**The Individual in the Religions of the Ancient Mediterranean** Jörg Rüpke, 2013-08-29 Covering the Hellenistic and Imperial periods in both pagan polytheistic as well as Jewish monotheistic settings, this edited collection focuses on individuation in everyday religious practices across the ancient Mediterranean as identified in institutional developments and philosophical reflections on the self.

**Financial Markets and Corporate Strategy European Edition 2e** David Hillier, Mark Grinblatt, Sheridan Titman, 2011-01-16 The second European edition of Financial Markets and Corporate Strategy provides comprehensive coverage of financial markets and corporate finance, brought to life by real world examples, cases and insights. Placed in a truly international context, this new and updated edition takes an academic and practical view-point to guide students through the challenges of studying and practicing finance. Aimed specifically at an international audience, this edition boasts hundreds of references to new and relevant non-US research papers from top finance journals. Whilst retaining the well respected structure of the successful US text, Professor David Hillier has also made a number of additions which include: Fully updated research, data and examples in every chapter. Coverage of the global financial crisis, the impact it made on the financial markets and the lessons being learnt by the finance industry. A stronger emphasis on corporate governance and agency theory. Updates on accounting standards, bankruptcy laws, tax rules and tax systems.

**Financial Markets and Corporate Strategy: European Edition, 3e** David Hillier, Mark Grinblatt, Sheridan Titman, 2023-02-03 The global pandemic restrictions, climate change, geopolitical tensions, and new artificial technologies have fundamentally impacted international financial markets and corporate strategy. Traditional finance theories have been questioned and their application to corporate decision-making has come under scrutiny like never before. The third edition of Financial Markets and Corporate Strategy provides students with comprehensive and engaging discussions on the strategic challenges facing companies and their financial decisions. Brought to life by real-world examples, international cases and insights from recent research, it guides students through the challenges of studying and practising finance from both an academic and practical viewpoint. Key Features: · Fully updated research of the most important topics, data and examples in every chapter. · Coverage of the impact of climate change, Brexit, the economic growth of China, and new financial technologies · A stronger emphasis on sustainability, ethics, and corporate governance. · Updates on accounting standards, bankruptcy laws, tax rules and tax systems. David Hillier is Professor of Finance, Executive Dean of Strathclyde Business School, and Associate Principal of the University of Strathclyde. Mark Grinblatt is the J. Clayburn LaForce Professor of Finance at the UCLA Anderson School of Management Sheridan Titman is Professor of Finance at the McCombs School of Business.
