**The White-Magic Book** John Le Breton,2016-09-22 This oracle volume contains ancient wisdom and will provide the answers to all your questions. This runic magic book was first published in 1919. John Le Breton's divination volume gives everyone easy access to fortune-telling magic, and will assist the reader in discovering the answers to any questions they pose using the Table of Jupiter.

**The Perfume Lover** Denyse Beaulieu,2013-03-19 What if the most beautiful night in your life inspired a perfume? When Denyse Beaulieu was growing up in Montreal, perfume was forbidden in her house, spurring a childhood curiosity that became an intellectual and sensual passion. She pursued this passion to Paris, where she now lives, becoming a respected fragrance writer. But little did she know that it would also lead her to achieve a perfume lover's wildest dream.

**Perfumes** Luca Turin,Tania Sanchez,2010-08-06 'I've long wished perfumery to be taken seriously as an art, and for scent critics to be as fierce as opera critics, and for the wearers of certain fragrances to be hissed in public, while others are cheered. This year has brought Perfumes: The Guide by Luca Turin and Tania Sanchez, which I breathed in, rather than read, in one delighted gulp.' Hilary Mantel, Guardian Perfumes: The Guide is the culmination of Turin's lifelong obsession and rare scientific flair and Sanchez's stylish and devoted blogging about every scent that she's ever loved and loathed. Together they make a fine and utterly persuasive argument for the unrecognised craft of perfume-making. Perfume writing has certainly never been this honest, compelling or downright entertaining.

**The Ultimate Insult Generator** Mike Barfield,2017-07 This fabulously fun flipbook allows you to generate 60 million brilliantly beastly insults for all occasions. Wacky, zany, and sometimes plain silly, this book will ensure you'll always have the last word, not to mention the last laugh!Hilarious heckles for silencing sassy siblings Teasing taunts to make best friends snigger Madcap comebacks to confuse mum and dad Playful put-downs for frenemies and enemies

**The Book of Lost Fragrances** M. J. Rose,2012-03-13 A sweeping and suspenseful tale of secrets, intrigue, and lovers separated by time, all connected through the mystical qualities of a perfume created in the days of Cleopatra--and lost for 2,000 years.

**Migration Italy** Graziella Parati,2013-12-31 In terms of migration, Italy is often thought of as a source country - a place from which people came rather than one to which people go. However, in the past few decades, Italy has indeed become a destination for many people from poor or war-torn countries seeking a better life in a stable environment. Graziella Parati's Migration Italy examines immigration to Italy in the past twenty years, and explores the processes of cultural hybridization that have occurred. Working from a cultural studies viewpoint, Parati constructs a theoretical framework for discussing Italy as a country of immigration. She gives special attention to immigrant literature, positing that it functions as an act of resistance, a means to talk back to the laws that regulate the lives of migrants. Parati also examines Italian cinema, demonstrating how native and non-native filmmakers alike create parallels between old and new migrations, complicating the definitions of sameness and difference. These definitions and the complexities inherent in the different cultural, legal, and political positions of Italy's people are at the heart of Migration Italy, a unique work of immense importance for understanding society in both modern-day Italy and, indeed, the entire European continent.

**Storyland** Amy Jeffs,2023-08-22 Immersed in mist and old magic, Storyland is an exquisitely illustrated new mythology of Britain, set in its wildest landscapes. Historian and printmaker Amy Jeffs reimagines ancient legends in wondrous detail in this this gift-worthy collection for all lovers of myth, folklore, and mysticism. Storyland begins between the Creation and Noah's Flood, follows the footsteps of the earliest generation of giants, covers the founding of Britain, England, Wales, and Scotland, the birth of Christ, the wars between Britons, Saxons and Vikings, and closes with the arrival of the Normans. These are retellings of medieval tales of legend, landscape, and the yearning to belong, inhabited by characters now half-remembered: Arthur, Brutus, Albina, and more. Told with narrative flair, embellished in stunning, original linocuts and glossed with a rich and erudite commentary, Storyland illuminates a collective memory that still informs the identity and culture of Britain and its descendants. Readers will visit beautiful, sacred places that include prehistoric monuments like Stonehenge and Wayland's Smithy; mountains and lakes such as Snowdon and Loch Etive; and rivers including the Ness, the Soar, and the storied Thames in this vivid, beautiful tale of a land steeped in myth.

**Schiaparelli & Prada** Andrew Bolton,Harold Koda,2012 The Met's Spring 2012 Costume Institute exhibition, Schiaparelli and Prada: Impossible Conversations, explores the striking affinities between Elsa Schiaparelli and Miuccia Prada, two Italian designers from different eras. Inspired by Miguel Covarrubias's Impossible Interviews for Vanity Fair in the 1930s, the exhibition features orchestrated conversations between these iconic women to suggest new readings of their most innovative work. Iconic ensembles will be presented with videos of simulated conversations between Schiaparelli and Prada directed by Baz Luhrmann, focusing on how both women explore similar themes in their work through very different approaches.--MMA website.

**Conundrums** Harry Pearce,2010-09-21 Conundrum is a mind-stretch. Encrypting idioms into their typographic equivalents, Harry enlivens our everyday language and challenges readers to see that time after time after time or, at least, more often than not the writing is on the wall. For fans of word puzzles, sudoku, crosswords, and all manner of mind games, Conundrum offers an artfully packaged, cleverly designed new challenge. Drawing upon, literally in this case, graphic puzzles that he began creating as a child, Harry's developed over 100 witty conundrums for this book that will stretch the mind as well as delight the senses. A member of the Alliance Graphique Internationale, a frequent lecturer and contributor to design discourse, an internationally recognized leader in design, and a founder of Lippa Pearce, one of the UK's most respected design agencies, Harry refines the way we see and communicate. Conundrum achieves nothing less than changing how we understand and interact with language.

**Italy's 'Southern Question'** Jane Schneider,2020-05-31 The 'Southern Question' has been a major topic in Italian political, economic and cultural life for a century and more. During the Cold War, it was the justification for heavy government intervention. In contemporary Italy, a major part of the appeal of the Lombard League has been its promise to dissociate the South from the North, even to the point of secession. The South also remains a resonant theme in Italian literature. This interdisciplinary book endeavours to answer the following: - When did people begin to think of the South as a problem? - Who - intellectuals, statisticians, criminologists, political exiles, novelists (among them some important southerners) - contributed to the discourse about the South and why? - Did their view of the South correspond to any sort of reality? - What was glossed over or ignored in the generalized vision of the South as problematic? - What consequences has the 'Question' had in controlling the imaginations and actions of intellectuals and those with political and other forms of power? - What alternative formulations might people create and live by if they were able to escape from the control of the 'Question' and to imagine the political, economic and cultural differences within Italy in some other way? This timely book reveals how Southern Italians have been affected by distorted versions of a complex reality similar to the discourse of 'Orientalism'. In situating the devaluation of Southern Italian culture in relation to the recent emergence of 'anti-mafia' ideology in the South and the threat posed to national unity by the Lombard League, it also illuminates the world's stiff inter-regional competition for investment capital.

**Union Atlantic** Adam Haslett,2010-02-09 From the acclaimed author of Imagine Me Gone and the Pulitzer Prize finalist You Are Not A Stranger Here, a stunning, masterful portrait of our modern gilded age. At the heart of Union Atlantic lies a test of wills between a retired history teacher, Charlotte

Graves—who has suddenly begun to hear her two dogs speaking to her in the voices of Cotton Mather and Malcolm X—and an ambitious young banker, Doug Fanning, who is building an ostentatious mansion on what was once Charlotte’s family land. Drawn into the conflict is Nate Fuller, a troubled high-school student who stirs powerful emotions in both of them. What emerges is a riveting story of financial power, the defense of tradition, and the distortions of desire these forces create. With remarkable scope and precision, Union Atlantic delivers a striking vision of the violent, anxious world we’ve come to inhabit.

*Dysfashional* Luca Marchetti,2007 This book is a brave new fashion project, but rather than exhibiting clothes and styles, Dysfashional explores the broad range of materials and mechanisms that turn fashion into a way of representing personal identity and experience. Staged like a construction site, Dysfashional tackles the seemingly frivolous yet vital realm of fashion, by examining the approaches and perspectives of designers and artists from diverse backgrounds. A dramatic journey into the creative process as center stage.
