Punctuation for Now J. McDermott,2016-07-27 It's or Its? Full stop inside or outside the inverted commas? What's the difference between a semi-colon and a colon? Cooperate or co-operate? Punctuation For Now describes in a witty but authoritative way how our present system of punctuation has grown out of the history of our language. It also indicates the conventions that govern the best punctuation in the English of today. The rules are set out clearly, and reinforced by abundant examples from the work of such authors as Kingsley Amis and Evelyn Waugh. Anyone with an examination to pass, or with a child who is learning to use English, or who writes it for a living, will find Punctuation For Now an invaluable guide and friend.

The Girl's Like Spaghetti Lynne Truss,2007-07-10 A companion to the New York Times #1 best-seller Eats, Shoots & Leaves, this is punctuation play at its finest! Just as the use of commas was hilariously demystified in Eats, Shoots & Leaves: Why, Commas Really Do Make a Difference!, now Lynne Truss and Bonnie Timmons put their talents together to do the same for apostrophes. Everyone needs to know where to put an apostrophe to make a word plural or possessive (Are those sticky things your brother's or your brothers?) and leaving one out of a contraction can give someone the completely wrong impression (Were here to help you). Full of silly scenes that show how apostrophes make a difference, too, this is another picture book that will elicit bales of laughter and better punctuation from all who read it. Compositor E Charlie Dupré,2023-10-04 There's power in that fingerprint of yours. Make sure to use it wisely. London 1623. Apprentice typesetter, 17-year-old John, arrives to work under the mentorship of ambitious printer Isaac Jaggard on a potentially game-changing new commission – Shakespeare's first-ever complete works. As John grapples to stamp a manuscript of Macbeth onto the page, fuelled by his dark past, he finds himself weaving his own narrative into the text. But as the ink sets, he begins questioning who the storytellers really are... Longlisted for the Bruntwood Prize for Playwriting in 2022 and now revived in line with the 400th anniversary of the publication of the First Folio, Charlie Dupré's Compositor E celebrates the power of words and explores the many unlikely fingerprints that write and rewrite history. This edition was published to coincide with the run at London's Omnibus Theatre in September 2023.

The Year of the Fox Merren Tait,2019-09-04 When Nancy Myers starts her New Life in the mountains with a wild leap of faith and a cordless drill in her back pocket, she discovers: a) working stuff out as you go along tends to bite you in the ass b) men who look good in gumboots are Dangerous c) it's a good idea to keep an eye out for neighbors when bathing naked in your sheep trough "This is chick-lit at its best. Merren Tait has written a genuinely funny novel." – Readers' Favorite Nancy is having a hard time. She's broken-hearted, homeless and unemployed. And she's just turned forty. But Nancy has a secret weapon. Desperation. Determined to make a fresh start (one that on no account features men of the falling-in-love-with variety), she purchases a rural property on a whim at the foot of the Southern Alps in New Zealand and attempts to settle into country life. She finds the vista of the mountains healing. She also finds a tall, dark and gumbooted stranger (who proves to be therapeutic in other ways). But when she discovers her precious view is about to be taken away, Nancy faces a hard choice. Should she play saboteur to protect her own happiness, even if it means losing the man who just might possibly be the key to it? Maybe her fresh start is actually a false start. Or maybe she's learning a thing or two about how to be a kick-ass, self-reliant woman. Tait offers an auspicious and cute premise, a scorchingly hot romance, and a highly original setting. – The Booklife Prize If you like boy-next-door, annoyances-to-lovers romance, you'll love the first book in Merren Tait's award-winning Good Life series. Discover the outrageously funny The Year of the Fox today!

Palladian Elizabeth Taylor,2011-09-29 An amusing, wry homage to Jane Eyre by one of the best novelists of the twentieth century. When newly orphaned Cassandra Dashwood arrives as governess to little Sophy, the scene seems set for the archetypal romance between young girl and austere widowed employer. Strange secrets abound in the ramshackle house. But conventions are subverted in this atmospheric novel: one of its worlds is suffused with classical scholarship and literary romance, but the other is chaotic, quarrelsome and even farcical. Cassandra is to discover that in real life, tragedy, comedy and acute embarrassment are never far apart.

You Don't Have to Be in Who's Who to Know What's What Sam Levenson,2016-08-30 The author and humorist Sam Levenson is quoted hundreds of times each day on Twitter, and his sayings appear on everything from t-shirts to inspirational signs. To read through and savor You Don't Have to Be in Who's Who to Know What's What is to discover much of the source material for his timeless wisdom. It is a treasure trove of topics ranging from family ("Insanity is hereditary; you can get it from your children") to perseverance ("Don't watch the clock; do what it does. Keep going.") Levenson's upbringing was as the youngest of eight children in a large Jewish immigrant family in New York. He evolved from a Spanish teacher in Brooklyn to working the Catskills circuit as a comedian and by the 1950s was a fixture in American homes as television personality, appearing and guest hosting numerous times on classic shows like This Is Show Business, Two For The Money, and The Ed Sullivan Show. For several years, he hosted his own variety show on CBS called The Sam Levenson Show, where the set doubled as a school classroom and the guests often evoked Levenson's love of learning, teaching, and family. These experiences informed his lessons about life, family and careers, and make this definitive collection of his views and sayings so timeless.
