*Mental Health And Infant Development* Kenneth Soddy, 2014-06-03 First published in 1999. This Volume collates a selection of case histories prepared in three countries by special teams, for use as teaching materials at the International Seminar on Mental Health and Infant Development, 1952. The title is designed for students of child development to better communicate with each other about problems of childcare, education, and mental health. Organized into three parts focusing on cases of British, French and American origin, these are intended to be shared by any group of students or professional workers interested in studying child development.

**Personal Development In A Nutshell** Freddy Davis, 2004-10 The potential for human personal development is virtually unlimited. That being said, very few people are willing to put forth the effort that it takes to develop that potential to its highest level. Freddy hide the hamster from his mom? And what will happen when the hamster gets loose and starts running around the house? (They always do.) Join Freddy in a typical first-grade adventure filled with humor perfect for this reading age.

His teacher wants the class to do reports on nocturnal animals, and everybody but Freddy has a really cool animal to study. How will Freddy find one? Here's the fifth in a new series by an elementary teacher who's seen it all. I have a problem. A really, really, big problem. My class is having a talent show, and I have no talent! Everyone's excited about the first grade Grandparents Day talent show—everyone except Freddy. He thinks he has no talent, and bully Max Sellars's teasing is making him feel even worse! But when Freddy's dad teaches him some magic tricks, it just might make Freddy a star, AND get Max off his back. Tricks are tricky though, and when things go awry, Freddy must count on Papa Dave and his sister Suzie to make some extra-special magic happen, both for the talent show, and for Max!

Bullies are a problem in school, and Max Sellars is the worst one yet. In addition to hassling Freddy, Max also challenges him for the open spot on the peewee hockey team. Freddy's close friend Jessie is a star hockey player, and she secretly teaches him some rules and tricks. In a warm and funny ending, Max and Freddy make peace with one another, and--in a surprising twist--end up becoming teammates.
