In the Garden of Thoughts Dodinsky,2013-04-16 Now a New York Times bestseller! Dodinsky's gentle wisdom and wit are like a breath of fresh air. –Karen Salmansohn, bestselling author of *How to Be Happy*, *Dammit! Beloved* by hundreds of thousands from every walk of life and in every corner of the world, Dodinsky strikes the perfect balance of delightful whimsy and powerful emotion, inspiring you with the power to be your best self. When I reach the place of my dreams, I will thank my failures and tears. They too, kept me going.

The Answer Is Simple Sonia Choquette,2009-09-01 Having observed thousands and thousands of people from virtually every walk of life, with every advantage or disadvantage, Sonia Choquette can confidently say that the only ones who genuinely succeed, who find peace and joy in their hearts and take great pleasure in their experiences, have a different way of going about things. Rather than relying solely on their egos—their defended, insecure personalities—suffering the assaults life renders them, they turn to a higher aspect of their nature, the Spirit within, and let this direct their lives. The ten simple yet necessary steps outlined in this book will allow you to make that connection to your authentic Spirit and experience your truth. As Sonia says, These aren't just metaphysical theories, but are tried-and-true, grounded practices that will lead you directly back to you: the best, holiest, most delightful and delighted you, free of fear and filled with light. The most exciting part is that learning to love yourself and live your Spirit is actually quite simple when you realize the truth revealed herein: that you are not the ego, but rather are Divine, Holy Spirit. Once you do, everything will come alive in light and joy. Love yourself and live your Spirit, and your life flows peacefully. It really is that simple

Zingerman's Guide to Giving Great Service Ari Weinzwieg, 2012-06-26 Entrepreneurial phenomenon Ari Weinzwieg, co-founder of the much-loved Zingerman's Deli, shares the secrets to providing world-class customer service. Zingerman's in Ann Arbor, Michigan, is a beloved deli with some of the most loyal clientele around. It has been praised for its products and service in media outlets far and wide, including the New York Times, Men's Journal, Inc. Magazine, Esquire, Atlantic Monthly, USA Today, and Fast Company. And what started out as a small deli has grown to a flourishing restaurant, catering service, bakery, mail-order operation, creamery, and training business. Booming business and loyal customers are proof enough that the Zingerman's team knows a thing or two about customer service. Now in *Zingerman's Guide to Giving Great Service*, co-founder Ari Weinzwieg shares the unique Zingerman method of treating customers, giving the reader step-by-step instructions on what to teach staff, how to train them, how to implement the training, how to measure their success, and finally, how to reward performance. Some of Zingerman's time-tested principles: Customers who get a great product but poor service won't be as loyal as those who are disappointed with a product but get great service. You'll get more complaints if people believe you care enough to listen to them. And that's a good thing. Employees who are rewarded, respected, and well cared for treat customers the same way.

A Biblical Perspective On Tithing & Giving: A Believer's Stewardship Guide Rich Brott, 2008 According to author Rich Brott, nothing happens in the economy of God until you give something away. It is a universal law of God. Giving is the trigger for God's financial miracles. When you give to the Kingdom of God, it will be given back to you. We must do so in complete confidence that our God will not only meet our needs, but allow us to have plenty left over so that we can joyfully share it with others. When it comes to personal possessions, money and wealth, you cannot take it with you but you CAN send it on ahead. Bottom line is this: what you keep, you will lose, but what you give away, you will gain. When you become a faithful tither and a generous giver you become an individual whom God can bless.

Thornton,2021-02-02 2021 Foreword INDIES Finalist A girl of the desert and a jinni born long ago by the sea, both enslaved to the Salt King—but with this capricious magic, only one can be set free. As a daughter of the Salt King, Emel ought to be among the most powerful women in the desert. Instead, she and her sisters have less freedom than even her father's slaves ... for the Salt King uses his own daughters to seduce visiting noblemen into becoming powerful allies by marriage. Escape from her father's court seems impossible, and Emel dreams of a life where she can choose her fate. When members of a secret rebellion attack, Emel stumbles upon an alluring escape route: her father's best-kept secret—a wish-granting jinni, Saalim. But in the land of the Salt King, wishes are never what they seem. Saalim's magic is volatile. Emel could lose everything with a wish for her freedom as the rebellion intensifies around her. She soon finds herself playing a dangerous game that pits dreams against responsibility and love against the promise of freedom. As she finds herself drawn to the jinni for more than his magic, captivated by both him and the world he shows her outside her desert village, she has to decide if freedom is worth the loss of her family, her home and Saalim, the only man she's ever loved.
