Garth Miles: When a Genius Makes a Mistake 4

Garth Garth Miles, 2021-08 After struggling her way through university, Mina Harlow, a top tier graduate (and literal genius), with the aspiration of lifting her family out of poverty, was still living in the slums, taking odd jobs to earn a living. All of her hard work had been for nothing and her life is cast into turmoil because she offended the wrong Miss from a prominent family. Desperate to for her next source of income, Mina aligns herself with the wrong people, and finds herself amid several conspiracies that keep becoming more and more confounded by misunderstandings. She is mistaken for a spy, by one of the most influential families in the country and held captive as the confusion, mishaps and misunderstandings build up all around her. Under the extreme circumstance, Mina is thrown into despair, hatred and love all that the same time, but will the experience break her or make her 'better?' (This story is set in a fictional, modern day patriarchal society on the brink of a shift public opinion on the 'role' of the woman.) Excerpt: Why are you crying? Because I'm stupid, Mina replied. The man laughed sarcastically. I disagree. I think you are a very smart girl. Being smart does not mean you can not be stupid. Who told her she was a genius anyway?

DeadStar Nick Griffiths, 2022-01-25 What's it like to reach for the stars, but end up floating in a tin can? Garth Tyson wanted to be the next David Bowie. He fell short. Waaaay short. Burnt out, he fled the stage at Glastonbury '85, having been pelted with mud, and was never seen again. You're familiar with the stars of this era: the Adam Ants, Duran Durans and Depeche Modes - musicians who successfully navigated punk and New Wave to become icons. Bet you've never heard of Garth Tyson - singer, brother, dreamer. Stallholder. That's why we're here. Decades after Garth's disappearance, former bandmates, friends, relatives, lovers, music-biz execs and two fans (you try finding more) reunite to tell Garth's compelling, tragicomic tale. Can any shed light on

what really happened to him? Not everyone appears willingly. Here's Garth's 80-year-old mother, Doreen Thyssen: 'I don't like people who dig dirt. Fuck off.' The charmer. Loved Daisy Jones? Try this perfectly squalid British version.

A Statistical History of Rugby League - Stephen Kane,2013-05-31 The "Greatest Game of All" or Rugby League as it is known to some has given me nearly a half a century of pleasure and a little pain. In 1966 at the ripe old age of 6 I was introduced to our game when my Uncle Harry moved into the bedroom I shared with my younger brother in a 2 bedroom fibro joint in Rockdale(Dragon Territory). Harry was playing lower grades for Jack Gibson's Roosters and went on to play for St George in the 1971 Grand Final against my other front row mate John Sattler and his Rabbitoh's. By the age of 9 I had memorized every player in the Big League magazine. The game became my obsession. Even if I had not been lucky enough to play over 100 games in the best competition in the world(arguably in any sport) Rugby League was in my blood. As a Rothmans Medal winner (the official player of the year award in 1983 succeeded by The Dally M Medal) I have always been aware of the history of our great game and its effect on society especially in the northern states of Australia. Apart from obtaining a Law degree at

Sydney University I studied the Politics in Sport while completing my Arts Degree at Macquarie University. I believed our game was ahead of sports like baseball, gridiron and basketball that relied heavily on statistics to rate their great players. Ours is a game of passion made for the blue collar working classman relying on guts and determination not on how many yards and minutes someone makes or plays. However as we get older we all like to dig deep into history and see who had the ability and drive to play even one game in the toughest competition playing the greatest game of all. This book does what none other has attempted to do—tell a story using numbers and statistics about our great game. It is something every player and fan would do well to study. Stephen Kane the author of this book could be a reincarnation of Stephen Harold Gascoigne, better known as Yabba whose statue stands proudly at the Sydney Cricket Ground. Yabba was known for his knowledgeable witticisms shouted loudly from “The Hill”, a grassy general admissions area of the SCG. A lot like Yabba “Kaney” can be found every winter Sunday on the hill at Greenfield Park Albury (or away in Junee, Temora or Wagga) cheering his beloved Thunder to victory in the Group 9 Premiership loudly and clearly from 10 am to 5.30pm. In his spare time since breaking his back 7 years ago he has collected statistics on players in the NSWRL (now known as the NRL) dating back to 1908. The first words Kaney said to me was “I have every Rugby League Week ever published” as he showed me his “EELS tattoo”. “You got sin binned once in your career at North Sydney Oval in 1983 or was it 1984?” I knew I was in the company of a Rugby League tragic. This study of our game will help all of us who love the game and those of us lucky enough to have played it a better insight into the players of the greatest game of all from the top to the bottom. Written by Mike Eden, who

played 110 Games for Manly, Easts, Parramatta and Gold Coast, is Gold Coast Player Number 1, and Won the Dally M award for Player of the Year in 1983

Julian Hawthorne Gary Scharnhorst, 2014-04-15
Julian Hawthorne (1846-1934), Nathaniel Hawthorne's only son, lived a long and influential life marked by bad circumstances and worse choices. Raised among luminaries such as Thoreau, Emerson, and the Beecher family, Julian became a promising novelist in his twenties, but his writing soon devolved into mediocrity. What talent the young Hawthorne had was spent chasing across the changing literary and publishing landscapes of the period in search of a paycheck, writing everything from potboilers to ad copy. Julian was consistently short of funds because--as biographer Gary Scharnhorst is the first to reveal--he was supporting two households: his wife in one and a longtime mistress in the other. The younger Hawthorne's name and work ethic gave him influence in spite of his haphazard writing. Julian helped to found *Cosmopolitan* and *Collier's Weekly*. As a Hearst stringer, he covered some of the era's most important events: McKinley's assassination, the Galveston hurricane, and the Spanish-American War, among others. When Julian died at age 87, he had written millions of words and more than 3,000 pieces, out-publishing his father by a ratio of twenty to one. Gary Scharnhorst, after his own long career including works on Mark Twain, Oscar Wilde, and other famous writers, became fascinated by the leaps and falls of Julian Hawthorne. This biography shows why.
