**Night Rangers** Randal Frotton,2010-09-28 When Robert Reynolds joined the army, he wasn't sure if he was running to something or running from something. Growing up with a brother and a single mom, life was tough. Traveling from town to town, his mother would take them wherever the work was. They finally settled in a small New England town. His years growing up weren't about football games or education; they were all about running the family farm, with his only release being taking on the town's local bullies and teaching them a lesson. Robert's next adventure in life was joining the army rangers. His next challenge was taking on the cartel. Finally feeling like he belongs, he dedicates his life to cleaning up the drug world in Mexico. Learning everything he can about the cartel and their life, he becomes a natural leader in taking down the cartel. Robert's adventures bring new meaning to his life, with one important person, being a woman named Debbie, who was the only woman whom Robert truly gave his heart and body to. With Debbie, daughter Sarah, and his brother rangers by his side, he is unstoppable. As Robert continues on with his missions, he runs into some trouble as a senator with an attitude, a man who wants some answers to a mission gone bad and is looking for a scapegoat, Robert being his main target. Can Debbie and his brother rangers save Robert from execution or will Robert take the fall, leaving the cartel to take over Mexico again?

**Depression Investor** Vince Carraway,2010 According to the financial pundits, the stock market always comes back. The only problem is that it is not always the stocks that many of us Americans own. There is a huge divergence between Main Street and Wall Street, and most middle class Americans realize that this next generation will be the first generation that will not have it better than their parents. The middle class in America has its roots directly or indirectly in manufacturing and, as we all know, manufacturing in the United States is on the wane. This book helps one to understand the background of investing and how to avoid financial disaster. The original purpose of this book was only to vanity publish this book for family members. After calling a market top of Dow 14,000, one month before it happened, the author, at the urging of his family, decided to compose this journal only for his grandchildren. When the author urged his family and several close friends to sell stock two months before the market meltdown in 2008, he was convinced to publish this journal. I convey all of my successes, failures, and observations to help you succeed as a depression investor and avoid the pitfalls of investing. I offer you a conservative pattern for investing that has worked for me for over 25 years.

**Teacher** Tom Bennett,2012-06-07 Most teacher manuals talk about what teachers need to do. That's useful enough, especially for new teachers. But no list, however long, can anticipate every circumstance, and in teaching unusual circumstances are an integral part of everyday life. But how do experienced teachers know what to do? Successful teachers develop a Teaching Character; they've worked on the qualities and personality traits that they need in order to cope successfully with the full spectrum of situations that being a teacher can involve. Veterans don't ask themselves, 'What does the teaching guide book tell me?' when confronted with difficult situations - they react instinctively, based on the character skills they've developed over time. Unfortunately, for most people this process of learning is unguided, and unconscious. It's time for a self-help manual that actually helps. This book includes case studies and anecdotes, chapter summaries and humorous illustrations to help teachers reflect on what it means to be a teacher, and why it is the most rewarding profession there is.

*Love, Always and Forever* Alexis Morgan,2017-03-14 Sergeant Joe's Boys are back! Bestselling author Alexis Morgan delivers a tender and inspiring novel about Mikhail, a battle-scarred firefighter, and the sensitive young woman who slips inside the walls around his heart. As a child, Mikhail Wanjek couldn't save his drug-addled mother; as a young man, he left a promising military career because he couldn't defend the innocent victims of war. When Mikhail's feeling like a failure, not even the love of his adoptive parents and loyal brothers can console him. But after he volunteers to help his beautiful brunette neighbor install a fence around her yard, Mikhail begins to heal. He wants to shield her pure, unabashed lust for life from the darkness--including his own. Successful heart surgery has allowed Amy Short to finally set out on her own, apart from her loving but overprotective family. Now she's experiencing new thrills with the chiseled fireman next door, from riding on the back of Mikhail's Harley to late nights full of passion. Still, he refuses to open up emotionally, and with Amy's history, she's not willing to wait around for Mikhail to change. What she needs to do is show him that together they can build something that will last forever. Look for all of Alexis Morgan's heartfelt Sergeant Joe's Boys romances: ALWAYS FOR YOU: JACK | ALWAYS BE TRUE: TINO | LOVE, ALWAYS AND FOREVER Praise for Love, Always and Forever "This is a real romance reader's romance with a lovely slow burn at its heart."--Publishers Weekly "Love, Always and Forever is an engrossing tale of love and healing that will keep you up late into the night. Alexis Morgan doesn't just write fabulous stories. She writes keepers."--Gerri Russell, bestselling author of Flirting with Felicity "Alexis Morgan has a talent for creating characters with depth and heart, who compel the reader to care about them and follow them on their journey to love. That's certainly the case with Amy and Mikhail, two scarred, caring people who are struggling to move forward and find the happiness and love they deserve."--Award-winning author Susan Fox "Readers are going to dream about having Mikhail Wanjek for a neighbor. I know I did!"--Wendy S. Marcus, award-winning author of All I Need Is You "This is a great story. The chemistry and dialogue between the characters, including a lot of the secondary characters we've met in previous books, are fabulous. Hands down this is the best book in the series so far."--The Good, The Bad and The Unread "A very cute story."--Romancing Myself "I can't say enough about this great series. Read it!"--Romancing the Readers "Morgan is a talented writer who, with a slight turn of the phrase, is capable of showing the intensity of love involved in various relationships."--Romance.io "I absolutely loved Tino's story! . . . Each book of the Sergeant Joe's Boys series is about a different brother and can be read as a stand-alone. Although, I do recommend reading them in order. As to not give anything away. The writing is great and the story flowed well."--Once Upon An Alpha Includes an excerpt from another Loveswept title.

**Devil Tree** John Derr,2005-06-29 J.P. leaned back in his chair and placed his hands behind his head. Did this have something to do with the 21st Century Plan? Well, one way or another it is new information. He was worried that he had hit a dead-end after the formula issue. Now at least there is something that could be related to the project. He thought it was a little ironic that he was there at James to find out why someone had made a copy of the plan and in the process there had been an unrelated shooting, a stolen Lifeal formula, and an emerging board of directors battle, all seeming to have nothing to do with the 21st Century Plan.
