Softly and Tenderly Sara Evans, Rachel Hauck, 2011-10-17 Maybe in the wide-open country she can learn to breathe again. Happily married and owner of two successful boutiques, Jade longs to begin a family with her husband, Max. But when she discovers that Max has an illegitimate son—who he wants her to help raise—Jade's life is turned upside down. She flees to her childhood home, a rambling Iowa farmhouse, with enough room to breathe. There—while her mother's health grows fragile, and the tug of her first love grows stronger—Jade begins to question everything she thought she knew about family, love, and motherhood. In the wide-open landscape, Jade begins to see a future that doesn't rest on the power of her past, but in the goodness of God's tender mercies. Exquisitely written, an achingly beautiful story about lost and found relationships that made me ponder my own. This story is not to be missed. —Susan May Warren, RITA award-winning, best-selling author of *Nightingale* Hang on for an emotional ride as a woman who 'married into a Southern soap opera' learns to forgive and trust again. —Booklist

Menke, Lillian Mina, Liam Murray, Maarit Mutta, Ana Oskoz, Sanna Pelttari, Martine Peters, Jonathon Reinhardt, Leena Salmi, Natalia Ronda, Chantelle Warner, 2014-05-01 This volume on digital literacies aims to provide CALL/SLA scholars and foreign language teachers with a focused set of studies that reflect current thinking on digital literacies from multiple perspectives and to offer recommendations for best practices in the classroom. Much more than a set of skills or competencies, digital literacies are conceptualized as a way of being an engaged, responsible reflective citizen in a 21st century global community permeated by multimodal technologies. It is therefore critical that digital literacies be integrated throughout foreign/second language education, where multiple communities, identities, languages, and cultures converge.

The House by the River J. William Hauck, 2015-11-02 It is 1926 and thirty-year-old Bill Kane is at a crossroads. Seven years after falling in love and marrying Mildred Read, the Chicago-born orphan is tired of sheep ranching for his father-in-law in desolate Oreana, Idaho and needs a change. Barely able to feed and clothe his five growing children, Bill spends their last dime on an electrician correspondence course and gets a job with Idaho Power. Hoping to rekindle the spark that seven years of hard work, poverty, and the demands of children have had on their once fairy tale marriage, Bill moves his family to Boise. Mildred's hopes of Bill finding faith and fulfillment in their new life

are derailed, however, when he meets Sylvester, a cynical co-worker. The determined and often ill-tempered Bill must face his past as he struggles to find happiness and meaning in his life. Will Mildred's patience, loving ways and Mormon faith help the stubborn Bill discover the peace he is craving as they work through trials, heartache, and the Great Depression? Or will Sylvester succeed in convincing him that there is no God? The House by the River is the true story of a family's struggle for survival and one man's journey to understand himself and the purpose of life.

However a few years ago - during another routine check-up - the news came back that this time it was cancer. larynx in its entirety - amongst other things robbing him of his voice. This is the story of Evan's experiences during those dark days and his recovery afterwards.

Rise and Shine Rae Karen Hauck,2012-07-12 A true story of a thirty-eight-year-old woman and

where she went to find out who she was. Afraid of everything, she decided to live a full life than a secure 'death'. Getting older she didn't want to look back lamenting, If only I'd. Married in her teens, she'd always done the right thing for the wrong reason. Afraid to trust her own inner wisdom, she was living everyone else's life but her own. Dying inside, she left a twenty- year marriage to begin her spiritual journey. Her teenage son made her strong. We all have stuff hidden away in the corners of our mind. Hers was underneath layers of fine lace, so prim and proper. Once her desires bubbled - passion caught fire, waking her up and burning down her house. But like the phoenix rising, she slowly came up out of the ashes, with the help of Holy Spirit and the angels, to sing her own song. Her story is one of courage, great patience, blind faith, and humor as she learns every relationship is a lesson in love, no one ever dies, and loving angels hover around us come what may.
