San Francisco's Excelsior District Walter G. Jebe,2004 The Excelsior District traditionally has not been among San Francisco's spotlight neighborhoods, yet this area is an important residential and commercial zone that is home to some 30,000 residents. These rolling hills south of San Francisco's better-known districts are now covered with row upon row of houses, streets, and apartments. But places like the Excelsior were once sparsely populated, agrarian, and even rural. This volume of vintage photographs chronicles the Excelsior's intriguing journey from rugged swamp and farmland to the busy cosmopolitan neighborhood we know today. It is a tale of determined immigrant families putting down roots in a challenging locale and overcoming adversity to stake out a permanent enclave in this famed city. It is also a story of large-scale construction and reclamation to tame the rugged outskirts of San Francisco.

Excelsior, You Fathead! Eugene B. Bergmann,2006-01-01 Jean Shepherd (1921-1999) master humorist is best known for his creation “A Christmas Story” the popular movie about the child who wants a BB gun for Christmas and nearly shoots his eye out. What else did Shepherd do? He is considered by many to be the Mark Twain and James Thurber of his day. For many thousands of fans for decades Shep talked on the radio late at night keeping them up way past their bedtimes. He entertained without a script improvising like a jazz musician on any and every subject you can imagine. He invented and remains the master of talk radio. Shepherd perpetrated one of the great literary hoaxes of all time promoting a nonexistent book and author and then brought the book into existence. He wrote 23 short stories for “Playboy” four times winning their humor of the year award and also interviewed The Beatles for the magazine. He authored several popular books of humor and satire created several television series and acted in several plays. He is the model for the character played by Jason Robards in the play and movie “A Thousand Clowns” as well as the inspiration for the Shel Silverstein song made famous by Johnny Cash A Boy Named Sue. Readers will learn the significance of innumerable Shepherd words and phrases such as Excelsior you fathead and observe his constant confrontations with the America he loved. They will get to know and understand this multitalented genius by peeking behind the wall he built for himself – a wall to hide a different and less agreeable persona. Through interviews with his friends co-workers and creative associates such as musician David Amram cartoonist and playwright Jules Feiffer publisher and broadcaster Paul Krassner and author Norman Mailer the book explains a complex and unique genius of our time. Shepherd pretty much invented talk radio ... What I got of him was a wonder at the world one man could create. I am as awed now by his achievement as I was then. – Richard Corliss “Time” magazine online

The Madonna of Excelsior Zakes Mda,2007-05-15 A new novel by a towering presence in contemporary South African literature In 1971, nineteen citizens of Excelsior in South Africa's white-ruled Free State were charged with breaking apartheid's Immorality Act, which forbade sex between blacks and whites. Taking this case as raw material for his alchemic imagination, Zakes Mda tells the story of a family at the heart of the scandal -and of a country in

which apartheid concealed interracial liaisons of every kind. Niki, the fallen madonna, transgresses boundaries for the sake of love; her choices have repercussions in the lives of her black son and mixed-race daughter, who come of age in post-apartheid South Africa, where freedom prompts them to reexamine their country's troubled history at first hand. By turns earthy, witty, and tragic, The Madonna of Excelsior is a brilliant depiction of life in South Africa and of the dramatic changes between the 1970s and the present.
