The Many Lives of the Gerald The Gerald,2011-01

Bad Jews and Other Stories Gerald Shapiro,2004-01-01 Bad Jews and Other Stories is a nuanced and comic vision of life, love, and spiritual adventurism among the determinedly secular class of contemporary American Jews. Separated from the character-building hardships endured by their parents and grandparents, unable to find a faith of their own or for that matter to believe in much of anything at all, the characters of Bad Jews and Other Stories wander through the moral landscape of their lives in a loopy version of the Children of Israel's meandering way home. Along the way they suffer a range of antic, often absurd misadventures. And as often as not they find redemption as well as disaster.

**From Hunger** Gerald Shapiro,1993 Realize that meaning isn't always revealed in dramatic moments, but rather in far more puzzling ways. Lenny Schrank is inexplicably drawn to the city of his father's youth in The Community Seder, where he happens upon a mysterious synagogue filled with faces from his past. Let anyone who is hungry, come in and eat, chants the congregation. What Lenny finds at the Passover celebration is an exquisite recognition of all that is missing from his life - and a brief.

**Las Vegas in Memoriam** Okonkwo Gerald,2017-10-15 Dozens of people were killed and hundreds were injured in Oct. 1 2017 when a gunman (Stephen Paddock) opened fire at a country music festival in Las Vegas from the 32nd floor of the hotel Mandalay Bay. He used a so-called bump stock that allowed his semi-automatic weapons to attain a rate of fire associated with fully-automatic guns, which are largely outlawed in the US. Authorities have released the names of all 58 people murdered in Las Vegas during the Mandalay Bay shooting. The youngest victims were 20, and the eldest was 67. Here are stories of those who died. Another Time, Another Place Gerald Chatanow,Bernard D. Schwartz,2000 The Brownsville/East New York neighborhood of the 1930's, 40's and 50's is now but an almost faded memory, a "time warp" as it were. Today it is a neighborhood that has been eviscerated and exists only as a geographic locale. Through the collective memories of the famous and the not-so-famous, Jerry Chatanow and Bernie Schwartz have elicited and chronicled a treasure trove of anecdotes and remembrances that bring back to life a once vibrant and exhilarating neighborhood. The authors vividly transport the reader back to a bygone era of street games, egg creams, mello rolls and knishes, patriotism at the home front, plush movie palaces, the Dodgers, the Knicks, boxing venues, old time radio and the neighborhood settlement houses with its open doors waiting to welcome the teeming masses. Anyone from small town or big city who was ever enriched by the nurturing warmth, the loyalties and camaraderie of a "neighborhood" will enjoy this major contribution to the oral history of America. This is a story told within the context of this country's transformation from "The Great Depression" to World War Two to "Baby Boomer" prosperity. The authors were both observers of and participants in what in retrospect proved to be a triumphant generation.

**Michael's Place** Gerald Myers,2023-10-31 When, in 1978, an innocent, somewhat naive adolescent from the predominantly white and Jewish neighborhood of Northeast Philadelphia, befriends an Italian, meth-mainlining, fatherless, petty criminal from South Philadelphia in the seething, gang-riddled Black and Hispanic cauldron that was Strawberry Mansion in 1978, a type of social science experiment ensues. Will the structured, family-centered appeal of the Jewish boy's grandparents' home and values provide the street urchin the stability he craves? Or will the allure of illicit adventure and the taste of forbidden love taint the adolescent's wholesomeness? This is the story that unravels in a novel where the bond of friendship is strained to the breaking point by the combination of thievery, illegal narcotics, sex, deceit and a gruesome homicide. Decades later, when this unlikely friendship has a chance to rekindle, when the boys have grown into young men, morphed and matured in what appears to be fundamental ways, what form will their reinvented relationship take? How will the bond reforge? And can the balm of the present heal the wounds of the past? These are the questions that are confronted and finally reconciled in the coming-of-age novel, Michale's Place.

**Omens from the Flight of Birds** Stephen Vincent,1977 We [decided to ask a number of artists and writers to participate in a collective journal, a daybook. Each participant would take a page or two, five or six times during Carter's first 101 days in office, and create a response, direct or indirect, to the ongoing Administration. The response could take any form the writer / artist chose: poem, story, diary entry, document, cartoon, photograph, collage, drawing, whatever. The idea was to reveal and illuminate the character and sprit of life with / under Carter.--Editor.

*Slav Outposts in Central European History* Gerald Stone,2015-12-17 While many think of European history in terms of the major states that today make up the map of Europe, this approach tends to overlook submerged nations like the Wends, the westernmost Slavs who once inhabited the lands which later became East Germany and Western Poland. This book examines the decline

and gradual erosion of the Wends from the time when they occupied all the land between the River Elbe and the River Vistula around 800 AD to the present, where they still survive in tiny enclaves south of Berlin (the Wends and Sorbs) and west of Danzig (the Kashubs). Slav Outposts in Central European History - which also includes numerous images and maps - puts the story of the Wends, the Sorbs and the Kashubs in a wider European context in order to further sophisticate our understanding of how ethnic groups, societies, confessions and states have flourished or floundered in the region. It is an important book for all students and scholars of central European history and the history of European peoples and states more generally.
