And when she finds out the intruder is fellow apprehension agent Diesel, six feet of hard muscle and bad attitude whom she hasn't seen in more than two years, she still thinks the gun might come in

handy. Turns out Diesel and Stephanie are on the trail of the same fugitive: Oswald Wednesday, an international computer hacker as brilliant as he is ruthless. Game On Laura Silverman, 2022-01-18 A charming and inclusive YA anthology all about games—from athletic sports to board games to virtual reality—from editor Laura Silverman and an all-star cast of contributors. From the slightly fantastical to the utterly real, light and sweet romance to tales tinged with horror and thrills, *Game On* is an anthology that spans genre and style. But beneath each story is a loving ode to competition and games perfect for anyone who has ever played a sport or a board game, picked up a video game controller, or rolled a twenty-sided die. A manhunt game is interrupted by a town disappearing beneath the players' eyes. A puzzle-filled scavenger hunt emboldens one college freshman to be brave with the boy she's crushing on. A series of summer nights full of card games leads a boy to fall for a boy who he knows is taken. And a spin the bottle game could end a life-long friendship. Fifteen stories, and fifteen unforgettable experiences that may inspire readers to start up that *Settlers of Catan* game again.

Game On Emmitt Smith, 2011-08-25 Emmitt Smith, the NFL's all-time leading rusher of the Dallas Cowboys, *Dancing with the Stars* champion, and successful real-estate investor, outlines the principles that helped him become a winner on and off the football field. Game On Tracy Solheim, 2013-05-07 In the first irresistible sports romance in the *Out of Bounds* series, the only way to win is to score... With a reputation for fast moves on the gridiron and even faster moves off the field, Shane Devlin was a player in every sense of the word. Unfortunately, his bad-boy persona has made him a risky prospect as a quarterback, and only the Baltimore Blaze are willing to give him a chance. And he's about to take a hit he never expected. Working for the Blaze, Carly March knows too well how jocks think—and what they think with—so she's always made a point of keeping them at arm's length. But when she shares a kiss with the devilishly handsome Shane, she finds it hard to play by her own rules—and even harder to resist him. Can a football hero and a business-minded beauty take it all the way? Or will their mutual attraction cost them the big game?

Game On! Kevin Bell, 2018 Following on the enormous growth and reach of computer gaming, most recently on mobile devices, and because of faculty members' desire to connect with millennials, online games have made their way into college classrooms. As part of our Tech. EDU series, this book focuses on how games are being used in college and what that might say for higher education today. Kevin Bell has assembled a book made up of a series of case studies, wherein faculty pilot games and game-derived techniques in college and university classes. He uses these examples to ground a practical discussion of gaming and gamification best practices, prefaced by a wide-ranging introduction to the topic in the broader context of computer-mediated teaching and learning--

Game On Devon McCormack, Riley Hart, 2019-10-09 CARTER Relationships--who needs 'em? As a personal-assistant-extraordinaire to one of the top PR

firms in Los Angeles, I've dedicated most of my life to errand-running and people-pleasing. But when it comes to men, as much as I love to please them in the bedroom, I'm way too busy to give more than that. Fortunately, as far as my options go...well, let's just say I'm used to getting what I want, whenever I want it. Unless your name happens to be Sawyer Burke. I haven't been in Fever Falls long, but the more time I spend here, the more intrigued I've become by the guy with the sexy auburn locks and the no-nonsense attitude. He plays the quiet, bookish part well, but he's got a problem--I have a talent for reading people, and if there's one thing I'm certain about, it's that there's a wild sex-beast hiding under his clever facade. He thinks screwing around is all a big game to me, but games can be fun, right? SAWYER I've always been a relationship guy. I never understood the urge to bed a different guy every night. But it hasn't worked out well for me. The one time I let my guard down with a guy, he crushed me. Broke me. That's not something I'm eager to risk again, so I focus on my friends, my brother, and my bookstore. Really, it's better for me. I'm not the kind of guy most men want anyway. Unfortunately, I can't get Carter James out of my head. I told myself I hate him--and I should. He's everything I'm not--loud, sassy...and more than a little annoying. But I want him too, and he's made no secret of wanting me. I refuse to get caught up in one of his games, but I'm also learning there's more to Carter than meets the eye. He unleashes something inside me I never knew was there--this dominant sex-god that somehow makes me feel more like me than I ever have. I can't let myself fall in love with him. Easier said than done. Carter challenges me in ways I didn't know I needed. What we share becomes a game of sorts, but not the kind I first thought, and the longer we play, the more likely it is that the losers will be our hearts. We should stop. We should know better. But even if there's the unlikeliest chance that we might win--well, then--GAME ON. Game On is part of the Fever Falls series but can be read and enjoyed on its own.

Game On Melanie Spring,2013-09-03 Welcome to the world of high school cheerleading. When newcomer Devin Isle arrives on the scene, she unwittingly shakes up the girls' tight friendship and rattles Chloe's confidence. But with regional competitions right around the corner, this is no time for the squad to fall apart. Building a human pyramid takes teamwork, after all!

Game On Susan F. Paterno,2021-06-15 Director of the Chapman journalism program—and mother of four recent college grads—Susan F. Paterno leads you through the admissions process to help you and your family make the best decision possible. How is it possible that Harvard is more affordable for most American families than their local state university? Or that up to half of eligible students receive no financial aid? Or that public universities are rejecting homegrown middle- and working-class applicants and instead enrolling wealthy out-of- state students? College admission has escalated into a high-stakes game of emotional and financial survival. How is the deck stacked against you? And what can you do about it? Susan F. Paterno, a veteran academic and journalist, answers these questions and more in Game On. Paterno helped her four very different kids navigate the application process to a wide range of colleges, paying for their four-year educations on a finite budget. She incisively decodes the college admission industry—the consultants, the tutors, the rankers, the branding companies hawking “advantage”—and arms you with the knowledge you need to make the system work for you. You’ll learn how to narrow your focus,

analyze who gets in and why, and look for the right financial fit before considering anything else, including geography, reputation, and, especially, ranking. Among the tools and insights in *Game On*: · Why forty years of failed free-market policies have led to skyrocketing tuition and historic levels of student debt · Why applying to college has become a bewildering maze and how to find your way to a successful result · Why college costs are more terrifying than you think · How to read beyond the rack rate to negotiate the best financial package with the least debt · Why merit is a myth, but merit aid is essential · The difference between family debt and student debt and how to split it A playbook for the Hunger Games of higher education, *Game On* explains the anxiety, uncertainty, and chaos in college admission, explodes the myth of meritocracy, exposes the academy's connection to America's widening gap between rich and poor, and provides strategies to beat—and reform—a broken system.

Game On! Dustin Hansen, 2016-11-22 Find out about the fast and furious growth and evolution of video games (including how they are quickly taking over the world!) by looking at some of the most popular, innovative, and influential games ever, from Pong, the very first arcade game ever, to modern hits like *Uncharted*. Learn about the creators and inspiration (Mario was named after Nintendo's landlord after he barged into a staff meeting demanding rent), discover historical trivia and Easter eggs (The developers of *Halo 2* drank over 24,000 gallons of soda while making the game), and explore the innovations that make each game special (The ghosts in *Pac-Man* are the first example of AI in a video game). Whether you consider yourself a hard-core gamer or are just curious to see what everyone is talking about, *Game On!* is the book for you!

Game On Victoria Denault, 2017-10-10 I don't break hearts. I break headboards . . . When it comes to scoring in the pro hockey league, Alex Larue is crushing it—with the hot puck bunnies. He's the life of the party, the guy with all the jokes . . . and the one whose Party Guy mask keeps the real him well hidden. The last thing he needs is anyone finding out about his troubled past, or the nightmares that haunt him still. Brie Bennett is less than impressed by Alex from the moment she meets him. And even though he insists on volunteering at the charity she runs, she doesn't trust him. He's hiding something...but so is she. She's not just the rich, privileged New York princess he thinks she is. The animosity between them is undeniably addictive and as their worlds keep colliding it becomes supercharged with something else - attraction. But if they stop playing games and let each other in, they both might lose.
