The New Lloyd George and the Old E. Walter Walters,2012-08-01 Unlike some other reproductions of classic texts (1) We have not used OCR(Optical Character Recognition), as this leads to bad quality books with introduced typos. (2) In books where there are images such as portraits, maps, sketches etc We have endeavoured to keep the quality of these images, so they represent accurately the original artefact. Although occasionally there may be certain imperfections with these old texts, we feel they deserve to be made available for future generations to enjoy.

Old New England Traits George Lunt,2017-02-12 George Lunt (December 31, 1803 - May 17, 1885) was an American editor, lawyer, author, and politician. George's ancestor, Henry Lunt, was one of the original settlers of Newbury (1635). His grandfather's exploits with John Paul Jones were chronicled by James Fenimore Cooper. Life: George Lunt was born in Newburyport, Massachusetts on December 31, 1803. He attended Phillips Exeter Academy.He was graduated at Harvard College in 1824, with special distinction in Greek, studied law, and began practice in Newburyport in 1827. In earlier life Mr. Lunt was an active member of the Whig party, and in its interests was distinguished as a public speaker. On the dissolution of that party he became a Democrat. He was elected successively representative for Newburyport and senator from Essex County in the legislature, was an active member of the convention that nominated General Zachary Taylor for the presidency, and was appointed United States District Attorney for Massachusetts under Taylor's administration. He eventually resumed the private practice of his profession, devoting his leisure to literary pursuits. When the Whigs dissolved, he joined the Democrats. Prior to and during the Civil War he was editor of the Boston Courier in conjunction with George S. Hillard. He opposed policies which would estrange the South and defended slavery.When he returned to the practice of his profession, he appeared frequently in the state courts, and was counsel before congressional committees in reference to French claims, preparing a bill and efficiently pressing it for the action of congress. Mr. Lunt's later years were marked by labors in behalf of harbors of refuge, notably at Scituate, Massachusetts, on the south shore of Boston bay. By persevering effort he succeeded in securing very considerable appropriations from congress to this end. He was a man of firm convictions in both political and religious matters, and fearless and manly in their expression. As a writer his style was marked by strength, dignity, and grace. Lunt died in Boston on May 17, 1885.

Boundaries of Fiction George Levine,2016-04-19 How does Carlyle, Macaulay, Newman sustain the values of old traditions and at the same time meet the challenge of contemporary Victorian experience is the subject of Professor Levine's book. Like the novelists of the period upon whom they had great influence, these three writers were seeking stability and permanence in an age of tremendous change. They were trying to sustain the values and order of old traditions and at the same time meet the challenge of contemporary Victorian experience. How each one

met this challenge is essentially the subject of Professor Levine's book. The author begins with a close analysis of the style and structure of the writers' key works, essentially dissimilar in nature, then moves on to an exploration of what they had in common. Originally published in 1968. The Princeton Legacy Library uses the latest print-on-demand technology to again make available previously out-of-print books from the distinguished backlist of Princeton University Press. These editions preserve the original texts of these important books while presenting them in durable paperback and hardcover editions. The goal of the Princeton Legacy Library is to vastly increase access to the rich scholarly heritage found in the thousands of books published by Princeton University Press since its founding in 1905.
