I know which eBook platform is the best for me? Finding the best eBook platform depends on your reading preferences and device compatibility. Research different platforms, read user reviews, and explore their features before making a choice. Are free eBooks of good quality? Yes, many reputable platforms offer high-quality free eBooks, including classics and public domain works. However, make sure to verify the source to ensure the eBook credibility. Can I read eBooks without an eReader? Absolutely! Most eBook platforms offer web-based readers or mobile apps that allow you to read eBooks on your computer, tablet, or smartphone. How do I avoid digital eye strain while reading eBooks? To prevent digital eye strain, take regular breaks, adjust the font size and background color, and ensure proper lighting while reading eBooks. What the advantage of

interactive eBooks? Interactive eBooks incorporate multimedia elements, quizzes, and activities, enhancing the reader engagement and providing a more immersive learning experience. Elyahu Sheetrit is one of the best book in our library for free trial. We provide copy of Elyahu Sheetrit in digital format, so the resources that you find are reliable. There are also many Ebooks of related with Elyahu Sheetrit. Where to download Elyahu Sheetrit online for free? Are you looking for Elyahu Sheetrit PDF? This is definitely going to save you time and cash in something you should think about.
