Star Trek Movie Memories William Shatner,Chris Kreski,2023-09-12 The legendary Captain Kirk takes readers behind the scenes of the long-running movie franchise from the first feature film to Star Trek: Generations. In this jam-packed memoir, William Shatner picks up where he left off with Star Trek Memories, recounting in equally intriguing detail what went into the making of the first six Star Trek movies, while including on-the-scene reporting from the set of Star Trek: Generations. Shatner discloses all of the creative turmoil, backstage politics, and production challenges that permeated every one of the movies. And with unflinching candor, he reveals the accumulated personal grudges that haven't mellowed with the passage of time. Drawing on in-depth interviews as well as Shatner's private reminiscences, the book recounts how Kirk's love interest in Star Trek IV began as a role for Eddie Murphy; the creative and production nightmares of Star Trek V; and the rewarding experience of the "classic" crew passing the torch to Patrick Stewart and the cast of The Next Generation. Star Trek Movie Memories contains more than one hundred photographs and illustrations.

Art from Your Core Kate Kretz,2024-02-08 This book guides artists through the discovery and development of the art that they alone were born to create. Through real-life examples and exercises, we tear down the cultural, educational, and psychological obstacles to finding authentic visual voice, stripping away years of assumptions, external and self-imposed limiting parameters. We learn how to listen to the Universe and get out of the way when work wants to come through us. We construct a core foundation, unique to each artist, one that will grow along with them in their artistic practice. Artists will discover their own singular visual vocabulary by mining their personal history, psyche, and world view to reveal new creative directions, and learn how to intensify and develop their core ideas to make them more resonant and complex. We explore methodologies to tap into the subconscious, cultivate breakthroughs, create environments to maximize the gestation of ideas, instill bravery, and do meaningful research to produce deeply layered works of art. While designed for college students, professional artists will also find it allows them to get to that illusive "next level" in their work; the one that calls to them, haunts them in their dreams, yet remains unarticulated in their practice. In addition to helping undergraduate and graduate students who are looking to identify, articulate, and hone their vocabulary, it can serve as a tool for more established artists to step up or refresh their practice. It is the kind of book that artists will keep on the studio shelf, to pick up time and time again, as their responses to the exercises will change throughout the course of their career. There are extensive lists, exercises, and questionnaires, anecdotes of art-historically significant artists and detailed descriptions of the methodologies they employ to tap into the subconscious, various types of research on creative breakthroughs (and how to apply it to your own process), helpful suggestions to create an environment / lifestyle to maximize the gestation of ideas, and how to do meaningful research to produce deeply layered works of art. While the tone of the book is often earnest and spiritual (in an "art is religion" kind of way), Kretz is aiming for a straightforward, accessible, kind-but-no-nonsense tenor, with some humor, and nurturing "tough love" when needed, to say some of the things that artists need to hear, but few people have the guts to tell them.

The Hidden Horses of New York: A Novel Natalie Keller Reinert,2021-05-19 ★ Winner: American Horse Publications Award for Best Equine-Related Fiction, 2019 ★ ★ Winner: Equus Film & Arts Fest for Best Fiction - Horse Racing, 2020 ★ A novel of equestrian life in unexpected places. Jenny's a horsewoman, born and bred. Aidan's a photographer, with a passion for sleek thoroughbreds. Lana has business brains and start-up cash. Together, they're going to bring horse racing's best stories to life. Best friends working on a passion project together: it could be the perfect post-grad life in New York City... if only Jenny wasn't hopelessly in love with Aidan. Unrequited love aside, Jenny might be in over her head. It's not an easy task to get old-fashioned trainers to open up to her, but Jenny's determined to get her story. Then, as she digs deep in search of a missing horse, Jenny tumbles into a dark underworld she'd thought was just a fairy tale. In the pursuit of horse racing's happy endings, to say nothing of her own, Jenny will find herself tested again and again. A colt's bid for a Breeders' Cup championship, a racehorse with no name, a charming police mount on Amsterdam Avenue, a carriage horse clattering through Central Park: the horses of New York are clamoring to have their stories told. Jenny just has to find the words, and the courage, to give them a voice. Reviewers say... "Realistic, masterful dialogue and storytelling." - American Horse Publications "It surpassed all expectations. It's so much more than a pony book - there's romance, and drama, and mystery, and horses... all set against the back drop of New York. It had me complete engrossed from start to finish. New York tourist board should be paying Natalie a commission, because I now have the overwhelming urge to return to the Big Apple and bypass the tourist trail in favour of visiting Aqueduct and Belmont and seeking out all the city's hidden horses!" - Amazon Reviewer "The setting is not just a convenient backdrop, it becomes its own character. The places are so lovingly, and well described that I almost become homesick for cities I've never seen. It is easy to see why the characters love where they've come from and where they've chosen to live." - Amazon Reviewer "This book blends the right amounts of horses, romance, intrigue and emotion to create a good yarn." - Amazon Reviewer Natalie Keller Reinert is the author of more than a dozen bestselling novels exploring equestrian life, including The Eventing Series, The Alex & Alexander Horse Racing Series, The Show Barn Blues Series, and Grabbing Mane.

Holy Ghost Richard M. Lienau, 2011-09-12 Alessandra "Alex" Petersen, an unhappily married woman from West Texas, is rescued from a fall into the cold waters of Holy Ghost Creek, a tributary of the Pecos River in Northern New Mexico by mysterious Mark Cassidy. After drying off at his nearby house, she goes to stay at a female friend's house in Santa Fe. Thinking her friend gone, she is horrified to find not only her friend, but her husband, both murdered. Jeremy Radcliff, retired ex-CIA agent, is blackmailed into finding and eliminating—permanently—a fellow ex-CIA agent, a woman who happens to be Mark Cassidy's sister, Evelyn, who is hiding out with her brother in their Holy Ghost Canyon safe house. Suspensions, lethal connections and coincidences abound, leading to a surprising finale in Holy Ghost Canyon. RICHARD M. LIENAU, with a background in computer technology, holds more than twenty U.S. Patents. He has written several novels along with a number of screen plays, articles and short stories. He lives in San Miguel County, New Mexico.

Gregory Peck Lynn Haney, 2009-04-27 His first screen test was a disaster, his features were large and irregular, his left ear outsized the right, yet he would one day be headlined as the Most Handsome Man in the World. And most of his leading ladies—among them, Ingrid Bergman, Jennifer Jones, Audrey Hepburn, Sophia Loren, and Ava Gardner—would not disagree. Irreverent, candid, refreshingly honest, Lynn Haney's carefully researched biography not only charts the remarkable career of the Oscar-winning star but also plumbs Peck's frequently troubling complexity in his off-screen roles as husband, father, lover, and son. About the tough times, Haney minces no words; but the misfortunes by no means eclipse the energy, intensity, and excitement that characterized Peck's five decades of moviemaking. This is a book filled with telling photographs, and a story cast with movie moguls from Louis B. Mayer to Darryl Zanuck, with directors from Hitchcock and Walsh to Huston and Wyler, with nearly every major luminary in Hollywood, and, starring for the first time in toto, Gregory Peck.

Beyond the Epic Gene D. Phillips, 2006-11-24 Two-time Academy Award winner Sir David Lean (1908--1991) was one of the most prominent directors of the twentieth century, responsible for the classics *The Bridge on the River Kwai* (1957), *Lawrence of Arabia* (1962), and *Doctor Zhivago* (1965). British-born Lean asserted himself in Hollywood as a major filmmaker with his epic storytelling and panoramic visions of history, but he started out as a talented film editor and director in Great Britain. As a result, he brought an art-house mentality to blockbuster films. Combining elements of biography and film criticism, *Beyond the Epic: The Life and Films of David Lean* uses screenplays and production histories to assess Lean's body of work. Author Gene D. Phillips interviews actors who worked with Lean and directors who knew him, and their comments reveal new details about the director's life and career. Phillips also explores Lean's lesser-studied films, such as *The Passionate Friends* (1949), *Hobson's Choice* (1954), and *Summertime* (1955). The result is an in-depth examination of the director in cultural, historical, and cinematic contexts. Lean's approach to filmmaking was far different than that of many of his contemporaries. He chose his films carefully and, as a result, directed only sixteen films in a period of more than forty years. Those films, however, have become some of the landmarks of motion-picture history. Lean is best known for his epics, but Phillips also focuses on Lean's successful adaptations of famous works of literature, including retellings of plays such as *Brief Encounter* (1945) and novels such as *Great Expectations* (1946), *Oliver Twist* (1948), and *A Passage to India* (1984). From expansive studies of war and strife to some of literature's greatest high comedies and domestic dramas, Lean imbued all of his films with his unique creative vision. Few directors can match Lean's ability to combine narrative sweep and psychological

detail, and Phillips goes beyond Lean's epics to reveal this unifying characteristic in the director's body of work. Beyond the Epic is a vital assessment of a great director's artistic process and his place in the film industry.

A distinguished five-person jury presided over the final selection: Stanley Tigerman, founding partner, Tigerman McCurry, Chicago; Ralph Johnson, design principal, Perkins+Will, Chicago; Jeanne Gang, founder Gang Studio, Chicago; Marion Weiss, founding partner, WEISS/MANFREDI, New York; and Qingyun Ma, Dean of Architecture, University of Southern California, and founder MADA s.p.a.m., Shanghai and Beijing. The innovators featured in this impressive volume share with us, and the world, their desires for exponential learning; designs are illuminated with full-color photography and detailed illustrations, helping to showcase the innovators' individual curiosities, imaginations, and talents. This material shows how they bridge disciplines, respect cultural norms, respond to human needs regardless of costs, and how they adopt team transparency in their passion to create and solve problems with a clear mission. This highly anticipated book showcases honorees located across many different countries, including Bangladesh, Belgium, Brazil, China, Germany, India, Ireland, Japan, Mexico, The Netherlands, Norway, Spain, Sri Lanka, Sweden, Thailand, Turkey, and the United States. Significantly, a quarter of these innovators are women, representing the elevated leadership of women in architecture and design.

Answers Alan Kohls, 2015-07-31 Who is Andrew Elric, and what's he doing here? Says he's here with answers. As Andrew would explain it, "We live our lives shrouded with mysteries. We're compelled to show faith in explanations that we really don't believe in—the origins of our being, the nature and existence of God, are we alone in the universe? Less weighty issues as well as stuff we'd just like to know—who really shot Kennedy? What happened to Jimmy Hoffa? You think about it and know there really are answers to all of it, but you don't have access to them. I've got those answers and, more importantly, proof for all of it. Some of it you can hold in your hand. You follow the news, you know this place is going to blow. I'm here to try and stop it. Religion, race, nationalism . . . We all come from the same place. But the world has suffered through too many charlatans and false prophets. I'm going to use these proofs to get you savages to settle down." Andrew has recruited renowned attorney, author, and sports agent Aron Samuelson to help him get the word out. Aron, in the throes of a midlife crisis, is looking for the next "big thing" in his life. As they say, be careful what you wish for.
