Davis Advantage for Basic Nursing Leslie S. Treas,Judith M. Wilkinson,Karen L. Barnett,Mable H. Smith,2017-10-27

Text Explores the full-spectrum nursing model of thinking, doing, and caring and reinforces the model with critical-thinking questions and exercises in every chapter to help prepare students for practice. Uses multiple case studies per chapter to bring nursing theory to life and explain the nurse's role in today's complex healthcare system. Emphasizes the important aspects of safe and effective care to ensure better patient outcomes. Presents illustrated, step-by-step procedures with rationales that deliver all the information students need for the skills lab or clinical. Promotes effective care planning with care plans and concept care maps as well as NANDA, NIC, and NOC. Describes the research evidence related to the chapter topic and encourages further study. Davis Advantage--Personalized Learning Plans for Students Creates personalized learning plans that ensure students master the content. Charts a path for each student to follow based on their strengths and weaknesses. Offers multiple paths to learning success through an immersive, interactive, multi-media experience with a wealth of animation videos, case studies, dynamic exercises and quizzes. Tracks each student's progress every step of the way; students know exactly how they're doing and where they need to focus their studies. Davis Edge- Online Personalized Quizzing Features progressive quizzing, customized to each student's knowledge level, that challenges them to reach higher levels of understanding, and identifies the areas in which they need additional review. Provides comprehensive rationales for correct and incorrect answers that teach students how to analyze questions critically--ensuring they understand why they answered a question correctly, and when they don't, how to improve. Includes self-grading that provides immediate feedback as each quiz is completed. Offers test-taking strategies and tips to prepare students for course exams, ATI, HESI, and NCLEX(R) exams. Highlights alternate-format questions to build confidence for these more difficult question types, including select all that apply and ordered response. Lets students select practice quizzes by specific topics or concepts with a quiz builder. Monitors students' overall progress and identifies their strengths and weaknesses in the Student Success Center.

Safe Maternity & Pediatric Nursing Care Luanne Linnard-Palmer,Gloria Haile Coats,2020-09-29 Safe Maternity &

Pediatric Nursing Care, 2nd Edition. Online Resources, and Davis Edge work together to create an interactive learning experience that teaches students to think critically and make the best patient care decisions. The text, written specifically for LPNs/LVNs, provides the comprehensive nursing knowledge they need to understand in this key course. Online Resources equip instructors with the lesson plans, teaching resources, and activities to create an active classroom environment where students can apply what they're learning. Davis Edge online quizzing tracks student progress; assesses their knowledge; prepares students for classroom exams and the NCLEX®; and provides real time analytics to identify their weak concepts and topic areas. Text This is the maternity/peds textbook that focuses on what LPNs must know with just the right depth and breadth of coverage of the knowledge and skills to practice safely. A student-friendly approach helps LPN/LVNs to master safe and effective nursing care by developing the critical-thinking and problem-solving skills they need to excel in clinical practice. Clear,

concise, readable, well organized, and easy to follow, it's the text that prepares new nurses to make the connections. Davis Edge Davis Edge is the online quizzing program that integrates seamlessly into the classroom to give students the additional practice questions they need to perform well on course exams and the NCLEX®. Handpicked preset assignments save instructors time, while actionable analytics let them take the pulse of how their students are performing. Instructors have the real-time data they need to monitor, track, and assess their class's mastery of the content. They are able to easily identify the areas in which students are struggling, intervene quickly, and provide remediation to ensure that students succeed and improve within following areas: Comprehension and Retention: How well do students understand the content? Participation and Engagement: Are students keeping-up with their reading and assignments? Test-Taking Skills: Are students prepared for NCLEX®-style questions and improving their test-taking skills? An access code inside new printed texts unlocks Davis Edge as well as a wealth of online learning tools and resources, including an ebook powered by VitalSource. Our new approach to LPN/LVN education LPN/LVN Connections responds to the pressures and challenges faced in nursing education with a new approach that highlights key themes across our core textbooks, maintains a consistent reading level, common terminology and lab values to improve student outcomes in class and prepares them for professional practice. Educators: Contact your F.A. Davis Consultant to learn more about LPN/LVN Connections. Make the connections every step of the way.
