The Dutch House Ann Patchett, 2019-09-24 Pulitzer Prize Finalist | New York Times Bestseller | A Read with Jenna Today Show Book Club Pick | A New York Times Book Review Notable Book | TIME Magazine's 100 Must-Read Books of the Year Named one of the Best Books of the Year by NPR, The Washington Post; O: The Oprah Magazine, Real Simple, Good Housekeeping, Vogue, Refinery29, and BuzzFeed From Ann Patchett, the #1 New York Times bestselling author of *Commonwealth*, comes a powerful, richly moving story that explores the indelible bond between two siblings, the house of their childhood, and a past that will not let them go. *The Dutch House* is the story of a paradise lost, a tour de force that digs deeply into questions of inheritance, love and forgiveness, of how we want to see ourselves and of who we really are. At the end of the Second World War, Cyril Conroy combines luck and a single canny investment to begin an enormous real estate empire, propelling his family from poverty to enormous wealth. His first order of business is to buy the Dutch House, a lavish estate in the suburbs outside of Philadelphia. Meant as a surprise for his wife, the house sets in motion the undoing of everyone he loves. The story is told by Cyril's son Danny, as he and his older sister, the brilliantly acerbic and self-assured Maeve, are exiled from the house where they grew up by their stepmother. The two wealthy siblings are thrown back into the poverty their parents had escaped from and find that all they have to count on is one another. It is this unshakeable bond between them that both saves their lives and thwarts their futures. Set over the course of five decades, *The Dutch House* is a dark fairy tale about two smart people who cannot overcome their past. Despite every outward sign of

success, Danny and Maeve are only truly comfortable when they're together. Throughout their lives they return to the well-worn story of what they've lost with humor and rage. But when at last they're forced to confront the people who left them behind, the relationship between an indulged brother and his ever-protective sister is finally tested.

The Casual Vacancy J. K. Rowling, 2012-09-27 A big novel about a small town... When Barry Fairbrother dies in his early forties, the town of Pagford is left in shock. Pagford is, seemingly, an English idyll, with a cobbled market square and an ancient abbey, but what lies behind the pretty façade is a town at war. Rich at war with poor,

teenagers at war with their parents, wives at war with their husbands, teachers at war with their pupils...Pagford is not what it first seems. And the empty seat left by Barry on the parish council soon becomes the catalyst for the biggest war the town has yet seen. Who will triumph in an election fraught with passion, duplicity, and unexpected revelations? A big novel about a small town, *The Casual Vacancy* is J.K. Rowling's first novel for adults. It is the work of a storyteller like no other.

It's not all downhill from here. But when an unexpected loss turns her world upside down, Loretha will have to summon all her strength, resourcefulness, and

And in the End Ken McNab, 2022-02-22 Ken McNab's in-depth look at The Beatles' acrimonious final year is a detailed account of the breakup featuring the perspectives of all four band members and their roles. A must to add to the collection of Beatles fans, And In the End is full of fascinating information available for the first time. McNab reconstructs for the first time the seismic events of 1969, when The Beatles reached new highs of creativity and new lows of the internal strife that would destroy them. Between the pressure of being filmed during rehearsals and writing sessions for the documentary Get Back, their company Apple Corps facing bankruptcy, Lennon's heroin use, and musical disagreements, the group was arguing more than ever before and their formerly close friendship began to disintegrate. In the midst of this rancor, however, emerged the disharmony of Let It Be and the ragged genius of Abbey Road, their incredible farewell love letter to the world--
