Holiday Gay Maitland McDonagh,2018-12-24 There are gay holidays and then there are gay holidays, where the festivities are alive with romantic sparks; as we all know, love is a many-splendored thing. These original tales run the gamut, exploring both the champagne fizz of an unexpected flirtation to romance that's still smoking after all these years. Join us on a sleigh ride making stops from Mexico to Main Street and who knows... perhaps even your place. After all, you may not have heard everything about Santa coming down the chimney.

Pink Tourism Howard L. Hughes,2006-01-01 This book presents a detailed picture of gay and lesbian tourism from, primarily, a marketing perspective and examines how marketing activity engages with and affects social issues relating to homosexuality. It gives an overview of the nature of homosexuality and relevant issues that bear upon tourism and marketing. Topics covered include holiday profiles of both gay men and lesbians; supply of related holiday products; popular and non-popular destinations; tour operators and accommodation provision; tourism and sex and sexually transmitted infections; barriers and inhibitors to choice including host reactions; appropriate marketing strategies. The book locates gay and lesbian tourism and holiday marketing within a context of current issues such as citizenship, identity and consumerism, political activity and distraction, and contested space and de-gaying.

All I Want Is You Dj Jamison,2018-12-07 One kiss under the mistletoe destroyed a friendship. Will another Christmas kiss remake it into something better? Eli hasn't been home since he left at eighteen with a heart aching from his best friend's rejection and his father's intolerance. But when his father reaches out, Eli figures it's time to make peace with his family. He doesn't expect to come face-to-face with Turner too -- or to learn that the straight friend he'd foolishly loved is actually bisexual -- but once the shock wears off, he knows exactly what he wants for Christmas. Turner's life isn't everything he'd once planned, but he's happy to be the shoulder his loved ones lean on. They keep him busy, which is just as well since none of his dates have really clicked. He hasn't been able to connect with anyone the way he did with his former best friend. When Eli shows up for the holidays after years away, Turner doesn't know what hit him. But he knows one thing: This time, he wants to give Eli a reason to stay. All I Want Is You is a friends to lovers, second-chance romance with an HEA.

Eight Nights in December Keira Andrews,2018-03-15 Eight Nights in December: A Novella

Homo for the Holidays Mark A. Roeder,2010-10-31 Homo for the Holidays is a collection of mostly gay Christmas tales. In this collection are found stories of gay romantic love, the love between a father and his gay son, and old lovers returning from the beyond. There are stories within the pages about a magical Christmas tree that appears of its own accord every year, angels, ghosts, and a century-old hotel that miraculously reappears during the holiday season. Most of the stories are written for gay readers, but some are just cozy Christmas tales. There are stories in this volume for all true lovers of Christmas. So, grab a plate of Christmas cookies and a steaming cup of cocoa and sit down to enjoy this collection of most gay Christmas tales. Information on Mark's upcoming books can be found at markroeder.com and he can be reached directly at markaroeder@yahoo.com. Handmade Holidays 'Nathan Burgoine,2020-12-27 At nineteen, Nick is alone for the holidays and facing reality: this is how it will be from now on. Refusing to give up completely, Nick buys a Christmas tree, and then realizes he has no ornaments. A bare tree and an empty apartment aren't a great start, but a visit from his friend Haruto is just the ticket to get him through this first, worst, Christmas. A box of candy canes and a hastily folded paper crane might not be the best ornaments, but it's a place to start. A year later, Nick has realized he's not the only one with nowhere to go, and he hosts his first "Christmas for the Misfit Toys." Haruto brings Nick an ornament for Nick's tree, and a tradition--and a new family--is born. As years go by, Nick, Haruto, and their friends face love, betrayal, life, and death. Every ornament on Nick's tree is another year, another story, and another chance at the one thing Nick has wanted since the start: someone who'd share more than the holidays with him. Of course, Nick might have already missed his shot at the one, and it might be too late. Still, after fifteen Christmases, Nick is ready to risk it all for the best present yet.
