**The Eagle and the Dragon** Chris Duffin,2019-07-09 The world may know Chris Duffin as 'The Mad Scientist of Strength,' but you wouldn't have ever guessed that if you saw the scrawny kid skinning rattlesnakes and chasing dragonflies in the early '80s. The story of his unconventional life will take you from ... tales of murder, trauma, heartbreak, and survival deep in the Pacific Northwest wilderness all the way to an idealization of the self-made man--still flawed, but never broken--Dust jacket fla

**The Eagle's Claw** Jeff Shaara,2021-06-01 NATIONAL BESTSELLER • In a “riveting” (Booklist) tale that picks up where To Wake the Giant left off, Jeff Shaara transports us to the Battle of Midway in another masterpiece of military historical fiction. Spring 1942. The United States is reeling from the blow the Japanese inflicted at Pearl Harbor. But the Americans are determined to turn the tide. The key comes from Commander Joe Rochefort, a little known “code breaker” who cracks the Japanese military encryption. With Rochefort’s astonishing discovery, Admiral Chester Nimitz will know precisely what the Japanese are planning. But the battle to counter those plans must still be fought. From the American side, the shocking conflict is seen through the eyes of Rochefort and Admiral Nimitz, as well as fighter pilot Lieutenant Percy “Perk” Baker and Marine Gunnery Sergeant Doug Ackroyd. On the Japanese side, Admiral Isoroku Yamamoto is the mastermind. His key subordinates are Admiral Chuichi Nagumo, aging and infirm, and Admiral Tamon Yamaguchi, a firebrand who has no patience for Nagumo’s hesitation. Together, these two men must play out the chess game designed by Yamamoto, without any idea that the Americans are anticipating their every move on the sea and in the air. Jeff Shaara recounts in electrifying detail what happens when these two sides finally meet, in what will be known ever after as one of the most definitive and heroic examples of combat ever seen. In The Eagle’s Claw, he recounts, with his trademark you-are-there immediacy and signature depth of research, one single battle that changed not only the outcome of a war but the course of our entire global history. The story of Midway has been told many times, but never before like this.

Call-Sign KLUSO Rick Tollini,2021-04-01 A US Air Force Captain tells the story of his life and service during Operation Desert Storm in this thrilling military memoir. A pilot all his life, Rick “Kluso” Tollini turned his childhood dream into a reality when he became a fighter pilot for the US Air Force. In Call Sign KLUSO, Rick “Kluso” Tollini puts the fraught minutes above the Iraqi desert that made him an ace into the context of a full life; exploring how he came to be flying a F-15C in Desert Storm, and how that day became a pivotal moment in his life. He recounts his training, preparation, and missions, as well as the life of a fighter pilot in a combat zone. He also explores life as an air force veteran, and his turn to Buddhism as he comes to terms with his actions in combat. Rick’s first experience of flying was in a Piper PA-18 over 1960s’ California as a small boy, and his love of flying through his teenage years was fostered by his pilot father, eventually blossoming into a decision to join the Air Force as a pilot in his late twenties. Having trained to fly jets he was assigned to fly the F-15 Eagle with the “Dirty Dozen,” the 12th Tactical Fighter Squadron, at Kadena AB, Japan, before returning Stateside to the 58th Tactical Fighter Squadron “The Gorillas.” Throughout training, Reagan’s fighter pilots expected to face the Soviet Union, but Rick’s first combat deployment was Desert Storm.

**Eagle Down** Jessica Donati,2021-01-19 A Wall Street Journal national security reporter takes readers into the lives of frontline U.S. special operations troops fighting to keep the Taliban and Islamic State from overthrowing the U.S.-backed government in the final years of the war in Afghanistan. A FINANCIAL TIMES BEST BOOK OF THE YEAR “Powerful, important, and searing. —General David Petraeus, U.S. Army (ret.), former commander, U.S. Central Command, former CIA director In 2015, the White House claimed triumphantly that “the longest war in American history” was over. But for some, it was just the beginning of a new war, fought by Special Operations Forces, with limited resources, little governmental oversight, and contradictory orders. With big picture insight and on-the-ground grit, Jessica Donati shares the stories of the impossible choices these soldiers must make. After the fall of a major city to the Taliban that year, Hutch, a battle-worn Green Beret on his fifth combat tour was ordered on a secret mission to recapture it and inadvertently called in an airstrike on a Doctors Without Borders hospital, killing dozens. Caleb stepped on a bomb during a mission in notorious Sangin. Andy was trapped with his team during a raid with a crashed Black Hawk and no air support. Through successive policy directives under the Obama and Trump administrations, America came to rely almost entirely on US Special Forces, and without a long-term plan, failed to stabilize Afghanistan, undermining US interests both at home and abroad. Eagle Down is a riveting account of the heroism, sacrifice, and tragedy experienced by those that fought America’s longest war.

Life Is Magic Jon Dorenbos,2020-11-03 “Jon Dorenbos is a magical person. Life Is Magic shows how we can all choose happiness in the face of overwhelming odds.” —Ellen DeGeneres An extraordinary and empowering story of resilience, forgiveness, and living a life of purpose in the face of unfathomable obstacles. You may know him as an NFL All-Pro or as a world-class magician who made the finals of America’s Got Talent, but Jon Dorenbos says that what he does is not who he is. He is someone who coached himself, at the most tender of ages, to turn tragedy to triumph. One morning in August 1992, when Jon was twelve years old and living a seemingly idyllic childhood in suburban Seattle, he woke up for baseball camp. His dad waved goodbye. Later that day, Jon heard the news: his father had murdered his mother in the family’s three-car garage. In an instant, his life had shattered. He’d essentially been orphaned. Thrust into foster care while his father stood trial for murder, Jon struggled. Left to himself, he discovered an unlikely escape performing magic tricks. If you found a way to alter your reality, after your dad—your hero—killed your mom, wouldn’t you cling to it too? Then came football, which provided a release for all of his pent-up anger. Together, magic and football saved him, leading to fourteen NFL seasons on the gridiron and raucous sleight of hand performances to packed houses across the globe. In 2017, he was diagnosed with a life-threatening heart condition leaving him with a choice. To either break down or—as he’d by now long taught himself—bounce back. “Life Is Magic shows how we can all choose happiness in the face of overwhelming odds” (Ellen DeGeneres) and provides a roadmap for overcoming even the darkest of times. Jon’s story is poignant and powerful, told by a charismatic and optimistic man who has overcome life-or-death challenges with grace, persistence, a childlike sense of wonder...and jaw-dropping

card tricks.

**Bald Eagles In The Wild** Jeffrey Rich,2018-05-01 The majestic Bald Eagle was adopted in 1782 as America's official bird. It has historically been a symbol of freedom and patriotism in the United States of America, and for good reason. The bird is associated with authority and has a fierce beauty that speaks to those who look upon it. Today, the Bald Eagle is a protected species. Once on the brink of extinction, it is currently enjoying a comeback. In this book, wildlife and bird photography specialist Jeffrey Rich showcases over 150 of his storytelling photographs of Bald Eagles and shares insights into the birds' habitat, feeding habits, mating patterns, the care of their young, and more. Readers will marvel over images of birds in flight, in nests with their young, at rest, preening, and capturing prey, as Rich chronicles the daily lives, in detail, of America's favorite bird.

As the Eagle Flies J. D. Oliver,2012-08-12 Clay Bronson is a product of the nineteenth century, half white, half Cheyenne, neither fitting into the fast pace of the twenty first century. As an ex-Navy fighter pilot, he returns to his roots in the Big Horns of Wyoming where he joins his Father and Brother on the rodeo circuit. Then one day their plane develops engine trouble and they make a forced landing in New Mexico where they find their counter parts on a Spanish Land Grant. This is where the story begins, as they follow the path of the Eagle, as they fly toward their destiny. About the Author J. D. Oliver highlights the struggle between good and evil in all his work, whether it is novels or the Cowboy Poetry he writes and performs. History, incredible knowledge of the world and the type of people who inhabit it are all present in his work. J. D. was born in Montana, where his roots go back to the early 1800's. Both sets of his grandparents homesteaded in Montana; on his mother's side, on a dry land wheat farm in Central Montana, Highwood to be exact. On his father's side it was on a cattle ranch in south central Montana, in the little town of Edgar, where he went to school with the Crow Indian children from Pryor, Montana. He traveled widely in the Navy and worked in the logging industry as well as an Operating Engineer, building roads and dams. However he always came back to the homestead during winter to help feed cattle with his Dad. J. D. is married with two children, seven grandchildren and one great-grandchild.

When Eagles Soared Nick Lewis,2022-03-16 As the Vietnam War rages, a young coach tries to teach a struggling grade-school football team about winning, losing, and the importance of honor . . . As the Osborne family gathers to celebrate young Lou's college graduation in 1970, his future is uncertain. He could be sent to Vietnam like his friend Manny—who's now back home—suffering every day from his experience overseas. After Lou is spared from the same fate, he wonders at his luck, but embraces a hopeful new future as he accepts a job as a teacher and football coach at an Ohio elementary school. He has his work cut out for him, though. The Eidsonville Eagles have never had a winning season. Now, as he navigates his growing relationship with his girlfriend, his concern for Manny, and the turbulence of the times, he must power through obstacles and challenges to bring a ragtag group of seventh and eighth graders together and teach them to be the best they can be, win or lose . . . Based on the author's own memories and experiences of the era, When Eagles Soared takes us back to a time of both innocence and tension, when rock and roll rang through the air, young men of draft age lived under a cloud of anxiety, and a nation struggled to hold on to hope for a better future.

**Little Eagle and the Sacred Waterfall** Howard Losness,2002-11 Little Eagle is about to go through the ritual of the Rites of Manhood where he must leave the tribe, armed with only his bow and arrow and not only survive, but return when the sun has risen seven times, armed with proof that he is worthy of being a warrior. His journey will take him to Black Mountain where he will find a cave that will take him deep into the bowels of the mountain. There he will encounter terrors of another time and a distant world. Having completed his journey and safely returning home, he feels invincible and decides to violate tribal laws and venture into the Sacred Waterfalls. There, he suddenly finds himself in a land where no living person has ever been. A land with no escape. It is a place where children go to their afterlife, where water is not wet and fish, birds, and animals communicate and participate in games with the children. A land where time does not exist.
