Brave Deborah Duncan,2018-03-23 Hollywood's definition of bravery often centres on superheroes and death-defying feats, and the Bible also includes acts of incredible courage. However, these examples can often feel far from our day-today lives. In Brave, Debbie Duncan assures us that God's definition of courage is not limited to liberating a nation like Moses or fighting a giant like David. Indeed, facing everyday situations requires bravery. Perhaps you're facing redundancy, ill health, or strife in your family. Giving examples from her personal life. Debbie takes us on a journey that will help us endure the challenges that come our way with our heads held high. When Necessary Use Words Mike Pilavachi,Liza Hoeksma,2007-05-07 Deep down we know it: There has to be more than singing songs on Sunday morning, handing out tracts at work, or helping out at the soup kitchen. How do we integrate worship, evangelism, and justice into our lives as a whole, rather than compartmentalizing all three? Mike Pilavachi wants to see all three elements come together! With humorous prose and fascinating stories, he shows how the natural outflow of worship is telling people about Jesus, and compassionately helping them navigate the injustices of the world. We can't invite someone to church and ignore their physical needs; nor can

we give out food at the local church pantry and disregard people's spiritual hunger. Says Pilavachi: "A life of passionate worship means feeding the hungry, standing up for those who suffer injustice...We must preach the gospel at all times, speaking and acting out God's love to a hurt and broken world."

Shaken Worlds Gemma Johns, 2021-09-20 Melissa's world was shaken when her three children were taken by Child Services. A few suburbs away, a couple were excitedly preparing to become foster parents. Zara and Renee have been busily preparing their home and their lives to become mothers. Despite their preparation, their world is shaken by the arrival of their children. Their first placement, three siblings needing a loving home turn the couple into an instant family. But while the couple are rejoicing their new roles, Melissa is spiralling into depression she fears she'll never get out of. As Zara learns more about the children's background, she is touched by Melissa's story. In contrast, Renee has grown to become a fiercely protective stay-at-home-mother determined to do everything for the children, with no regard to their birth mother. As Zara's motivations for foster care shift, the couple find themselves battling with questions such as "Why are we doing this?", "What is the right thing to do?" and whether their relationship is as secure as they first expected. Could the very thing they thought might bring them even closer together actually tear them apart? Narrated by three voices—the birth mother, Melissa, and the two foster carers, Renee and Zara, *Shaken Worlds* is a novel about what it means to be a mother and the way three women view their role for the same three children.

Mujeres en las series Anabel Vélez, 2020-05-21 Leer Mujeres en las series es un magnífico ejercicio para reconocer los cambios sociales que han afectado a la mujer

en los últimos tiempos y ver en paralelo cómo ha sido esa evolución en la sociedad y en la pequeña pantalla. Desde los inicios de la televisión, las mujeres se han visto relegadas a papeles de madres, esposas, novias o hijas de algún hombre. Siempre como secundarias, como objeto de deseo, como compañeras del protagonista. Pero durante décadas han ido haciéndose un hueco, pasando de ser meras secundarias a protagonistas por derecho propio. Así pues, la lectura de este libro se convierte no solo en un ameno entretenimiento sino que sirve para establecer un debate sobre el papel de la mujer en la sociedad actual. Esa es, pues, la pretensión de Anabel Vélez, reconocida autora de libros que muestran cómo las mujeres han influido en la sociedad aportando su inteligencia, su espíritu combativo, su creatividad y sus planteamientos vitales para cambiar el desigual mundo en el que vivimos. • Principal sospechoso, Helen Mirren contra el sexismo de Scotland Yard. • Daenerys en Juego de tronos o la lucha por el poder. • Grace y Frankie, hay vida después de los 50 y de los 70 también. • Defred en El cuento de la criada, una mujer forzada a la esclavitud sexual. • The Good Wife, la buena abogada.
