*UnPresidednted* Jon Sopel,2021-01-14 Fear and loathing on the 2020 campaign trail... '26 February, White House Briefing Room The coronavirus feels like it is changing everything. Suddenly it's not just a public health emergency; it has the potential to upend this whole election...' Experience life as a reporter on the campaign trail, as the election heats up and a global pandemic slowly sweeps in. As American lives are lost at a devastating rate, the presidential race becomes a battle for the very soul of the nation - challenging not just the Trump presidency, but the very institutions of American democracy itself. **A Latterday Confucian** Susan Chan Egan,2020-03-17 As a scholar, William Hung was instrumental in opening China's rich documentary past to modern scrutiny. As an educator, he helped shape one of twentieth-century China's most remarkable institutions, Yenching University. A member of the buoyant, Western-educated generation that expected to transform China into a modern, liberal nation, he saw his hopes darken as political turmoil, war with Japan, and the Communist takeover led to a different future. yet his influence was widespread; for his students became leaders on both sides of the Taiwan Strait, and he continued to teach in the United States through the 1970s. In 1978, he began recalling his colorful life to Susan Chan Egan in weekly taping sessions. Egan draws on these tapes to let a skillful raconteur tell for himself anecdotes from his life as a religious and academic activist with a flair for the flamboyant. His reminiscences encompass the issues and dilemmas faced by Chinese intellectuals of his period. Among the notables who figured in his life and memories were Hu Shih, H. H. Kung, Henry Winter Luce, John Leighton Stuart, Timothy Lew, and Lu Chihwei. While retaining the flavor of Hung's reminiscences, Egan explains the evolution and importance of his scholarly work; captures his blend of Confucianism, mystical Christianity, and iconoclastic thought; and describes his effect on those around him. For it was finally his unyielding integrity and personal kindness as much as his accomplishments that caused him to be revered by colleagues and generations of students.

**Three Gold Coins or Too Young to Die This Rich!** John Kaufan,2013-04-01 Mel P. Dread Private Eye Investigation Division Matter regarding: one ton of priceless missing gold coins. My early investigations led me to find three gold coins. The coins had been buried deep underground along with the first clues that could dramatically change my life forever. My quest to find the priceless coins led me and my new friend, Bonnie Lou Starr, to Des Moines, Iowa. In search for more clues, we visited the famous Des Moines Christian Cathedral Church and homeless shelter, where the two of us spent five nights, eating, sleeping, and pretending to be homeless. Des Moines is where my great-grandfather Melvin Porter Dread was buried. His grave was where I dug up more clues, which led me to believe I could become one of the richest twelve-year-old kids in the entire world if I found that priceless lost gold! Soon after we returned home, a story of two twelve-year-old kids from Nebraska was all over the national and local TV news. Could that be it? Maybe this case needed to be stamped closed? Then I started connecting the missing pieces in this Dread family mystery with all those clues that could only lead to one remaining question: just where did my great-grandfather hide the gold? I now have a good idea where it might have been hidden: in the very church the Dread family had built back in 1906. It is the same church my father, who believes that God does love the poor as much as the rich, still preaches in every Sunday. I know you are anxious to see how this mystery will turn out. I still believe there could be a fortune of gold coins hidden somewhere, and I have been busy doing every possible thing I can do to find them, I assure you. As luck would have it, I am unfortunately trapped and in a great amount of pain. As I lie here trying to make it through the night, I know however this story turns out, at twelve, I am too young to die this rich! Sincerely Mel P. Dread Does God love the rich more than he does the poor? At this tales end you will have laughed, you will have cried, and most of all you will have felt the joy that a good story can provide ones soul. In the end we might reach the conclusion that the meaning of love is as simple as we each choose to make it!

Cong Catchers Lee Halverson,2022-10-14 Lee spent January 1969 to December 1970 in the US Army. Cong Catchers is a compilation of events that occurred while he served. This is not a guns-and-ammo book. It is a book about a young man with Christian values at war. A young man who avoided the pleasures that were readily available and instead organized football games, drank soda, avoided drugs, and helped repair orphanages. You will enjoy meeting many of those he served with and the ways they coped in very adverse conditions. These young men served our country with valor and returned home to a less-than-friendly society.

Airline Hubs Mike DeWine,1999-12 Explores the state of competition in the domestic aviation industry. Specifically, it attempts to determine whether hubs are producing the benefits of competition or, as some argue, permitting the dominant carrier at the hub to impose monopoly prices on the public. Witnesses include: Senators Mike DeWine, Herbert Kohl, and Charles E. Grassley; Robert J. Spane, pres. and CEO, Vanguard Airlines; Richard B. Hirst, sr. v.p. for corporate affairs, Northwest Airlines; Kevin C. Stamper, chmn. and CEO, ProAir; Cyril D. Murphy, v.p. for international affairs, United Airlines; and Steven A. Morrison, Prof. of

SUCCESSFUL FARMING DES MOINES IOWA: THE DISCOVER CHRISTMAS 1909 ,1909

Vengeance Is Mine James D. Savage,2013-11-11 Much of what is written in this book is true and will probably shock and hurt those who loved James D. Savage but the names have been changed to protect both the innocent and the guilty. The ending of the book has been changed from what really happened and that is all I will say about that. As is often the case, the truth is stranger than fiction and it is unlikely people would accept what really happened and how his life really ended. This book tells the good and the bad and does not paint anyone out to be what they are not. It is first and foremost a story of vengeance on those who set out to ruin a good man's life.
