God of the Sullied Gaurav Sharma, 2018-09-01 A scion of the Ikshvaku dynasty took birth in Kali Yuga, who would later be tested by Kismet and Karma. Right from being deemed as 'sullied' and out-casted by his villagers to meeting good people of the kingdom of Rudraputra and making friends, there was a kaleidoscopic shift, albeit a harsh one, in the life of the protagonist, Eklavya. There comes the point when he hit a low period in life and no longer cares whether there's light at the end of the tunnel. Did he thrive regardless of adversities or did he succumb to the darkness within and

outside? Only the 'God of the Sullied' would know! **PRAISE FOR 'GOD OF THE SULLIED** 'Fast-paced, intriguing and engaging, this story is a complete page-turner.' - The New Indian Express 'It is not often that writers manage to make the mythic interesting in modern times. Sharma's 'God of the Sullied', excels in bringing a paced narrative that compels readers to leaf through the pages till the very end. It's a sure shot page-turner.' - Deccan Chronicle 'A classic, timeless work that sheds light on the ancient Indian philosophy and history. It's a gripping tale that is laced with freshly brewed twists and turns that keep the reader hooked till the last page.' - United News of India 'A fascinating foray into loss, grief, deception and self-identity in a real and raw fashion. A fiction thriller so gripping in its action and so convincing in its accuracy that arithmetic appears gloomy.' - Femonomic.com 'God of the Sullied will take you down a rollercoaster ride as the pages reveal the simplistic mystery enhanced by Sharma's engaging writing style.' - StarWords India

My Father, the Watchmaker Gaurav Monga, 2020-10-29 This collection of short tales, more than anything else, expresses the author's love and admiration for his father. At the same time, it is his family chronicle but a fantastic one, full of lies. It is also a story of two cities that, as Gaurav Monga says, often look like one.

Fiction as History Vasudha Dalmia, 2019-08-01 Explains the Hindi novel's role in anticipating and creating the story of middle-class modernity and modernization in North India. Vasudha Dalmia offers a panoramic view of the intellectual and cultural life of North India over a century, from the aftermath of the 1857 uprising to the end of the Nehruvian era. The North's historical cities, rooted in an Indo-Persianate culture, began changing more slowly than the Presidency towns founded by the British. Dalmia takes up eight canonical Hindi novels set in six of these cities—Agra, Allahabad, Banaras, Delhi, Lahore, and Lucknow—to trace a literary history of domestic and political cataclysms. Her exploration of the emerging Hindu middle classes, changing personal and professional ambitions, and new notions of married life provides a vivid sense of urban modernity. She argues that the radical social transformations associated with post-1857 urban restructuring, and the political flux resulting from social reform, Gandhian nationalism, communalism, Partition, and the Cold War shaped the realm of the intimate as much as the public sphere. Love and friendship, notions of privacy, attitudes to women's work, and relationships within households are among the book's major themes.
