God Uses the Foolish Things Ron Momon,2017-06-07 What negative word has been used to describe you? It doesnt matter because you are somebody in Gods eye. Dont look at your weaknesses or past failures. God is strong where you are weak. Open this book and see how men and women were transformed from orphan to prince, murderer to deliverer, prostitute to lineage line of kings, shepherd boy to king, fearful to great warrior, and from persecutor of the church to great apostle of the church. Through these men and women, you will see how God uses the foolish things to confuse the wise!

Leg over Leg Ahmad Faris al-Shidyaq,2013-08-23 Leg over Leg recounts the life, from birth to middle age, of 'the Fariyaq,' alter ego of Ahmad Faris al-Shidyaq, a pivotal figure in the intellectual

and literary history of the modern Arab world. The always edifying and often hilarious adventures of the Fariyaq, as he moves from his native Lebanon to Egypt, Malta, Tunis, England and France, provide the author with grist for wide-ranging discussions of the intellectual and social issues of his time, including the ignorance and corruption of the Lebanese religious and secular establishments, freedom of conscience, women's rights, sexual relationships between men and women, the manners and customs of Europeans and Middle Easterners, and the differences between contemporary European and Arabic literatures. Al-Shidyaq also celebrates the genius and beauty of the classical Arabic language. Akin to Sterne and Rabelais in his satirical outlook and technical inventiveness, al-Shidyaq produced in *Leg Over Leg* a work that is unique and unclassifiable. It was initially widely condemned for its attacks on authority, its religious skepticism, and its "obscenity," and later editions were often abridged. This is the first English translation of the work and reproduces the original Arabic text, published under the author's supervision in 1855.
