**Lisa Murphy on Being Child Centered** Lisa Murphy, 2019-12-17  
Lisa Murphy on Child-Centered Environments provides an in-depth exploration of the author's approach to working with children. Lisa Murphy outlines nine characteristics programs need to build an environment that's child-centered, where play, developmentally appropriate practice, and academic standards all come together under one roof. Nine characteristics of a child-centered environment: 1. Children are provided long periods of uninterrupted free time to explore their environment 2. Children are provided lots of time outdoors 3. Children are able to explore the environment with few restrictions 4. Adults

control the environment, not the children 5. Adults serve as facilitators within the space 6. Adults articulate the intention behind their words and actions 7. Adults are familiar with current research and the key contributions of historical child development theorists 8. Adults are aware of the importance of keeping it real 9. Children are provided time and opportunity to create, move, sing, discuss, observe, read, and play every day Using true-to-life examples, anecdotes, and Lisa Murphy's signature conversational style, this book presents and explores the true identifying characteristics of a hands-on, play-based, child-centered environment.

**Science Fiction, Fantasy and Horror Film Sequels, Series and Remakes** Kim R. Holston, Tom Winchester, 2018-01-12 Science fiction, fantasy and horror movies have spawned more sequels and remakes than any other film genre. The traditional cinematic monsters are represented--Dracula, Frankenstein, the Wolf Man, a new Mummy. A new wave of popular series inspired by comics and videogames, as well as The Lord of the Rings trilogy, could never have been credibly produced without the advances in special effects technology. Audiences follow the exploits of superheroes like Captain America, Iron Man, Spider-Man and Thor, and such heroines as the vampire Selene, zombie killer Alice, dystopian rebels Katniss Everdeen and Imperator Furiosa, and Soviet spy turned American agent Black Widow. The continuing depredations of Jason Voorhees, Freddy

Krueger and Michael Myers are described. Pre-1996 movies that have since been remade are included. Entries features cast and credits, detailed synopsis, critics' reviews, and original analysis.
