Cyrenus Osborne Ward

STARZ Spartacus Antony Augoustakis, 2016-11-16 Gladiator, rebel slave leader, revolutionary: the figure of Spartacus frequently serves as an icon of resistance against oppression in modern political movements, while his legend has inspired numerous receptions over the centuries in many different media. With its visually excessive style of graphic sex and CGI-enhanced violence, the four seasons of the premium cable television series *STARZ Spartacus* tells the story of the historical Thracian gladiator who led a slave uprising against the Roman Republican army from 73 to 71 BC. *STARZ Spartacus: Reimagining an Icon on Screen* is the first scholarly volume to explore the entirety of this critically acclaimed and commercially successful drama series. This new volume brings together pioneering and provocative essays written by an international cast of leading classical scholars and experienced media critics. Turning a sharp eye on the series' historical framework, visual and narrative style, thematic overtones, and interaction with contemporary popular culture, this volume also engages with the authenticity of the production and considers its place in the tradition of epic films and television series set in ancient Rome. At once both erudite and entertaining, *STARZ*

Spartacus: Reimagining an Icon on Screen is an invaluable resource for both students and scholars eager to confront a new Spartacus, as the hero of the slave revolt is recast for a twenty-first century audience.

Astral Empire Strachan Coutinho, 2022-12-16 In the 1st century AD, Rome is a superpower with a vast empire, countless military victories and numerous enemies. But it is about to face its greatest threat yet: an invading species from another galaxy, known as the Hagrans. This race of beings has been observing Earth for decades and is more advanced than any adversary Rome has ever encountered. With their eyes set on eventually claiming Earth as their prize, they invade Rome and enslave its citizens, using them to transform the city into a Hagan capital, with the intent of decimating all the humans on Earth once they have fulfilled their purpose. But the Hagrans underestimated the resolve and ingenuity of their prey. Now the fate of Rome and of the world, lies with an unlikely hero: an ordinary blacksmith, named Gannicus. Blending science-fiction, historical fact and inventive creativity,

Astral Empire is a thrilling, action-packed saga that will take you on a wild journey to brave new worlds.

TV antiquity Sylvie Magerstädt, 2019-03-14 TV antiquity explores representations of ancient Greece and Rome throughout television history. The first comprehensive overview of the ‘swords and sandals’ genre on the small screen, it argues that these shows offer a distinct perspective on the ancient world. The book traces the historic development of fictional representations of antiquity from the staged black-and-white shows of the 1950s and 1960s to the most recent digital spectacles. One of its key insights is that the structure of serial television is at times better suited to exploring the complex mythic and historic plots of antiquity. Featuring a range of case studies, from popular serials like *I, Claudius* (1976) and *Rome* (2005–8) to lesser known works like *The Caesars* (1968) and *The Eagle of the Ninth* (1976), the book illustrates how broader cultural, political and economic issues have over time influenced the representation of antiquity on television.

Spartacus Lewis Grassic Gibbon, 2021-11-15 A Simon & Schuster eBook. Simon & Schuster has a great book for every reader.

The Ancient Lowly Cyrenus Osborne Ward, 1888

Spartacus: The Gladiator Ben Kane, 2012-06-05 Gritty,
passionate and violent, this thrilling book is a real page-turner and a damn good read. It brings Spartacus—and ancient Rome—to vivid, colorful life. —Steven Pressfield, author of *Gates of Fire* Long the stuff of legends, Spartacus is known to most modern readers through the classic Kubrick film version of Howard Fast's novel. Now bestselling historical novelist Ben Kane returns to the source material and presents a lively and compelling new vision of the man who was Spartacus—Roman army auxillary, slave, gladiator and ultimately the leader of an army of slaves who nearly brought Rome to its knees. Ben Kane's brilliant novel begins in the Thracian village to which Spartacus has returned after escaping from life as an auxiliary in the Roman army. Jealous of his attachment to Ariadne, a Dionysian priestess, the Thracian king betrays Spartacus to the Romans who take him, along with Ariadne, into captivity and to the school of gladiators at Capua. Against the background of the unbelievable brutality of gladiatorial life, Spartacus and Crixus the Gaul plan the audacious overthrow of their Roman masters. They escape and flee to Vesuvius, where they recruit and train an army of escaped slaves that will have to face the conquerors of the known world, the most successful

deadly army in all of history in a battle that will set in motion the legend that is Spartacus.

The Risen David Anthony Durham, 2017-04-18 It is one of the most storied uprisings of classical times. Spartacus, the visionary captive and gladiator, used his toughness and charisma turn a prison break into a revolt that would threaten the Roman empire. Now, with verve and intelligence, David Anthony Durham brings us a thrilling retelling that gives voice not only to Spartacus himself, but also Astera, Spartacus's oracle consort; Nonus, a Roman soldier working both sides of the conflict; Laelia and Hustus, two slave children drawn into the ranks of the rebellion; Kaleb, secretary to the Roman senator and commander saddled with the task of quashing the insurrection; and many others in a vast spectacle of bloodshed, heroism, and treachery.

Spartacus in the Television Arena Michael G.

Cornelius, 2015-03-13 Spartacus, the Thracian gladiator turned rebel leader, endures as a near-mythic hero who fought for the oppressed against a Roman oligarchy built on the backs of slave labor. The image of Spartacus as a noble if doomed avenger is familiar and his story has been retold through history as a cautionary tale about social injustice. The television series

Spartacus takes a different view, with a violent depiction of the man and his times and a focus on the archetype of the gladiator—powerful, courageous and righteous. This collection of new essays studies the series as an exploration of masculinity. In the world of Spartacus, men jockey for social position, question the nature of their lives, examine their relationships with women and with each other, and explore their roles in society and the universe. The series also offers a compelling study of the composite nature of historical narrative in television and film, where key facts from original sources are interwoven with period embellishments, presenting audiences with a history and a fiction whose lines remain blurred by a distant yet all-too-familiar past.

Spartacus: Rebellion Ben Kane, 2013-05-14 After the unlikely defeat of the forces of Gaius Cassius Longinus, former slave Spartacus and his commanders find their plan to return home challenged by the defection of an ally and the raising of a massive army in Rome to end the rebellion.

Spartacus James Leslie Mitchell, 2019-08-15 The central character is not Spartacus himself, but Kleon, a fictional Greek educated slave and eunuch who joins the revolt. In the first chapter we are told how he was sold into slavery as a child and sexually

abused by an owner. Another important character is Elpinice, a female slave who helps Spartacus and his fellow gladiators escape from Capua, and who becomes Spartacus's lover. She gives birth to a son, but while Spartacus is fighting elsewhere she is raped and murdered by soldiers, and the child is also killed. The novel touches on Gibbon's views on human history, with Spartacus seen as a survivor of the Golden Age.

Alba Nichelle Kovacheff, 2023-02-08 Alba is born into one of Rome's great noble houses. An incident leaves her stranded and in the care of a Thracian family. Years later, she is forcibly taken back to Rome to live with her aunt and uncle but is never accepted as one of the elites. Treated as a tainted outsider by everyone except the cunning, yet charming, Julius Caesar, a fateful event reunites her with her beloved childhood friend Alex. Alba is overjoyed until she realizes that Alex has become a hardened warrior, the leader of the slave revolt and the man people fear—Spartacus. Now, she must decide whether to join him in the hopes of reconnecting with the boy she once loved or stay in the luxurious Roman world of lies and deceit.

Invictus (Eagles of the Empire 15) Simon Scarrow, 2016-11-17
IF YOU DON'T KNOW SIMON SCARROW, YOU DON'T KNOW

ROME! The Sunday Times bestseller. INVICTUS is a gripping, authentic and exciting novel of the Roman army from bestselling author Simon Scarrow. Not to be missed by readers of Conn Iggulden and Bernard Cornwell. It is AD 54. The soldiers of the Roman army patrol a growing Empire, from the Mediterranean to the North Sea, from the Atlantic to the banks of the Nile. Rome brutally enforces its rule, and its legions are the most efficient and aggressive fighting force in the world. Two battle-scarred veterans of this army, Prefect Cato and Centurion Macro, have survived years of campaigning in Britannia and have been recalled to Rome. Their time in the teeming, dangerously political city is short, and soon they are travelling with the Praetorian Guard to Spain, a restless colony where simmering tension in the face of Roman rule is aggravated by bitter rivalry amongst the natives. The challenges that face two old friends and their comrades in arms are unlike any they have seen before - in a land that declares itself unconquerable...

Atilus the Gladiator E. C. Tubb, 2013-08-05 From the cold, misty shores of Britain, which the Emperor Claudius had invaded, Atilus Cindras was taken as a boy slave to work and fight for the greater glory of the Roman Empire. Eventually, he was sent to a

gladiator school, and there trained to fight--and perhaps die--in the arena. But Atilus survives the years of decadent slaughter, and gradually gains power and riches as he navigates through the steamy politics of ancient Rome under the Emperor Nero. But Nero is a spoiled, selfish ruler who is forever seeking the favor of the Roman masses. And when he decides to appease the people's lust for something new and original in the ring, he picks Atilus to train the first troupe of female gladiators. Little does Atilus know, however, that he's being played, both by the Emperor and by his cronies--just a little joke: a second troupe of female fighters to be pitted against the twenty women that Atilus is managing. And if Atilus loses, he'll be made a slave once more! The second novel in the Atilus Saga features more rousing action and political intrigue by a master storyteller!

Are You Not Entertained? Lindsay Steenberg, 2020-10-29

Anglo-American culture is marked by a gladiatorial impulse: a deep cultural fascination in watching men fight each other. The gladiator is an archetypal character embodying this impulse and his brand of violent and eroticised masculinity has become a cultural shorthand that signals a transhistorical version of heroic masculinity. Frequently the gladiator or celebrity fighter - from the

amphitheatres of Rome to the octagon of the Ultimate Fighting Championships - is used as a way of insisting that a desire to fight, and to watch men fighting, is simply a part of our human nature. This book traces a cultural interest in stories about gladiators through twentieth and twenty-first-century film, television and videogames.

Spartacus Howard Fast, 2015-04-15 The best-selling novel about a slave revolt in ancient Rome and the basis for the popular motion picture.

Badass Braids Shannon Burns, 2018-04-10 Recreate the braids, buns, and twists of your favorite historical, sci-fi, and fantasy heroes and heroines with Badass Braids. Step-by-step, illustrated instructions show you how to make the hairstyles from Game of Thrones, The Hunger Games, Star Trek, Star Wars, The Legend of Zelda, Vikings, The Lord of the Rings, and more. Author Shannon Burns runs the hugely popular YouTube channel Silvousplaits, where she showcases DIY hair art that mimics the hairstyles of valiant men and women in the best historical, sci-fi, and fantasy shows and movies. In Badass Braids, Shannon shows you how to transform your hair with hard-core braids, step by step. The book covers 45 different braids and styles from a full spectrum

of fantasy worlds (and galaxies), from ancient adversaries and viking warriors to romantic renegades and sci-fi heroines. With an introduction to the styling techniques for different kinds of basic braids, interviews with behind-the-scenes stylists and actors, and original styles inspired by fan-favorites, you will learn to recreate the hairstyles of: Katniss Everdeen (The Hunger Games: Mockingjay) Anne Boleyn (The Tudors) The Norse king Ragnar Lothbrok (Vikings) Daenerys Targaryen (Game of Thrones) Diana Prince (Wonder Woman) Lizzy Bennet (Pride and Prejudice) And many more Badass Braids is the perfect gift for geeky men and women of all ages!

Spartacus Ben Kane, 2014-03-26 Spartacus en zijn slavenleger zijn de schrik van de Romeinen. Ze banen zich op gewelddadige manier een weg naar de Alpen, waar ze vrij zullen zijn. Maar de tegenstand wordt steeds sterker. Crassus, de rijkste man in Rome, ziet zijn naam graag verbonden aan de overwinning op deze legendarische tegenstander. Daarom heeft hij een leger samengesteld met Rome's dapperste krijgers. Spartacus ziet zijn leger juist steeds zwakker worden. Helemaal als Crixus de Galliër, zijn medeaanvoerder, overloopt en zijn hele gevolg met zich meeneemt. De onvrede onder de soldaten neemt toe. Spartacus

staat voor een belangrijke beslissing. Vervolgt hij zijn weg naar de Alpen of zal hij de strijd aangaan met het machtige Rome? De opstand is het tweede deel van een adembenemende trilogie over de slavenopstand die Rome op zijn grondvesten deed schudden.

Godsgrave Jay Kristoff, 2017-09-05 The second thrilling installment of the award-winning *Nevernight Chronicle*, from New York Times bestselling author Jay Kristoff. In a land where three suns almost never set, a ruthless assassin continues her quest for vengeance against the powers who destroyed her family. Mia Corvere has found her place among the Blades of Our Lady of Blessed Murder, but many in the Red Church hierarchy think she's far from earned it. Plying her bloody trade in a backwater of the Republic, she's no closer to ending the men who destroyed her familia; in fact, she's told directly that Consul Scaeva is off limits. But after a deadly confrontation with an old enemy, Mia's suspicions about the Red Church's true motives begin to grow. When it's announced that Scaeva will be making a rare public appearance at the conclusion of the grand games in Godsgrave, Mia defies the Church and sells herself to a gladiatorial collegium for a chance to finally end him. Upon the sands of the arena, Mia finds new allies, bitter rivals, and more questions about her strange

affinity for the shadows. But as conspiracies unfold within the collegium walls, and the body count rises, Mia will be forced to choose between love and revenge, and uncover a secret that could change the very face of her world.

numerous advantages over physical copies of books and documents. Firstly, it is incredibly convenient. Gone are the days of carrying around heavy textbooks or bulky folders filled with papers. With the click of a button, you can gain immediate access to valuable resources on any device. This convenience allows for efficient studying, researching, and	reading on the go. Moreover, the cost-effective nature of downloading Gannicus has democratized knowledge. Traditional books and academic journals can be expensive, making it difficult for individuals with limited financial resources to access information. By offering free PDF downloads, publishers and authors are enabling a wider audience to	benefit from their work. This inclusivity promotes equal opportunities for learning and personal growth. There are numerous websites and platforms where individuals can download Gannicus. These websites range from academic databases offering research papers and journals to online libraries with an expansive collection of books from various genres. Many authors and

downloading from. In conclusion, the ability to download Gannicus has transformed the way we access information. With the convenience, cost-effectiveness, and accessibility it offers, free PDF downloads have become a popular choice for students, researchers, and book lovers worldwide. However, it is crucial to engage in ethical downloading practices and

prioritize personal security when utilizing online platforms. By doing so, individuals can make the most of the vast array of free PDF resources available and embark on a journey of continuous learning and intellectual growth.

FAQs About Gannicus Books

How do I know which eBook

platform is the best for me? Finding the best eBook platform depends on your reading preferences and device compatibility. Research different platforms, read user reviews, and explore their features before making a choice. Are free eBooks of good quality? Yes, many reputable platforms offer high-quality free eBooks, including classics and public domain works. However,

make sure to verify the source to ensure the eBook credibility. Can I read eBooks without an eReader? Absolutely! Most eBook platforms offer webbased readers or mobile apps that allow you to read eBooks on your computer, tablet, or smartphone. How do I avoid digital eye strain while reading eBooks? To prevent digital eye strain, take regular breaks, adjust the

font size and background color, and ensure proper lighting while reading eBooks. What the advantage of interactive eBooks? Interactive eBooks incorporate multimedia elements, quizzes, and activities, enhancing the reader engagement and providing a more immersive learning experience. Gannicus is one of the best book in our library for free trial. We provide copy of

Gannicus in digital format, so the resources that you find are reliable. There are also many Ebooks of related with Gannicus. Where to download Gannicus online for free?
