The Formal Kate Harmon,2008-11-13 As newly initiated Zeta Zeta Tau sorority sisters, Jenna, Roni, and Lora-Leigh are ready to tackle spring semester at LU—especially with Greek Week and the ZZT Formal to look forward to. Roni has taken on the role of Formal planner's assistant, and she wants to help make it the most romantic and beautiful ZZT event yet. But the Formal-planning is a challenge, and boyfriend Lance doesn't seem nearly as supportive as he should. . . . Lora-Leigh and Jenna are supportive, but Jenna has her own boyfriend worries. Could the Formal be the perfect opportunity to take her relationship with Tiger to the next level? While the ZZTs plan for Formal, Lora- Leigh is keeping a secret. A secret that could take her far away from LU—and her ZZT sisters—forever. Whatever the outcome, the semester at ZZT promises to be a time none of them will ever forget!

Nemesis Misha Glenny,2015-10-31 An explosive vision of contemporary Brazil's underbelly by one of our greatest investigative

reporters. This is a book about a man known as Nem; about Rocinha, the slum or “favela” he grew up in and came to run as a private fiefdom; about Rio, the beautiful but damned city that Rocinha exists in; and about the battle for Brazil. Nemesis pans in and out from the arc of Nem’s individual, astonishing trajectory to the wider story of the country that he exists in. It’s about drugs and gangs and violence and poverty. It’s about a man who made a terribly dangerous and life-altering decision for the best and most understandable of reasons. And it’s about the wider forces at work in a country that is in the world’s spotlight as never before and is set to stay there. Those forces include the evangelical church, bent police and straight police, drug lords, farmers, TV magnates, crusading politicians, and corrupt politicians. And what they are engaged in is nothing less than the battle for Brazil’s soul.

Murder in an Irish Village Carlene O'Connor, 2021-09-13 Murder has a way of killing business... In the small village of Kilbane, County Cork in Ireland, Naomi’s Bistro has always been warm and welcoming. Nowadays, twenty-two-year-old Siobhán O’Sullivan runs the family bistro named for her mother, along with her five siblings, after the death of their parents in a car crash almost a year ago. It’s been a rough year for the O’Sullivans, but it’s about to get rougher. One morning, as they’re opening the bistro, they discover a man seated at a table with a pair of hot pink barber scissors protruding from his chest. With the local garda suspecting the O’Sullivans, and their business in danger of being shunned, it’s up to Siobhán to solve the crime and save her beloved brood. A charming Irish village mystery, perfect for fans of Betty Rowlands and Dee Macdonald.

Theodor Fritsch Theodor Fritsch, 55 Club, 2013-07-19 Theodor Fritsch was, by far, one of the most influential men in the history of Germany's Third Reich. Fritsch, an initiate and founding member of the GermanenOrden, would lay the groundwork for the future 'Savior of Germany'. Nearly forgotten is his masterpiece, 'The Riddle of the Jew's Success', which is, one of the most comprehensive studies ever written pertaining to the Jewish question. Fritsch, speaking as a Christian, articulates the effects of Jewish influence so well that Allied soldiers were ordered to destroy all copies after the war. In 'Theodor Fritsch - Riddle of the Jew's Success', the authors not only present 'The Riddle of the Jew's Success', but also introduce the reader to the life and writings of one of the most dynamic and charismatic personalities in all of Germany.

Teacher Research in Language Teaching Simon Borg, 2013-03-28 Based on original research, this book explores the fundamental relationship between research and practice in English language teaching. *Teacher Research in Language Teaching* uses empirical evidence taken from an international survey of over 1,700 teachers and educational managers, over a period of six years. It examines their views of research, whether they read ELT research, and whether they do their own research. The author goes on to explore the process which teachers go through in learning to do research, and the research cultures within teaching institutions. The book concludes with a review of the key findings to emerge from the research and a discussion of strategies through which language teacher research engagement can be promoted more productively.
