Arena One: Slaverunners (Book #1 of the Survival Trilogy) Morgan Rice,2012 From Morgan Rice, #1 Bestselling author of THE VAMPIRE JOURNALS, comes the first book in a new trilogy of dystopian fiction. New York. 2120. American has been decimated, wiped out from the second Civil War. In this post-apocalyptic world, survivors are far and few between. And most of those who do survive are members of the violent gangs, predators who live in the big cities. They patrol the countryside looking for slaves, for fresh victims to bring back into the city for their favorite death sport: Arena One. The death stadium where opponents are made to fight to the death, in the most barbaric of ways. There is only one rule to the arena: no one survives. Ever. Deep in the wilderness, high up in the Catskill Mountains, 17 year old Brooke Moore manages to survive, hiding out with her younger sister, Bree. They are careful to avoid the gangs of slaverunners who patrol the countryside. But one day, Brooke is not as careful as she can be, and Bree is captured. The slaverunners take her away, heading to the city, and to what will be a certain death. Brooke, a Marine’s daughter, was raised to be tough, to never back down from a fight. When her sister is taken, Brooke mobilizes, uses everything at her disposal to chase down the slaverunners and get her sister back. Along the way she runs into Ben, 17, another survivor like her, whose brother was taken. Together, they team up on their rescue mission. What follows is a post-apocalyptic, action-packed thriller, as the two of them pursue the slaverunners on the most dangerous ride of their lives, following them deep into the heart of New York. Along the way, if they are to survive, they will have to make some of the hardest choices and sacrifices of their lives, encountering obstacles neither of them had expected—including their unexpected feelings for each other. Will they rescue their siblings? Will they make it back? And will they, themselves, have to fight in the arena? ARENA ONE is Book #1 in the Survival Trilogy, and is 85,000 words.

They divide games broadly into, games of pure skill, such as hopscotch and target shooting; games of pure strategy, such as checkers, go, or tic-tac-toe; and games of chance, such as craps and snakes and ladders. Generously illustrated with 141 plans and photographs, The Story of the Roman Amphitheatre offers a comprehensive picture of the origins, development, and eventual decline of the most typical and evocative of Roman monuments. With a detailed examination of the Colosseum, as well as case studies of significant sites from Italy, Gaul, Spain and Roman North Africa, the book is a fascinating gazetteer for the general reader as well as a valuable tool for students and academics.

LeBron Jeff Benedict,2023-04-11 NEW YORK TIMES BESTSELLER * From the #1 bestselling author of The Dynasty and Tiger Woods—the “definitive...fantastic” (Sports Illustrated) biography of basketball superstar LeBron James, based on three years of exhaustive research and more than 250 interviews. LeBron James is the greatest basketball player of the twenty-first century, and he’s in the conversation with Michael Jordan as the greatest of all time. The reigning king of the game and the first active NBA player to become a billionaire, LeBron wears the crown like he was born with it. Yet his ascent has been anything but effortless and predetermined—the truth is vastly more interesting than that. What makes LeBron’s story so compelling is how he won his destiny despite overwhelmingly long odds, in a drama worthy of a Dickens novel. As a child, he was a scared and lonely little boy living a nomadic existence in Akron, Ohio. His mother, who had LeBron when she was sixteen, would sometimes leave him on his own. Destitute and fatherless, he missed close to one hundred days of school in the fourth grade. Desperate, his mother placed him with a family that gave him stability and put a basketball in his hands. “An absorbing chronicle of talent, character, pluck, and luck” (Wall Street Journal) LeBron tells the full, riveting saga of how a child adrift found the will to become a titan. Jeff Benedict, the most celebrated sports biographer of our time, paints a vivid picture of LeBron’s epic origin story, showing the gradual rise of a star who, surrounded by a tight-knit group of teenage friends and adult mentors, accelerated into a speeding comet during high school. Today LeBron produces Hollywood films and television shows, has a social media presence that includes more than one hundred million followers, engages in political activism, takes outspoken stances on racism and social injustice, and transforms lives through his visionary philanthropy. He went from a lost boy in Akron to a beloved hero who uses his fortune to educate underprivileged children and lift up needy families—and brought home Cleveland’s first NBA championship. But LeBron is more than just the origin story of a GOAT or a recap of his multi-championship, multi-MVP, gold medal-decorated career on the court. Benedict delves into LeBron’s relationship with fame and power: how he has cultivated it, harnessed it, suffered from it, and leveraged it. In these pages, we watch his evolution from a player who avoided politics and was widely criticized for not joining his teammates in protesting China’s role in the Darfur genocide to becoming an athlete who partnered with President Obama; campaigned for Hillary Clinton; became an advocate against gun violence, racism, and voter suppression; and openly clashed with President Trump, empowering other athletes to speak out against social injustice. To capture LeBron’s extraordinary life, Benedict conducted hundreds of interviews with the people who were involved with LeBron at different stages of his life. He also obtained thousands of pages of primary source documents and mined hundreds of hours of video footage. Destined to be the authoritative account of LeBron’s life, LeBron is a “masterful...propulsive” (Los Angeles Times) and unprecedented portrait of one of the world’s most captivating figures.
