The Pearl of Great Worth! Dr. Ian Traill, Have you ever been made to feel worthless or you just feel that way? You may say yes and you may say no, but I want to show that the heart and the vibe of the Bible is a love letter coming from God to us. The Bible may be read and understood by the head but it is the vibe of the WORD that strikes the heart.

A Book of Great Worth Dave Margoshes,2012 A collection of short stories written by Dave Margoshes and loosely based on the life of his father during the nineteen twenties and thirties in New York City.

Pearls of Great Worth George Rapanos,2006-12-01 Original Poetry by George Rapanos A touch of the Spirit can inspire poetry such as mine, and only personal experience can unfold its meaning. Poetry that is realized raises the individual to a summit of awareness; the conscious realization of one's divine origin. Free Poem REBIRTH A Full--majestic moon-- Radiates a beauty, Over the vast turbulent sea. A veil is lifted --A soul is free -- To walk--the beach in radiant light. A spirit that blows across the water, Stirring up the waves as-- A heart is stirred by the thoughts of love. Moving the ocean--to the shore-- With waves that pulsate a desire to be-- Sea oats--in the sand dunes of time, Swaying--Reaching-- For the warmth of the Sun. A longing to procreate, A reunion with--YOU.

Worth Dying For Lee Child,2010-10-19 THE #1 NEW YORK TIMES BESTSELLING JACK REACHER SERIES • Don't miss the hit streaming series Reacher! A heart-racing page-turner that hits the ground running and then accelerates all the way to a colossal showdown "Jack Reacher is the coolest continuing series character now on offer."—Stephen King, in Entertainment Weekly There's deadly trouble in the corn country of Nebraska . . . and Jack Reacher walks right into it. First he falls foul of the Duncans, a local clan that has terrified an entire county into submission. But it's the unsolved case of a missing child, already decades old, that Reacher can't let go. The Duncans want Reacher gone—and it's not just past secrets they're trying to hide. They're awaiting a secret shipment that's already late—and they have the kind of customers no one can afford to annoy. For as dangerous as the Duncans are, they're just the bottom of a criminal food chain stretching halfway around the world. For Reacher, it would have made much more sense to keep on going, to put some distance between himself and the hard-core trouble that's bearing down on him. For Reacher, that was also impossible.

A Penny's Worth of Minced Ham Robert J. Hastings,1986 The author grew up in Marion, Illinois, entering the first grade in 1930, the start of the Great Depression. This book, which recalls memorable episodes in Hastings' youth, is a sequel to his popular Nickel's Worth of Skim Milk, to be reissued in paperback simultaneously with this book.

One Great Insight Is Worth a Thousand Good Ideas Phil Dusenberry,2006-10-03 We Bring Good Things to Life It's Not TV, It's HBO Visa: It's Everywhere You Want to Be These aren't just advertising slogans; they're game-changing insights. And according to ad industry legend Phil Dusenberry, who with his team at BBDO created these and many other brilliant campaigns, one big insight is worth a thousand good ideas. An idea can lead to one clever commercial. But a true insight can define a brand for years to come and turn an entire industry upside down.

Of Great Worth Anne Ferrell Tata,2012-11-12 Avery Fletcher is living the kind of life she had always imagined. She is married to Richard, a former football star at Duke University and now a litigator working toward partnership at his law firm. Avery is a successful pharmaceutical sales representative. Together they have two sweet young daughters. Avery finds the time to take her daughters on play dates, work out at the local gym, and meet her girlfriends for lunch. On the surface, things are the way she had always dreamed. Why, then, does Avery feel so lonely and unhappy? She tries to talk to Richard, but he only reminds her of all the things for which she should be grateful. Thinking about that only adds guilt to her loneliness. Avery decides to visit her understanding best friend, Lexie Robbins, a beautiful model living in New York City. She trusts that Lexie will give her the encouragement to bring her out of her despair. Instead, Avery meets Giovanni La Rocca, a handsome Italian businessman, who offers an easy solution to her loneliness. Himself. Caught between two worlds, Avery must decide her next move. One way appears to be the right way, the other way appears to be the better way, but what about His way?

Creed and the Pearl of Great Worth Josh Amstutz,2022-02-24 The greatest storyteller of all time was captivating, creative, shocking, funny, and moving. That storyteller was Jesus, and His stories were called parables. And if the parables of Jesus were reimagined through the eyes of a child, meshed with zany rhymes and modern art you might just end up Creed And The Pearl Of Great Worth. Dive into this reimagined parable and discover what lengths God would go to ...just for you.

Treasure of Great Worth Kathy S Mapp,2022-04-22 What is written in this book began for me over 30 years ago. I was being called to be HIS fire. At that time it was somewhat alarming because Fire is intentional, beautiful and powerful. And now, it is blazing with purpose. The hope in the writing of this book is to encourage every parent, guardian, teacher, and grandparent to begin at an early age to instruct our children in the things of God and the WORD of God and impart the FIRE of God. As these encounters with God and His WORD and His Holy Spirit begin to come alive in our children's lives, they will know who they are in Christ, their purpose and their destiny.

Worth a Thousand Words Brigit Young,2018-08-14 Ever since Tillie Green's car accident left her with a severe limp, she's kept herself hidden behind her camera. Through the lens, she watches her family and classmates, spotting the small details and secret glances that tell a much bigger story than what people usually see. Students call her Lost and Found, because her camera knows when you last had your headphones. Tillie is good at finding things, but she isn't prepared for Jake's request: to find his father. In a matter of days, Tillie goes from silent observer to one half of a detective duo, searching the college-town community for clues to explain Jake's dad's disappearance. When the truth isn't what Jake wants it to be, and taking photographs starts exposing people's secrets, Tillie has to decide what (and who) is truly important to her.

The Worth of Water Gary White,Matt Damon,2022-03-29 From the founders of nonprofits Water.org & WaterEquity Gary White and Matt Damon, the incredible true story of two unlikely allies on a mission to end the global water crisis for good On any given morning, you might wake up and shower with water, make your coffee with water, flush your toilet with water—and think nothing of it. But around the world, more than three-quarters of a billion people can't do any of that—because they have no clean water source near their homes. And 1.7 billion don't have access to a toilet. This crisis affects a third of the people on the planet. It keeps kids out of school and women out of work. It traps people in extreme poverty. It spreads disease. It's also solvable. That conviction is what brought together movie actor Matt Damon and water expert and engineer Gary White. They spent years getting the answer wrong, then halfway right, then almost right. Over time, they and their organization, Water.org, have found an approach that works. Working with partners across East Africa, Latin America, South Asia, and Southeast Asia, they've helped over 40 million people access water and/or sanitation. In *The Worth of Water*, Gary and Matt take us along on the journey—telling stories as they uncover insights, try out

new ideas, and travel between the communities they serve and the halls of power where decisions get made. With humor and humility, they illuminate the challenges of launching a brand-new model with extremely high stakes: better health and greater prosperity for people allover the world. The Worth of Water invites us to become a part of this effort—to match hope with resources, to empower families and communities, and to end the global water crisis for good. All the authors’ proceeds from the sale of this book will be donated to Water.org.

The True Significance of Sacred Tradition and Its Great Worth Rafā’īl Hawāwīnī,2016 Never before published, the theological thesis of St. Raphael Hawaweeny (1860-1915) is a fascinating work that shows the intersection of Roman Catholicism, Protestantism, and Eastern Orthodoxy in the late nineteenth century. Canonized by the Orthodox Church in 2000, St. Raphael was the first Orthodox bishop consecrated in the western hemisphere. His thesis reflects the life of the Orthodox community under Ottoman rule and is an apologia for Orthodox tradition, acting as a response to arguments advanced by Roman Catholic and Protestant missionaries in the Middle East. Patrick Viscuso's introduction explains the complex historical and theological forces at work in St. Raphael's world. Since the sixteenth century, the Roman Catholic Church had launched major proselytization efforts toward Orthodox Christians in the Ottoman Empire, with the support of the great Western powers. In the late nineteenth century, the United States dominated Protestant efforts in the region. The powerful language in St. Raphael's thesis and his refutation of Roman Catholic and Protestant positions reflect an active dialogue with Western Christianity. The thesis, dated May 1, 1886 was written as part of the requirements for graduation from the Theological School of the Great Church of Christ, an institution of the Ecumenical Patriarchate located on the island of Halki in the Sea of Marmara, near present-day Istanbul. Patrick Viscuso's translation is based on his transcription of the handwritten Greek text. Viscuso provides this transcription, along with translations of the 1874 Regulations of the Theological School and a contemporary account of life at the school. This important volume will appeal to historians of the Ottoman Empire and Christianity, specialists interested in religious pluralism in America, and general readers interested in religion and Christian dialogue.

A Nickel's Worth of Skim Milk Robert J. Hastings,1986 Told from the point of view of a young boy, this account shows how a family faced the 1930s head on and lived to tell the story. It is the story of growing up in southern Illinois, specifically the Marion, area during the Great Depression. But when it was first published in 1972 the book proved to be more than one writer's memories of depression-era southern Illinois. People started writing me from all over the country, Hastings notes. And all said much the same: 'You were writing about my family, as much as your own. That's how I remember the 1930s, too.' As he proves time and again in this book, Hastings is a natural storyteller who can touch upon the detail that makes the tale both poignant and universal. He brings to life a period that marked every man, woman, and child who lived through it even as that national experience fades into the past.
