Israel Samantha Wilson, 2011 Israel is a land of dramatic contrasts where three world religions - Judaism, Christianity and Islam - meet in stunning landscapes, where ancient architecture stands next to modern, where the fertile north spills into the arid southern desert and where the secular live alongside the devout. This second edition gives practical tips on the top hotels and restaurants plus all the information to get the best from Israel's range of attractions. From archaeological remains of Crusader castles and Roman cities, scuba diving off Eilat's coast, marvelling at the mountainous Golan Heights to floating in the Dead Sea, Bradt's Israel is the perfect travelling companion, enlightening and enhancing every trip.

Paul S. Endy Jr. Las Vegas Casino Gaming Legend Eric P. Endy MBA, 2022-07-14 There isn't a person who had anything to do with the gaming industry in Las Vegas—or the world for that matter—that doesn't recognize the company name of Paul-Son Dice. But how many know the name of the man behind Paul-Son, Paul S. Endy Jr.? He was known by many names, including Mr. Paulson, the old man, a mover and a shaker, a bull in a china shop, and Mr. Endy. But to me he was known as my father, and I would like to share the story of his life and the legacy to the gaming industry he left behind. Dear Eric, I went to work at the El Cortez in 1965. By 1967, I became the Casino Manager and started doing business with your dad. I became his oldest and largest customer. Over the years, through several more hotels, I gave Paul-Son Dice and Cards over 90% of my business --- gaming tables, dice, chips, etc. Your father was a true pioneer in the gaming supply business. He, myself and my father, Jackie Gaughan, are all in the Gambling Hall of Fame. Your brother, Tom, and I were close friends and my son, John, worked one summer for your company.

Eric, best of luck on this endeavor. I am sure if your father were still alive today, he would be proud of you. Michael Gaughan South Point Hotel Dear Eric, As a Las Vegas resident since 1964 and Mayor for 12 years, I had the pleasure of knowing your father Paul Endy Jr. both personally and professionally. I remember having breakfast with him and the other “movers and shakers” at Papa Gars which was right around the corner and across the railroad tracks from Paul-Son Dice and Card Company. Your dad reminded me of a “Bull in a China Shop” and was able to get things done today, not yesterday and sealed with a handshake. I consider him as a gaming legend and one of the “good old boys” whose fundraising efforts for both UNLV baseball and Westcare were commendable. Thank You for continuing his gaming legacy. Mayor Oscar Goodman Mayor of Las Vegas from 1999-2011 Eric, Your Dad was a real Casino Gaming Legend and a great human being! I remember when your father was inducted into the gaming Hall of Fame in 1996, an honor very well deserved. I will always cherish the time your Dad and I spent together and the commitment we both had to fundraising for charitable causes. I am so proud that you are continuing his legacy by writing his biography. Wayne Newton Mr. Las Vegas

Raymond Chandler's Los Angeles Alain Silver,ElizabethM Ward,1989-03-02 Re-issued for the 50th anniversary of the film of Chandler's novel 'The Big Sleep', this homage to film noir is a visionary journey across a landscape of darkened bungalows, decaying office blocks and sinister nightspots - an atmospheric tribute to both the writer and his city. 109 East Palace Jennet Conant, 2007-11-01 From the bestselling author of *Tuxedo Park*, the extraordinary story of the thousands of people who were sequestered in a military facility in the desert for twenty-seven intense months under J. Robert Oppenheimer where the world's best scientists raced to invent the atomic bomb and win World War II. In 1943, J. Robert Oppenheimer, the brilliant, charismatic head of the Manhattan Project, recruited scientists to live as virtual prisoners of the U.S. government at Los Alamos, a barren mesa thirty-five miles outside Santa Fe, New Mexico. Thousands of men, women, and children spent the war years sequestered in this top-secret military facility. They lied to friends and family about where they were going and what they were doing, and then disappeared into the desert. Through the eyes of a young Santa Fe widow who was one of Oppenheimer's first recruits, we see how, for all his flaws, he developed into an inspiring leader and motivated all those involved in the Los Alamos project to make a supreme effort and achieve the unthinkable.

The Gift of the Magi and the Ransom of Red Chief O.

Henry, 2020-04-20 || The Gift of The Magi || The Gift of the Magi is a short story by O. Henry first published in 1905. The story tells of a young husband and wife and how they deal with the challenge of buying secret Christmas gifts for each other with very little money. As a sentimental story with a moral lesson about gift-giving, it has been popular for adaptation, especially for presentation at Christmas time. The plot and its twist ending are well-known, and the ending is generally considered an example of comic irony. It was allegedly written at Pete's Tavern on Irving Place in New York City.***The

Midnight in the Garden of Good and Evil John

Berendt, 1994-01-13 NATIONAL BESTSELLER • A modern classic of true crime, set in a most beguiling Southern city—now in a 30th anniversary edition with a new afterword by the author “Elegant and wicked . . . might be the first true-crime book that makes the reader want to book a bed and breakfast for an extended weekend at the scene of the crime.”—The New York Times Book Review Shots rang out in Savannah’s grandest mansion in the misty, early morning hours of May 2, 1981. Was it murder or self-defense? For nearly a decade, the shooting and its aftermath reverberated throughout this hauntingly beautiful city of moss-hung oaks and shaded squares. In this sharply observed, suspenseful, and witty narrative, John Berendt skillfully interweaves a hugely entertaining first-person account of life in this isolated remnant of the Old South with the unpredictable twists and turns of a landmark murder case. It is a spellbinding story peopled by a gallery of remarkable characters: the well-bred society ladies of the Married Woman’s Card Club; the turbulent young gigolo; the hapless recluse who owns a bottle of poison so powerful it could kill every man, woman, and child in Savannah; the aging and profane Southern belle who is the “soul of pampered self-absorption”; the

uproariously funny drag queen; the acerbic and arrogant antiques dealer; the sweet-talking, piano-playing con artist; young people dancing the minuet at the black debutante ball; and Minerva, the voodoo priestess who works her magic in the graveyard at midnight. These and other Savannahians act as a Greek chorus, with Berendt revealing the alliances, hostilities, and intrigues that thrive in a town where everyone knows everyone else. Brilliantly conceived and masterfully written, *Midnight in the Garden of Good and Evil* is a sublime and seductive reading experience.

The Elephant's Journey José Saramago, 2010-09-08 “The Portuguese Nobel Prize winner’s delightful posthumous novel recounts the [16th century] travels of an Indian elephant...from Lisbon to Vienna” (The New Yorker). In 1551, King João III of Portugal gave Archduke Maximilian an unusual wedding present: an elephant named Solomon. In *The Elephant’s Journey*, José Saramago imagines Solomon’s epic journey by foot across Europe with his Hindu keeper Subhro along for the adventure. Accompanied by the Archduke, his new wife, and the royal guard, these unlikely heroes traverse a continent riven by the Reformation and civil wars. They are witnessed by scholars, historians, and wide-eyed ordinary people as they make their way through the storied cities of northern Italy,

brave the Alps, cross the Mediterranean Sea, and at last, make their way toward their grand entry into the imperial city. "A tale rich in irony and empathy, regularly interrupted by witty reflections on human nature and arch commentary on the powerful who insult human dignity."—Los Angeles Times

Forty-four Scotland Street Alexander McCall Smith, 2005 When Pat rents a room in Edinburgh, she acquires some interesting neighbors—including a pushy Stockbridge mother and her talented, sax-playing, five-year-old son. Her job at an art gallery hardly keeps her busy until she suspects one painting in the collection may be an undiscovered work by a Scottish master.

The Yale Art + Architecture Building, 1999 The Building Blocks series presents icons of modern architecture as interpreted by the most significant architectural photographers of our time. The first four volumes feature the work of Ezra Stoller, whose photography has defined the way postwar architecture has been viewed by architects, historians, and the public at large. The buildings inaugurating this series—Eero Saarinen's TWA Terminal, Wallace Harrison's United Nations complex, Le Corbusier's Chapel at Ronchamp, and Paul Rudolph's Yale Art and Architecture Building—all have bold sculptural presences ideally suited to Stoller's unique vision. Each cloth-bound book in the series contains at least 80 pages of rich duotone images. Taken just after the completion of each project, these photographs provide a unique historical record of the buildings in use, documenting the people, fashions, and furnishings of the period. Through Stoller's photographs, we see these buildings the way the architects wanted us to know them. In the preface to each volume Stoller tells of his personal relationship with the architect of each project and recounts his experience photographing it. Brief

introductions reveal the unique history of each building; also included are newly drawn plans.

Culture and Customs of Venezuela Mark Dinneen, 2001-04-30

Venezuela, one of the least-known countries in Latin America, is brilliantly spotlighted in *Culture and Customs of Venezuela*. This oil-rich nation sustained a stable democracy until the economic downturn in the 1980s, and changes in the social and political spheres will bring the country under increasing scrutiny from the outside world.

Dinneen captures the sharp contrasts and immense variety of modern Venezuela. Students and interested readers will find engaging and authoritative overviews of the land, people, and history; religions; social customs; media; cinema; literature; performing arts; and art and architecture. This work successfully portrays the country's cultural richness and diversity. Influences from the United States are inescapable, especially in Caracas, but many distinctive traditions are continued throughout the country, varying from region to region. Religious rituals and numerous festivals that take place in towns and villages and the vibrant music scene, all major expressions of the nation's social and cultural life, are just some of the highlights found herein. Numerous photos give witness to Venezuela's diverse culture and a chronology, and glossary supplement the text.
