**Expository Dictionary of Bible Words** Stephen D. Renn, 2005 A contemporary replacement for the classic Vine's Expository Dictionary, this newly written reference book covers the key vocabulary of the Bible with an integrated coverage of the Old Testament and New Testament words. Students of the Bible will be able to uncover the meaning of the original biblical text whether or not they have a working knowledge of Hebrew or Greek. Each English word entry includes the Hebrew or Greek for that word and explains its nuances and variations in meaning. It is coded to Strong's numbering and is a valuable resource for students, pastors, or the layperson interested in word studies.

Midge, an apartment superintendent spends his days in the park hiding in the past and from his disgruntled tenants.--Publisher's description.

The Initial Fold Nick Adams,2019-06-03 “This needs to be picked up by Netflix and made into a TV show. Absolutely brilliant” – Goodreads In the vein of great writers like Harry Harrison and Robert A Heinlein - Amazon What would you do if you materialised inside an alien starship? He personally tests NASA's futuristic prototype fold ship with a hand-picked crew. **The Fold Series Books 1-3** Nick Adams, 2021-01-29 The Fold Series: it's like the love child of The Martian and Red Dwarf – with a pinch of Star Trek thrown in for extra flavour! The Initial Fold (Book 1) What would you do if you materialised inside an alien starship? It's 2049, and NASA-sponsored physicist Edward Virr is on the cusp of man's greatest breakthrough – the ability to fold space and travel faster than light. He personally tests NASA's futuristic prototype fold ship with a hand-picked crew. But as disaster strikes the first mission, Ed begins to suspect that he isn't the only one developing the new technology. Discovering there's a lot more at stake than first contact, Ed soon realises that Earth's very survival depends on his ability to solve a crime of galactic proportions. Join Edward Virr and

his rag-tag crew as they undertake their first space adventure into the depths of the Milky Way. The Andromedan Fold (Book 2) The crew of your starship are being systematically slaughtered. What do you do? The galaxies ruling council have lost two ships, thousands of light years distant on the outer fringe of the Milky Way. A civilian exploration vessel and the military ship sent to find it have disappeared without a trace. Edward Virr and the crew of the sentient starship Gabriel are tasked with a mission to discover what happened. They find, not only the two misplaced ships but a secret to intergalactic travel, the biggest invasion fleet ever assembled and a ruling alien race so cruel, it could end all of humankind. Join, Ed and company, for their second crusade into the depths of uncharted space. Only this time the team are alone, two and a half million light years from home, they're being hunted, and nothing it seems goes to plan. The Messier Fold (Book 3) To protect your family's secrets, how many people would you murder? Planet Earth's first maximum security jail break involving a cloaked spacecraft necessitates Edward Virr and the crew of the sentient starship Gabriel to give chase. Emboldened by the addition of Andrew's father, a retired FBI investigator, they pursue their quarry over 250 million light years through a recently discovered galactic gateway – and find themselves immediately fighting for survival. Two races, at war for millennia over lust for power and greed, don't take kindly to strangers appearing in their midst and push our heroes' abilities so far, it culminates in an unspeakable tragedy.

Meanwhile, their quarry have problems of their own...

Mounce's Complete Expository Dictionary of Old and New Testament Words

William D. Mounce, 2009-12-15 For years, Vine's Expository Dictionary has been the standard word study tool for pastors and laypeople, selling millions of copies. But sixty-plus years of scholarship have shed extensive new light on the use of biblical Greek and Hebrew, creating the need for a new, more accurate, more thorough dictionary of Bible words. William Mounce, whose Greek grammar has been used by more than 100,000 college and seminary students, is the editor of this new dictionary, which will become the layperson's gold standard for biblical word studies. Mounce's is ideal for the reader with limited or no knowledge of Greek or Hebrew who wants greater insight into the meanings of biblical words to enhance Bible study. It is also the perfect reference for busy pastors needing to quickly get at the heart of a word's meaning without wading through more technical studies. What makes Mounce's superior to Vine's? The most accurate, in-depth definitions based on the best of modern evangelical scholarship Both Greek and Hebrew words are found under each English entry (Vine's separates them) Employs both Strong's and G/K numbering systems (Vine's only uses Strong's) Mounce's accuracy is endorsed by leading scholars
