Long Live the Sullied Gaurav Sharma,2020-01-01 There's an eerie deafening silence in the royal palace of Rudraputra, scorned by multiple layers of armed guards. Someone knows something, something that no one is supposed to find out. Going back in the gallows of time, what if Eklavya was not the chosen one at Gurukul? Is there an alternative to the past? Am I ready? I don't want to lose! Victory is the only option! I will snatch it if I must. Either I'll win, or I'll do what no one would have imagined in their wildest dreams. Yes, I'll change the rules about how this game can be played. But is that enough? Physical superiority is not all I long, I want to rule people's mind, I need to know before it comes to me... Is it revenge he is looking for? Vengeance is a parasite. It lurks onto you, and it grows, feeds on your body, your soul, and ultimately it becomes you! Long Live the Sullied marks a deeper dive into the epic story, debunking mysteries of God of the Sullied that left you astonished. **\*\*PRAISE FOR 'LONG LIVE THE SULLIED\*\*** 'An enthralling read that leaves you wanting more.' - United News of India

**God of the Sullied** Gaurav Sharma,2018-09-01 A scion of the Ikshvaku dynasty took birth in Kali Yuga, who would later be tested by Kismet and Karma. Right from being deemed as 'sullied' and out-casted by his villagers to meeting good people of the kingdom of Rudraputra and making friends, there was a kaleidoscopic shift, albeit a harsh one, in the life of the protagonist, Eklavya. There comes the point when

he hit a low period in life and no longer cares whether there's light at the end of the tunnel. Did he thrive regardless of adversities or did he succumb to the darkness within and outside? Only the 'God of the Sullied' would know! **\*\*PRAISE FOR 'GOD OF THE SULLIED\*\*** 'Fast-paced, intriguing and engaging, this story is a complete page-turner.' - The New Indian Express 'It is not often that writers manage to make the mythic interesting in modern times. Sharma's 'God of the Sullied', excels in bringing a paced narrative that compels readers to leaf through the pages till the very end. It's a sure shot page-turner.' - Deccan Chronicle 'A classic, timeless work that sheds light on the ancient Indian philosophy and history. It's a gripping tale that is laced with freshly brewed twists and turns that keep the reader hooked till the last page.' - United News of India 'A fascinating foray into loss, grief, deception and self-identity in a real and raw fashion. A fiction thriller so gripping in its action and so convincing in its accuracy that arithmetic appears gloomy.' - Femonomic.com 'God of the Sullied will take you down a rollercoaster ride as the pages reveal the simplistic mystery enhanced by Sharma's engaging writing style.' - StarWords India

*Mumbai Underdog* Gaurav Garg,2024-02-26 From the depths of Mumbai's slums, a boy named Arjun dared to dream. He wouldn't just survive; he would rise. Cunning would be his weapon, the city's corrupt heart his battlefield. He vowed to shatter the old order, to become the master, not the pawn. Yet, the path to power is paved with ambition's ashes. Alliances twist and betrayals bloom amidst the chaos. Arjun's enemies multiply: ruthless gangsters, the remnants of a shattered Syndicate, and a cold-blooded Russian mafia seeking to sink its claws into the city's misery. Blood will flow. Ideals will crumble. In this desperate underworld war, Arjun will become the monster he once despised, or a forgotten corpse in the gutter. Mumbai demands a ruler, be it a tyrant or a tombstone. One question burns: Will Arjun ignite the city in his relentless climb, or will the flames of his ambition consume him entirely?

**Untouchable Castes in India** Shyamlal,2006 The emergence of the untouchables on the socio-political scene is one of the significant events of the twentieth century India. This pioneering study traces the history of this phenomenon in the form of the rise of the Raigar community as a socio-political force from 1940 to 2004. Focusing on eight states of northern India - Rajasthan, Delhi, Uttar Pradesh, Madhya Pradesh, Gujarat, Maharashtra, Haryana and Punjab, the author traces the genesis and development of the Raigar movement from its early days of self-reform through the successive agitations, formation of organisations and their active participation in freedom struggle. He also provides the traditional account of socio-religious, educational and economic disabilities imposed on untouchables in a traditional Hindu society. The author

analyses the Dalit Movement as a part of broader socio-religious and educational reform movement. In this process, Raigars sought to transform their socio-economic life, while opposing the caste system. The book also discusses the gains and failures of the movement in the pre- and post-independence periods. This invaluable study will be of interest to political scientists, cultural historians, sociologists, activists and all those studying the grassroots efforts of the untouchables in a new social order.

The collection of empirical and field studies on issues of mental health, adoption, environment, governance, drug abuse, water & sanitation helps in not only understanding the existing and emerging areas of concern but is also a reflection on how governmental, non-governmental and particularly social workers can come together to provide the sustainable solutions for these challenges.
